PRINCIPAL'S MESSAGE

"The world would be a dismal place
Without the love of friends,
The handclasp, and the smiling face,
The joy that friendship lends."

Friends of Media:

For the splendid, faithful support that you have so willingly given to all of our educational program throughout the year we are very thankful and appreciative. The honors that Media has attained in various fields have come because you as pupils, parents, teachers, tax-payers, interested patrons or members of the administrative board have made it possible. A constructive program can be promoted only when co-operation and vision are the keys. As one great mind has said "The purpose for each of us is to make life a little more happy for some one else." In this machine age we should remember the challenge of unselfish service. It was Nathan Wever who first gave this spirit to this institution, and it has since been our goal to pass the flaming torch of service to all who seek instruction and guidance for living clean and constructive lives.

This book presents a story of some of the accomplishments of our students. It is the hope of the staff that you will enjoy the sharing of their experiences and that you will have an opportunity to learn more of the well rounded program which is offered to all who attend Media. There are opportunities to develop talents in mastery of facts, thinking, athletics, music, speech, handwork, art, and many others useful in life. Instruction is offered in the following fields: English, Mathematics, Social Studies, Music, Foreign Language, Science, Commercial, Agricultural, Visual Education, Physical Education and Athletics, Dramatics, Library and Journalism.

These experiences serve as a medium to develop and broaden each student in the spiritual, physical, mental and social phases of this life. The ultimate purpose of all of this program is to develop citizens who will help make this world a little better for their having lived in it. In the message of this book, there is truly a great admiration for the ideals of sincere knighthood. Let us seek the best and give the best to the world.

May we think of the challenge of education in these words:

"I bear the torch that enlightens the world, fires the imagination of man, feeds the flame of genius. I give wings to dreams and might to hand and brain.

"From out of the deep shadows of the past I come, wearing the scars of struggle and the stripes of toil, but bearing in triumph the wisdom of all ages. Man, because of me, holds dominion over earth, air and sea: it is for him I least the lightning, plumb the deep and shackle the ether.

"I am the parent of progress, creator of culture, molder of destiny. Philosophy, science and art are the works of my hand. I banish ignorance, discourage vice, disarm anarchy.

"Thus have I become freedom's citadel, the arm of democracy, the hope of youth, the pride of adolescence, the joy of age. Fortunate the nation and happy the homes that welcome me.

"The school is my workshop; here I stir ambition, stimulate ideals, forget the keys that open the door to opportunity. I am the source of inspiration; the aid of aspiration. I am irresistible power."

Yours very truly,

Garold D. Holstine

NEWS FLASHES FROM THE SENIORS OF '37

From these rather brief news flashes let us review the history of the Senior Class.

FLASH! Four years ago in September sixteen green but energetic Freshmen entered the Media Township High School. They were: Earl Johnson, Charlie Smith, Beth Brokaw, Lois Brokaw, Marjorie Campbell, Keith Corzatt, Junior Gibb, Max Galbraith, Betty Hayden, Earl Isaacson, Darlene Mathers, and John Voorhees. A rousing initiation lead the Freshmen to feel that they were worthy to become loyal members of Media High. At the first class meeting Junior Gibb was chosen president, Keith Corzatt vice president. Charlie Smith left school during the second six weeks. Many of the boys, eager to make their mark, reported for football, basketball, and track competition. The G.A.A. claimed the interest of all the girls. Talent was also displayed in orchestra, chorus, and dramatics.

FLASH! One year later. The Freshmen Class matured to the second stage and added to the roll Maxine Covert, Ralph Staley, Melba Galbreath, Margaret Anderson, and Walter Johnson. The Sophomores chose as their leader, Keith Corzatt. Both the boys and girls participated in the activities started the first year with a growing interest. They helped Media to attain a high inter-scholastic standing in athletics and scholarship. Earl and Walter Johnson left school during the second semester, and Pearl Hamburg joined the class.

FLASH! During 1934--35 this class was known as the "Jolly Juniors." Louise Maddock came to Media from Orion and made the total enrollment twenty. Beth was elected president. Once more the Junior boys brought honor to the school by helping to win the Bi-County Tournament. The football and track also found strong support in the class. Both the boys and girls showed their dramatic skill in the one act plays presented by the G.A.A. and F.F.A. the climax of the year was the Junior class play "Crashing Society." On May 13 the class proved to be good hosts for the Seniors at the annual banquet at Hawcocks in Monmouth.

