We will and bequeath to the class of ' 44 our position as seniors.

We will and bequeath to the faculty our abil-
ity to copy without their knowledge, and to the janitor the numerous scraps of paper, pencils, chewed gum and carved desk tops.

In testimony whereof we hereby set our hand and seal this third day of April, in the year of our Lord one thousand nine hundred and fortythree.

Witnesses,

On the first day of September, in the year of Our Lord, Nineteen Hundred and thirty-nine, twenty one timid looking faces were seen peering around corners and peeping in the doors of the Media Community High School. These were those who are usually called the "Green Freshmen."

This embarassment and strangeness seemed to stay with us until the annual freshmen initiation. At that time the sophomores saw to it that all of this wavering was taken out of us. We came out feeling full-fledged freshmen ready to take a part in the activities of the school.

The attention of most of the boys soon turned to the football gridiron for many hours of pract:ice. The boys taking part in the freshmen year were: Robert Mowen, Raymond Corzatt, Robert Roark Bill Beresford, Hollis Thrush, Charles Werner, and Elmer Harden. The latter earned an athletic letter on the varsity squad during this season.

As soon as the football season was over our attention was turned toward the basketball floor. The same group of freshmen boys reported for bas-
 ketball as were out for football with the addition of Charles Link. Although the boys worked hard, we were not represented on the varsity squad. The following boys represented the class in track: James Heap, Charles Link, Robert Mower, Robert Roark, Raymond Corzatt, Bill Beresford, and Elmer Harden.

Since the girls were unable to take a direct part in the athletic activities they gave the boys moral support and encouragement by being on the side lines cheering us on.

In the annual interclass speech and music contest conducted by the school, the freshmen were well represented. Wanda Wallace, Doris Krohn, Donna Muser, Marie Bricker and Elmer Harden took part in speech while, Helen Davis, Wanda Heap, Raymond Corzatt, and Elmer Harden exercised their vocal cords. The class placed second in the contest, just four points behind the seniors, who were the winners. From the group, Raymond Corzatt and Elmer Harden represented Media in the bicounty chorus festival.

The class officers for the freshmen year were: President, Robert Roark; Vice-president, Alice Wilson; Secretary, Charles Link; Treasurer, Hollis Thrush; with Hiss Helen Larson as class advisor.

As sophomores we started the year with twenty members. Our first class activity was the freshmen injtiation, at which as sophomores, we administered the oaths and creed to the freshmen with much pleasure to ourselves.

Again the class was well represented in football, basketball, track, music and in all other school activities.

The class had several parties, sponsored an Abraham Lincoin program, and lost, by one point only, the inter-class music and speech contest.

The class officers this year were: Elmer Harden, President; Wanda Heap, Vice-president; Richard Henry, Secretary; and Charles Link, Treasurer. Miss Johrıson acted as our class advisor.

As "Jolly Juniors" the class began to come into its own and began carrying some of the major responsibilities of the student body. This year the boys were able to show the varsity squads that they very much needed our help. We were able to place four men on the football squad, and one each on the basketball and track squads.

We were again able to make our selves heard in the inter-class music and speech contest but were not able to make ourselves heard loud enough, for we again lost by one point.

Although the class had several parties, and presented a class play, the big event of the year was perhaps the junior-senior banquet which was held at Hotel Lamoine.

The class officers for this year were as follows: President, Wanda Wallace; Vice-president, Marie Ericker; Treasurer, Dimer Harden; and Seeretary Donna Miser. Miss Johnson and Miss Marche wicz were our class advisors.

By some misfortune the Seniors of ' 43 entered the old school building with only seventeen members. This year the class worked very hard and have had several tasks to perform.

Since there was no football this year, the boys have made up for it in basketball, and placed three members on the varsity squad. The boys who made this squad were Robert yowen, Bill Beresford, and Elmer Harden. The latter was captain of the team. The class had representatives on the track team.

During the first semester ore of our members, Edward Bohnenkamp, left the class to join the navy and, so far, is the only member of our class serbing our Country in the armed forces.

