

**\*\*If you are already registered with READsquared login to your existing account to enroll yourself or child(ren) into the program you are interested in.  
Account > Add Reader or Program > Add Reader or Program >  
Age of Reader > Program > Continue > Personal Information > Continue**

## NEW USER REGISTRATION

### If Using the App:

- ❖ Download the READsquared app on your mobile device
- ❖ Choose "Henderson County Public Library District IL" as your library

### If using the Website:

- ❖ Visit <https://hendersoncolibrary.readsquared.com/>
- ❖ Click on Register Online "**Here**"
- ❖ Choose "Myself" or "Myself + Other Readers"
  - We recommend using "Myself + Other Readers". This allows you to log the same book/page numbers for multiple children at once, choose a child you're logging for, choose the program you want to log for, and add children at a later time.
- ❖ Enter Adult information first (this will make you the Primary Account)
  - Program - choose appropriate program or "I will choose a program later" if you are registering for your child(ren)'s program
  - Continue - enter all required information
- ❖ Enter Child(ren) information
  - Linked users do not need a username and password
  - If you do not want to receive book recommendations make sure to click NO
  - Continue adding children until everyone is enrolled in all appropriate programs
    - You will need to add your child to each program separately, each program could have different registration requirements (ex: you enrolled them in 1,000 Books and also want to enroll them in Summer Reading)

## LOGGING

- ❖ Click "Log" under the "Log Activity" tab
  - Book Title and Author is not required
- ❖ When logging books/pages/hours make sure you are on the appropriate program
  - Each program has different requirements. 1,000 Books tracks books, Summer Reading tracks pages, and the adult programs vary from program to program.
- ❖ Select which person and program you want to log for
- ❖ Earn badges and prizes for reading!