Flash! The members of the Senior class realized last September that they had but one year remaining to reach the goal of graduating from the high school. Darius Rankin and Lawrence Perrine joined the class. Linn was elected president of the class; Darius, vice president; Melba, secretary and Marjorie, treasurer. Keith was elected captain of the football squad. Other members to show their ability in the athletic program included Junior, Donald, and Edward. Many of the Seniors demonstrated their talent in music and speech. The class lost Darius. Two old fashioned barn dances were sponsored by the class to apply on the transportation fund. "Wild Ginger," a three act comedy drama was presented as the Seniors' last production. All of these programs received excellent support by the public. The members of the Senior class are unanimous in expressing their appreciation for the splendid opportunities which Media High has given them. Just one moment friend, last minute news flash. The Seniors will leave on an education trip to Washington, D.C. on Monday, May 31.

"How happy is he born and taught
That serveth not another's will
Whose armor is his honest thought
And simple truth his utmost skill."

--Wotton

CLASS WILL

We, the Senior Class of Media High School, on this twenty-eighth day of May, nineteen hundred and thirty seven A. D., (being sober, sound of body, and reasonably sound of mind), do hereby publish and declare this to be our last will and testament.

We, the Senior Class, do will and bequeath to the Juniors our dramatic ability, to assist them in producing a good Senior play next year.

We, the Senior Class, do will and bequeath to the Freshman our athletic ability, in case they are unable to acquire any of their own.

We, the boys of the Senior Class, do will and bequeath to Mr. Durbin the Farm Mechanics shop, to be used as a poultry judging pavilion until a better one can be provided.

I, Margaret Anderson, do will and bequeath to Winnie Anderson, my pamphlet "Facts Every Farmer's Wife Should Know."

I, Beth Brokaw, do will and bequeath to Eldon Duncan my job as Editor of the Spotlight, providing he will keep politics out of the paper. Beth says politics should be argued only in History Class.

I, Lois Brokaw, do will and bequeath my industrious habits to my brother Jack, who needs them whether he wants them or not.

I, Marjorie Campbell, do will and bequeath to Virginia Shaw my way with the boys, providing she will keep at least two on the string at all times.

I, Keith Corzatt, do will and bequeath to Jr. Blevins my beloved V-8 in the hope that he will treat it better than he has his model A.

I, Maxine Covert, do will and bequeath the laboratory to Margaret Gearhart, which she must use as a beauty shoppe.

I, Junior Gibb, do will and bequeath my seat in the Study Hall by Betty Kilgore to any boy who will be a disinterested party.

I, Pearl Hamburg, do will and bequeath my quiet manners and dimples to Gertrude Wilkerson.

I, Max Galbraith, do will and bequeath my ability as a poultry judge to Harvey Link.

I, Melba Galbreath, do will and bequeath my interest in the Conoco Cafe to Art Montgomery provided his brother will agree to the terms.

I, Batty Hayden, do will and bequeath to Jack Hoffeditz my trusty alarm clock which is guaranteed to help you get to school not more than a half hour late.

I, Earl Isaacson, do will and bequeath my handy booklet "How to Operate a Plymouth" to Virgil Boucher. Earl's tip is to never drive without at least a pint of oil in the crank-case.

I, Louise, Maddock, do will and bequeath to Harold Schenck my ability to work mathematics. Louise says the secret is to cooperate with your neighbor.

I, Darlene Mathers, do will and bequeath my artistic talent to Mike Lee, providing he will not draw pictures in school time.

I, Donald Meacham, do will and bequeath to Wendell Houtchens, the copyright of my new book entitled, "The Winning of the Blonde."

I, Lawrence Farrine, do will and bequeath all my interests in Roseville to Bud Thompson who lives closer than I do and should be able to keep a better check on things.

I, Linn Melvin, do will and bequeath my beautiful curly hair to Earl Beal with the provision that he shall not allow the girls to fingerwave it.

I, Wayne Rankin, do will and bequeath my ability to feed hogs scientifically to Ed Voorhees who likes to excel in this occupation.

I, Ed Schenck, do will and bequeath my lovely pink complexion and the impression that I made on the faculty to Melbourne Krohn on condition that he will not use the complexion to break the hearts of the Media High girls.

I, Ralph Staley, do will and bequeath my valuable time-piece to Kenneth Palmer so that he can always have plenty of "time" to start an argument.

