HOMECOMING WEEK 2004

Medieval Times

Homecoming week 2004 was filled with excitement, fun, and festivities. The week was considered of many activities and dressing up. Monday was the traditional PJ/Hat day, Tuesday was Famous / Decades day, Wednesday was Autograph day/ Crazy Hair day, Thursday was Medieval day, and Friday was the traditional Spirit Day. There were many students that participated in all activities. On Friday afternoon, the Student Council had numerous activities planned for the student body. Southern High also participated in the activities. That night our boys fought a hard game against Pittsfield. Thank you to all who participated in all activities. It made the week exciting and fun.

Peace Out!

This year was the last prom for Union High School before the consolidation next year. It was held on May 7th at Knox College. Each and every student and faculty member had a blast as they danced the night away and gave the seniors "The Times of Their Lives." There were many pictures taken and memories made. The night ended with the crowning of Zach Link as King and Jessica Smith as Queen. We all wish them congratulations and we thank everyone for all their hard work to make this night "The Time Of Our Lives!"

WOW! What a season the girls had this year. Going into the season with all the teams thinking that we were going to be an easy win had a huge wake up call. From last year's 7-19 record to this seasons 15-13 record is a huge accomplishment. We did a lot of camps and shootouts in the summer. During the season we went 7-3 in the conference (3rd), won the Westmer Holiday Tournament, Hometown Heroes, won the Traveling Trophy, 4th place in the Lincoln Trail Conference Tournament. We had a lot of talent on this years team with one senior, five juniors, and five sophomores. This was the best way to end to the last year of Union High School girls basketball.

"Very Good, Very Good....Not so Good"

TRIBUTE TO MR. IRLBECK

Mr. Dean E. Irlbeck has been working for Union High School 115 for the past 12 years. He came to Union after working as Principal/Chief Administrator at Newman Central Catholic High School/Middle School in Sterling, Illinois for two years.

In the years before he was a Superintendent he had many jobs. He was principal at St. Theresa School in Des Moines, Iowa. Principal at Scranton Consolidated Schools in Scranton, Iowa. County Auditor for Lake of the Woods County, Minnesota. He also worked in Texas for a number of years.

Here are just a few of his beliefs about school, teachers, and students...

The education of students is a highly complex undertaking, vital to the future of our youth and our Nation.

Successful teachers are authentic people and have a real love of teaching and learning.

All students can learn. Some have more natural ability and some have more difficulty than others.

We at Union High School would like to dedicate the 2004-2005 Yearbook to you Mr. Irlbeck. We wish you the best of luck at Rochelle Elementary. We will miss you and you will always be in our hearts.