The class officers this year are, President, Donna Muser; Vice president, Wanda Wallace; Secretary, Nary Bigger; Treasurer, Raymond Corzatt. Mr. Test has served as our class advisor.

With our class play nearly over we are looking forward to the junior senior banquet, and our commencement which will be held on Friday, evenine May 21.

One morning before hurrying off to work, I turned on the radio for the news. The following greeted my ears: "It's 7:00 s.m., time for your morning news commentator".
"Good morning, Ladies and Gentlemen, here is the latest news."

WASHINGTON, D. C.

Miss Pearsor

As the season opened under the Big Top at Media in the fall, the clowns found that we had lost one member, namely Ed Foresman. As the year progressed, Tom Arrnold and James Casteel dropped from our ranks.

Our eirst act of the fall performance was to elect officers and an advisor as follows:

$$
\begin{array}{lr}
\text { President } & \text { James Palmer } \\
\text { Vice-President } & \text { Ruth Campbell } \\
\text { Secretary } & \text { RozelLa Heap } \\
\text { Treasurer } & \text { Betty Pcgue } \\
\text { Advisor } & \text { Pauline Pearson }
\end{array}
$$

Besides our regular daily performances, we did a one day stand in the form of a skating supper at Monmouth in October-the seniors and faculty as guests. After abandoning several well-picked poultry carcasses and empty ice cream containers earlier in the evening at the Park, we journeyed to the rink and concluded a most enjoyable evening.

During November several of the clowns were engaged in preparing for the annual F. F. A. Banquet and all helped to stage the all-school carnival.

Ben Heap, Tom Arnold, Norman Furnace and Ervin Bunch were the clown representatives in the field of sports. All were essential players on the basketball squad with Ben earning a varsity letter.

After Christmas the clowns again put on a special performance in the form of the Junior Class play, "The kad Hatters," to raise funds for the Junior-Senior Banquet.

This cause was also helped along during the K. M. B. S. tournament when the clowns took over the refreshment tent and did zuite well with the enterprize.

Due to restricted transportation several of the social affairs usually indulged in had to be discontinued.

The clowns, last performance before starting on the summer circuit was the Junior-Senior Banquet, which was held at Burlington on May eighth.

During the year we enjoyed four parties--the initiation party, a weiner roast given to us by the Freshmen and a class party with other students in school as guests.

The sophomores were well represented in music and athletic activities. From the class Mary Ross, Ada Slusher, Larvel Boyd, Eileen Brouse, Doris Burkett and Eva arie Harden were in the group that sang at most of the school activities. William Spears wasthe only boy to sing in boys' chorus. Howard Erickson and Emmett Sullivan were members of the varsity basketball team.

## FRESHMAN REVIEW

The class entered Wedia High School with thirty members.

We chose as our faculty advisor, Miss MacheWicz, our English teacher, and as officers--Ray Wusser, president; vice-president; Bob Overstreet, treasurer; Adalee Harden, secretary.

Our first social gathering of the year was a party given us by the sophomores. The boys wore bedroom slippers, housecoats and large hair ribbons, while the girls wore short skirts, long stockings, and their hair in curlers. We were made to do various stunts, but we enjoyed it all.

We had three other parties this year; one in return to the sophomores, one at the Rainbow Roller Rink in Nonmouth; and we were our own hosts at a party given in March.

For our class king and queen, we chose Adalee Harden and Pat Keane.

Vany of our class were active participants in varions activities connected with the schcol.
 Most of the girls took chorus, and nearly all the boys went out for basketball. Two of our classmen played on the varsity team as substitutes; and the iightweight team that played ir the K. M. B. S. Tournament was $0.1 m o s t$ entirely composed of freshmen.

Our class was well represented on the honor roll, with one classman making the highest grades in school.

We spent a very happy year at Media, and we hope the school enjoyed us as much as we did it.

## BASKETBALL

The Bulldogs completed this season with a fair margin of winning nine games and losing eight.