I, John B. Voorhees, do will and bequeath my collection of dime novels to Miss Martin to be added to the library. I will my ability as a guitar player to J. R. Worley, which is not to be used for serenading purposes.

A FEW REASONS WHY SOME PEOPLE ARE GRADUATING

Linn Melvin: Absolutely nothing more to learn.

Marjorie Campbell: To save pennies.

Lois Brokaw: It's so "duddy" to be a sweet girl graduate.

Earl Isaacson: To teach driving lessons.

Max Galbraith: To have more time to sleep.

Junior Gibb: Just to be in style.

Wayne Rankin: To give some college a treat.

Margaret Anderson: To become an efficient business woman.

Donald Meacham: Wherever you go, I go.

Edward Schenck: So he will be appreciated.

Louise Maddock: To start a humane society.

John Voorhees: To save gas.

Keith Corzatt: To give the teachers a rest.

Maxine Covert: Those intelligence tests convinced the teachers!

JUNIOR-SENIOR BANQUET

On the evening of May 18th, the Juniors, Seniors and faculty members gathered at Hawcock's Cafe to enjoy the annual Junior-Senior Banquet given by the Juniors under the supervision of their adviser, Miss Rensch.

The room was colorfully decorated, the Hawaiian theme being used throughout. On the tables were small islands, palm trees, grass shacks and dolls, dressed as native Hawaiians. Each guest wore a colored lei which was given him as he entered the room.

Following the dinner, a program of toasts and music was enjoyed, after which the guests danced until nine o'clock when they went to the theatre.

SOPHOMORE CLASS HISTORY

As school opened at the Media Castle last fall, the pages of last year appeared in their second stage of knight-hood preparation as squires.

They chose the following officers:

President Nedra Thrush
Vice-President Evelyn White
Treasurer Kenneth Corzatt
Athletic Representatives

Wendell Peterson
Gertrude Wilkerson

Advisor Coach Boucher

The squires began their social season by entertaining the entire court early in the school year. At this time the pages were officially initiated. In March the squires and the pages journeyed to Burlington for a roller skating party. On May 14, the squires entertained guests at a picnic supper at Lake Storey, Galesburg, and later enjoyed "Seventh Heaven" at the Orpheum.

Throughout the school year, the squires were represented in jousts and various guilds.

In April, the squire actors entertained the entire court with a one-act play entitled "Sons of the Soil."

The cast was as follows:

Dad Brant Kenneth Corzatt
Ma Brant Nedra Thrush
Jim Brant Wendell Houtchens
Ralph Brant Wendell Peterson
Alice Brant Betty Kilgore
Molly Childs Evelyn White
Milt Putrick Dale Galbreath
Lou Simmons Madeline Haines

Time: During a period of agricultural slump

Scene: Living room in the Brant farm home

The squires feel with two years of experience at the court, that they are capable of entering into the third year of preparation. They will be ready to go into intensive training next fall.

Twenty four pupils entered Media High School last September. Since then, we have lost three members and gained two who entered the class the second semester.

We waited patiently while the Sophomores thought up all sorts of diabolic schemes with which to torture us on initiation night. When Initiation night arrived, however we found that our fears were needless. Outside of the fact that the boys disliked the wearing of skirts, rouge, and lipstick we came through the initiation without harm.

Later in the semester with our adviser, Miss Martin, we planned a skating party to which we invited the Sophomores and faculty. Following the final exams, we had a picnic and skating party at Burlington.

Do not think, readers, that the Freshman Class devoted its entire year to the planning of parties. Many of our members took part in athletics; some were in the Christmas play, and others were in the bi-county music festival chorus and others in the orchestra.

You may also find a number of Freshman names on the Honor Roll. The class is looking forward to 1937-38 when they will be Sophomores of Media High School.

RECIPE FOR A FRESHMAN

Take a small boy or girl, a bulgy bag of books, two pencils, a leaky fountain pen, a wad of gum and an eraser. Mix the girl or boy with the books adding scared look and squeaky shoes. Freeze by calling for a recitation. Shake well and serve at once.

POEM FOR A FRESHMAN

We have tomorrow
Bright before us
Like a flame.

Yesterday, a night-gone thing
A sun-down name.

And dawn today
Broad arch above the road we came.

--Langston Hughes

THE ARROW AND THE SONG

I shot an arrow into the air,
It fell to earth, I knew not where;
For, so swiftly it flew, the sight
Could not follow it in its flight.

I breathed a song into the air,
It fell to earth, I knew not where;
For who has sight so keen and strong,
That it can follow the flight of song?

Long, long afterward, in an oak,
I found the arrow, still unbroke;
And the song, from beginning to end,
I found again in the heart of a friend.

At the carnival, September 25, a minstrel show was given with Mrs. Lawson, Marjorie Campbell, Eva Perrine, Barbara Anderson, Carol Baldwin, Melba Galbreath and Gail Lant taking part.

On October 30, Marjorie Campbell, Linn Melvin, Ruth Beal and Ruth Cook went to Biggsville to furnish music for a Farm Bureau Program. Marjorie and Linn sang "Song of Love" and Ruth Beal gave the musical reading "The Three Trees." They were accompanied by Ruth Cook.

On December 2, a program given by Marjorie Campbell, Dorothy Kern, Lillian Keane, Virginia Shaw, Ruth Beal, Ruth Cook and Eldon Duncan was presented at the Raritan Opera House. Mr. Churchill gave the group five dollars for their performance.

A girl's trio consisting of Gail Lant, Mrs. Lawson and Virginia Shaw participated in the Henderson County Farm Bureau music contest held at Stronghurst on December 6. They sang "On Wings of Song" and "A Winter Lullaby."

On December 22, fifteen girls went on the bus to Raritan, Media and Smithshire to sing Christmas carols. Although the weather was snappy, the girls enjoyed this unusual experience. Later in the evening the group went the home of Virginia Shaw where they were served refreshments.

During the second semester a girl's trio composed of Ruth Cook, Dorothy Kern, and Virginia Shaw sang on several occasions.

Although Media has no regular speech class, much interest is shown in the declamation contests held every spring.

"IT WON'T BE LONG NOW"

It wasn't long after Miss Wright took charge of the Junior Class play that a large audience was witnessing an interesting and entertaining three-act comedy on the high school stage. The cast was particularly well chosen for the roles they played. Mr. Robert Preston, a wealthy young business man, played by Arthur Montgomery was given only twenty-four hours to live. How he distributed his wealth, married a gold digger, gave up all his property only to find that the doctors had made a mistake--all this made for a very clever plot and many amusing situations.

The entire class took an active part in presenting the play; some made posters, some assisted with the stage, others served as property managers or ushers. The cast presenting the play included:

Thomas	Roy Eberhard
William Meek	Junior Blevins
"Beansey" Blake	Earl Beal
Robert Preston	Arthur Montgomery
Miss Wilkes	Eva Perrine
Charles Dobson	Duane Thompson
Dr. Walter Talley	Eddie Voorhees
Ann Winston	Ruth Beal
Vivian Darrell	Geneva Hilten
Olga	Lorene Issacson
Frances	Lillian Keane
Rev. Dr. Loring	Kenneth Palmer
A policeman	Lester Melvin
Frank Cullen	Eldon Duncan
A photographer	Lowell Cortelyou

What the faculty should say--and don't:

Miss Martin: Now don't hurry about getting your work finished, take your time.

Miss Rensch: You may talk as much as you like in the study hall. Just go right ahead.

Mr. Durbin: Let the weeds grow in the garden--they are good for the soil.

Mr. Holstine: Girls, let the boys assist you through the corridor--they need your help.

Mr. Boucher: Now you boys, just sit down and rest whenever you get tired. We have lots of time to train.

Miss Wright: It doesn't matter if you are off key no one will notice it.

What the students should say--and don't:

I have all my problems finished.
That translation wasn't a bit hard.
Here is that work you assigned for next week.
I sure do like English.
I wish school would last all summer.

What they do say:

If I had a book and knew the assignment I might study my lesson.

FOOTBALL

Corzatt--Fullback--Keith was Captain of the '36 squad. He also called signals. His smashing drives into the line will be missed next year because he graduates this spring.

Duncan--Quarterback--and Captain-elect for next year. Alden is a good interference man; a good student and a good sport. He deserves to be captain.

Voorhees--Halfback--Addie is a Junior. He will be on the squad next season and his ability to pass and run promises to help our team in the coming season.

Peterson--Halfback--Wendell is a sophomore. By next year he should develop into a good offensive and defensive player.

Jr. Gibb--Mid--Junior will graduate in the spring. His ability to snag passes will be greatly missed. He is also a good defensive player, always alert to see what is coming next.

Meechan--Tackle--Donald is also a senior. It will be hard to find somebody to fill the place in the line left by him.

Melvin--Guard--Lester is a Junior and will be back with us next year. He is good on both offensive and defensive plays.

Thompson--Center--Duane has a very hard job to do but he seems to be capable of doing it. He will be back with us next year.

Houtchens--Guard--Wendell is one of the two sophomores to make the squad. He has a bright outlook to make good in football.

Schenck--Tackle--Edward is a senior. His place in the line will be hard to fill.

Worley--End--J. R. is one of the two freshmen to earn letters on the 1936 squad and we are proud of him.

5 Bud Gibb--End--Bud was the other freshman to earn a letter. He provided plenty of competition for Worley at his position.

Haines--Guard--Eugene left soon after the beginning of the second semester, but was here all during the football season to take an active and helpful part.

Substitutes for the squad were:

Dale Galbreath. . .	Sophomore
Glen Blythe	Freshman
Eldon Harden. . . .	Freshman
Maurice Lee.	Freshman

Banquet

The Girls' Athletic Association opened its year's activities with a delightful banquet in honor of the new girls entering the organization. The banquet was held in the high school gymnasium, September 17.

The dinner was prepared by several of the mothers: Mrs. Earl Brokaw, Mrs. Wilbur Anderson, Mrs. Eldon White and Mrs. Clarence Kern.

The tables were decorated with fall flowers, candles, candy favors, place cards in the shape of ball gloves, and program booklets in the shape of tennis rackets.

A program of toasts, with Miss Mildred Martin as toast-mistress, was given by members of the G. A. A. Miss Rensch, the G. A. A. advisor, presented letters to the following girls: Betty Hayden '37; Dorothy Galbreath '38; Jessie Butler '36; and Mary Dobbs '36. Red and white felt class numerals were given to Lois Brokaw '37; Melba Galbreath '37; Anna Mae Rankin '38; and Madaline Lee '36. All of these girls received a letter or a numeral because of their conscientiousness in keeping the G. A. A. health rules and their participation in various outdoor sports and activities

Play Day

The second major event of the season was the G. A. A. Play Day held at Media, Saturday, October 17. Eighty girls from Monmouth, Roseville, Alexis, Biggsville, Stronghurst and Media High Schools were present to take part in a program of varied activities. After the noon lunch hour, the group met in a convocation in the gymnasium where a program of stunts and G. A. A. songs was enjoyed. The play day program was worked out with the Olympics as the theme. Each school represented a nation.

Assembly Program

In March the G. A. A. gave a school assembly with various members taking part in a radio broadcast entitled "Unconscious Ether." At this time the organization presented to the school a new rug for the stage, and a set of wicker furniture. The girls were glad to make this gift with the money which they had earned by selling candy at the games.

"M" CLUB

To become a member of the "M" Club a boy must earn a letter in one of the three major sports--football, basketball, or track. The purpose of the club is to keep alive a sense of good sportsmanship and to provide opportunities for the boys to meet together socially as well as on the athletic field.

The club has had a busy season this year. Soon after school opened the "M" Club and G. A. A. sponsored a carnival Stage show, side shows, freaks and other events provided ample entertainment for the large crowd which gathered. The carnival was a big success, and the money was spent in purchasing two badminton sets, a new volley ball net with standards, indoor horseshoe sets and other equipment for use in the gymnasium.

The initiation program for the new members was held in the gymnasium in December. Two of these boys were managers of 1936.

On Wednesday before Christmas the "M" Club held a dinner and theatre party for the members and their fair ladies. The group dined at Hawcock's Cafe in Monmouth and later attended the theatre to see "Ambassador Bill." Favors were presented to all the girls present.

The climax of the season was the "M" Club's second annual dance held in the high school gymnasium. The members and Coach Boucher converted the gymnasium into a veritable undersea palace in which even Neptune might have felt at home. The ceiling was covered with a net of sea-green crepe paper from which hung bits of colored seaweeds and myriad colored fish of all shapes and sizes, which were illuminated by a huge flood light. Clever dance programs and head bands carrying out the same motif were given to the guests. An eight-piece orchestra occupied the stage which was beautifully decorated with seaweed and colored lights.

NATIONAL ATHLETIC SCHOLARSHIP SOCIETY

In 1936 Media High School became a chapter in the National Athletic Scholarship Society for Secondary Schools. This organization puts an emphasis on a balanced athletic and scholarship record, and is as the name designates, honorary in character.

Eligibility to membership in this organization is limited to those tenth, eleventh, and twelfth grade boys earning an athletic letter in one of the four major sports and whose average in their school work for three consecutive semesters is equal to, or higher than the general average of the school, and who have exemplified the highest type of citizenship and sportsmanship.

The charter members of the Media Chapter were: Keith Corzatt, Harold Milten, Wayne Dixon, Robert Leaver, Fred Gibb, Jr., Edward Voorhees and Edwin Galbreath.

Selection of boys for this organization is made after a careful consideration of their athletic and scholastic record by the coach and principal. The newly appointed member this year is Eldon Duncan.

"THERE IS STRENGTH IN THE SOIL"

"There is strength in the soil:
In the earth there is laughter and youth
There is solace and hope in the upturned
loam.
And lo, I shall plant my soul in
it here like a seed:
And forth it shall come to me as a song."

F. F. A. SCRAP BOOK

Anyone who reads the F. F. A. Scrap Book for 1936-1937 will soon admit that Mr. Durbin and the Future Farmers of Media have had a busy school year. In their scrap book we find such entries as these:

Mr. Durbin is in charge of the Agriculture Products at the Henderson County Fair.

Linn Melvin, Junior Gibb, and Wayne Rankin accompany Mr. Durbin to the sectional F. F. A. picnic at Lincoln Park, Galesburg.

Media Vocational Agriculture boys won premiums at Warren County Fair. The total earnings of the boys are \$200. A list of the prizes appears on another page of the annual. Two boys sold animals at the Fair.

The following boys have exhibits at the Section III Corn and Poultry Show held at Wyoming, Illinois, Nov. 18-20: Junior Blevins, Linn Melvin, Lester Melvin, Keith Corzatt, Junior Gibb, Edward Schenck, Lowell Cortelyou, and Donald Meacham.

Keith Corzatt, Kenneth Corzatt, and Donald Meacham took calves to the Producers Baby Beef Show at East St. Louis last week. Keith's calf, grand champion of the Henderson County Fair sold at \$13.50.

A lively initiation was given the new members of the F. F. A. on Monday Evening. The boys who were initiated include Wendell Houtchens, Dale Galbreath, Kenneth Corzatt, Harvey Link, and Leroy Wallace.

Mr. Durbin, accompanied by John Voorhees, Harvey Link, Wendell Peterson, Eldon Duncan and Lester Melvin journeyed to Chicago last Friday to see the International Stock Show. They spent Friday afternoon and evening touring the Loop and attending the theatre. Saturday morning the group went down to the stock yard where they looked over the exhibits of carloads of fat cattle, hogs and lambs. The rest of the day was spent in the amphitheatre, inspecting the exhibits of

4-H calves, sheep and barrows. Mr. Durbin and the boys reported home Saturday evening. They reported that the trip was very interesting as well as educational. Wendell Peterson learned the art of mounting Chicago street cars while Harvey Link became acquainted with the horrors of riding in Chicago traffic.

The Media Chapter of the F.F.A. was the host to the triangular judging contest between Stronghurst, Biggsville, and Media on Thursday afternoon, April 8. The boys judged grains, weeds, and poultry.

The F.F.A. Chapter of Media High School was represented at the Sectional Judging contest held at Williamsfield May 6.

The poultry team composed of Max Galbraith, Dale Galbreath and Junior Blevins placed second in the contest. Max Galbraith placed third in individual judging.

The corn team John Voorhees, Wayne Rankin and Kenneth Corzatt placed eleventh as a team. The dairy team: Edward Schenck, Junior Gibb, Linn Melvin, Lowell Cortelyou and Duane Thompson also placed eleventh.

The above teams will represent Media in the State contest at Urbana June 17 and 18.

The F. F. A. Soft Ball Team played very well but was eliminated in quarter finals.

THE PATH

"There are no beaten paths to Glory's height,
There are no rules to compass greatness known;
Each for himself must cleave a path alone,
And press his own forward in the fight.
Smooth is the way to ease and calm delight,
And soft the road Sloth chooseth for her own;
But he who craves the flower of life full blown,
Must struggle up in all his armor dight!
What though the burden bear him sorely down
And crush to dust the mountain of his pride,
Oh, then, with strong heart let him still abide;
For rugged is the roadway to renown.
Nor maybe hope to gain the envied crown,
Till he hath thrust the looming rocks aside."

This is the group which had the task of keeping the public informed of the activities of Media High during the school year. Their articles came out every Thursday in the "Raritan Reporter" in the column known as "The Spotlight". The person who did the greatest share of work was Beth Brokaw, a Senior. Linn Melvin also was a very diligent reporter. Beth was awarded a medal at commencement time for her work on the staff.

Letters to the Weaver Editor

(Put before the public; due to insufficient space in the waste basket;)

Dear Editor:

I am a Senior. I wish people to know how great I am. Could you not make some striking mention of it in the Annual?

Modestly yours,

Dear Editor:

I am an exceptionally pretty girl. Please see that my pictures are given plenty of space in the Annual.

Bashfully,

M. C.

THE STUDENT COUNCIL

In order that there may be more effective cooperation between the members of the faculty and the student body, an organization termed the Student Council was organized under the leadership of Mr. Holstine. It began its duties during the school year of 1935-1936. The members that constitute this body are chosen by their respective classes and serve for one year. At the beginning of this year the following members were elected:

Senior class	Linn Melvin
Junior class	Winifred Anderson
Sophomore class	Nedra Thrush
Freshman class	Mary Jane Torrance
Girl's Glee Club	Ruth Cook
Football	Keith Corzatt
"M" Club	Junior Gibb
Library	Kenneth Palmer
"Ag." Club	Wayne Rankin
Pep Club	Marjorie Campbell
"Spotlight"	Beth Brokaw
G. A. A.	Lois Brokaw

Officers

President	Beth Brokaw
Vice-President	Keith Corzatt
Secretary	Nedra Thrush
Treasurer	Winifred Anderson

The meetings were held whenever any business arose that the president or advisor deemed worthy of a called session. The students bring the questions and difficulties that have confronted their various classes and these are discussed and the most feasible solution determined. In turn, Mr. Holstine presents the problems that the faculty wishes to lay before the student body.

Some of the topics discussed during the year have been the social activities of the school, disciplinary problems, and good citizenship. The Council sponsored a Skilled Drivers Test put out by the National Safety Council. Every student in school took the test to determine his own ability as a safe driver.

"O Reader! had you in your mind
Such stores as silent thought can bring
O gentle Reader! you would find
A tale in everything."

THE LIBRARY

Everyone who visits Media High School Library comments on the cheery little room and the number of books available for student use. Each year improvements are made and many new volumes are added to our collection. A new filing cabinet was added to the library furniture this year. It is used for filing pamphlets, charts, government bulletins and catalogs which are used for reference material. Our greatest pride is the new twenty-four volume set of the Encyclopedia Britannica which any high school would be proud to have on its library shelves. Magazines dealing with many subjects: fiction, science, current events, music, art, gardening, and health are found on the magazine shelf. The students also have another group of books available at the Public Library in the grade school.

HONOR STUDENTS

In the Honor Student picture are those who have been on the Honor Roll every grading period of the first and second semesters. We find that many of these same students are very active in other phases of school activity as well as high in scholarship rank.

We list below a large group of students who did not reach the Honor Roll every time but who deserve praise for high scholastic standing.

COMMERCIAL NOTES

The commercial department has been very active in the life of the school this year. All printed work done by them was under the supervision of Miss Martin. The students in the department have taken care of the secretarial work for the office, the typing of tests for the faculty, the typing and dittoing of the annual and all the work involving any printed matter.

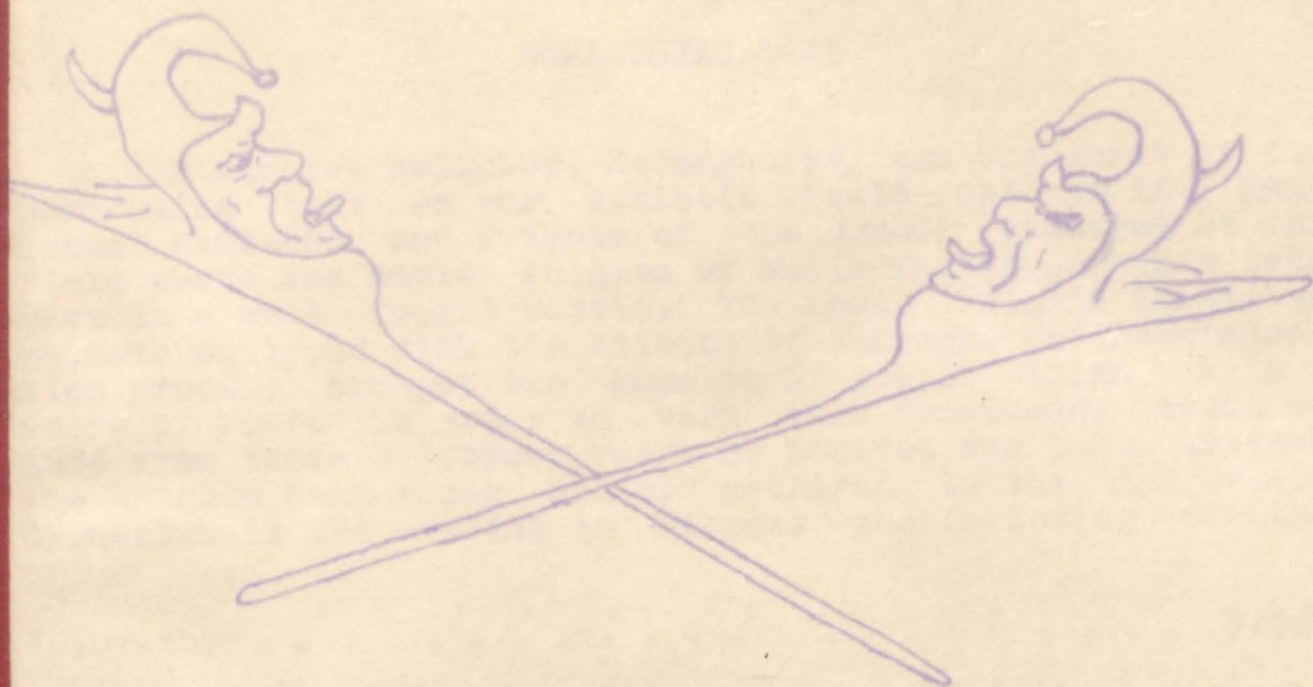

The first year typing students showed remarkable ability in the contests which they entered at Stronghurst, Carthage and Macomb. Miss Martin entered the Media team-- Dorothy Kern, Lillian Keane, Ruth Cook, and Eva Perrine-- in the quadrangular contest against Kirkwood, Biggsville and Stronghurst on March 12. The team won the honors placing first in speed in the first year typing group and second in accuracy. Dorothy Kern had the highest individual score of all the contestants. Margaret Anderson entered the Book keeping contest.

The same team entered the district commercial contest held at Carthage on Saturday, April 24, with 13 schools represented. Media placed first in first year typing, and Dorothy Kern placed second in individual rating.

On May 8, Miss Martin took the girls to the sectional contest held at Macomb, where the team placed third. Dorothy was awarded a medal for placing second in the individual rating.

This year the class tried an interesting experiment in speed tests. On every Thursday our class took a 15 minute test and on the same day Stronghurst High School Typing class took the same test. A letter test was taken in the same manner on Tuesday. Much interest and enthusiasm was aroused in trying to beat our opponent. The classes were rated according to: class average, team average, highest and the highest scoring individual.

JESTERS

HOMECOMING 1936

Our closest neighbor, Stronghurst, was our guest at the Homecoming tilt on our athletic field October 16. Many former students and friends of the school gathered at the field where the noble knights of Media and Stronghurst took part in a well fought battle. The Media knights in silver helmets equipped with the shields of Courage, and Determination proudly brought the game to a proper finish with a score of 36-6. In order to vary this Homecoming event of 1936 from those of former years no banquet was held. Instead the knights both young and old gathered in the High School Gymnasium in the evening to witness the following events:

"Sympathy" Frial

"Allah's Holiday" High School Violin quartet

Welcome Beth Brokaw

CARNIVAL

On the evening of Friday, September 25, the gymnasium was the scene of a gay carnival sponsored by the members of the "M" Club and G.A.A. The Carnival was attended by several hundred people and approximately one hundred dollars was cleared.

The carnival program included a one-act play "Toast and Tea", a minstrel show by the music department, an Athletic Area staged by the boys and girls' physical education classes, and Major Bogo's Amateur Hour in which many student amateurs took part. Much fun was afforded by the cake walk. The climax of the evening came with the crowning of the school King and Queen--Junior Gibb of the senior class and Evelyn White of the Sophomore Class. Each class had two candidates for this honor at the carnival and the votes were cast by those who attended.

The proceeds of the carnival were used to buy noon hour equipment: indoor horseshoe, checkers, badminton and ping-pong.