Although the team did lose eight games, only three other teams proved powerful enough to overcome these fighting Bulldogs. The high spot of the season came when the squad defeated the Roseville quintet in a very close contest. Another thrilling game was played with Kirkwood, even thoush it ended with a first defeat for the Bulldogs. The opposing team won the game in a last few seconds when they rallied a basket from the Bulldogs. Although the Stronghurst squad cracked the boys for three of their defeats, the Bulldogs certainly gave the fans some thrills while they were engaging in these contests.

Media placed third in the K. M. B. S. Tournament and fourth in the District.

In Bi-County, the following boys participated:
Varsity: Harden, Howen, Beresford, B. Heap, Sullivan, and Erickson

Heavyweight: Corzatt, Bunch, Eberhard, White, and Kane

Lightweight: K. Link, user, Johnson, Gibson, and Covert

Representing the District were the following: Harden, Mowen, B. Heap, Beresford, Erickson, Bulliven, White, C. Link, Bunch.

Team Record

| Team Scoring Goals | Made | Missed | Fouls | Points |  |

| Home Team | 214 | 86 | 102 | 190 | 514 |
| Opponets | 194 | 92 | 120 | 165 | 480 |

The following varsity boys engaged in all 17 games. Elmer Harden, Ben Heap, Howard Erickson and Emmett Sullivan.

## INDIVIDUALS

Captain Elmer Harden
"Elmo" was the captain of the team this year. He was the only letter man to return to the team although he wasn't a high scorer, he was always ready for defense, and he will be missed next year by the squad. "Nice goin', 'Elmo'."

## Captain-Elect Ben Heap

"Benny" was one of the fastest men on the team this year, and also one of the best ball handlers. We hope he gives his best next year and leads the boys through to many thrilling victorlies. "Let's go, Benny."

Robert Mower
"Pete", a Senior, was always a serious threat under the basket, and he always got his share of the points. His height will be missed next year. "That's the way, 'Pete'."

William Beresford
"Bill", another Senior, always gave plenty of support to the squad. Often when the opposing team would not let the ball under the basket, "Bill" would drop 'om in from the center of the floor. "Hooray for 'Bill'."

## Emmett Sullivan

"Sul", a Sophomore and a newcomer to the squad this year, displayed fine aqility in reborn ding and working the ball in to the basket. He should be a great help to the team next year. "Get. that ball, 'SuI'."

Howard Erickson
"Red", the firry tempered boy from Media, always helped with his expressions. He always liked to make the first basket in a game, and then keep it up. He has natural ability and should be an asset to the team next year. "Come on, Red."

## GIRLS SPORTS

The girls have had a variety of sports and activities for their Physical Education program this year. They opened the season with baseball in which the different class teams participated. As the girls plan to play baseball again in the spring, the tournament will be played then.

The next sport was volley ball. The girls played in tournaments to determine the champion team. The varsity team was as follows: Wanda Wallace, Nina Sullivan, Frances Roche, Grace Torrance, Betty Pogue, Ruth Campbell, Willa Dean Vestai, Arline Lindgren, Helen Clelland, Jennie Torrance, Adalee Harden, and Juanita Furance.

The girls started the winter season with basketball. The class basketball captains were: Senior, Wanda Wallace; Junior, Mary Ellen Voorhees; Sophomore, Rachel Gibson and Arline Lindgren; Freshman, Norma Bunch and Marilyn Corzatt; (Because of the large number of girls in the two latter classes, two teams represented each class.) There were two tournaments--class and color. The Juniors were victorious in the color tournament, and the Sophomore class cluimed the victory of the class tournament. The varsity team and substitutes were: Varsity: Forwards--Betty Pogue, Wanda Wallace, Wanda Heap; Guards-Mary Bigger, Marvel Boyd, Martha Neff; Substitutes: Ruth Campbell Rachel Gibson, Juanita Eurnace, Wilsie Tully, Mary Ellen Voorhees, Arline Lindgren.

A marching unit composed of sixteen girls from the gym classes took part in the crowning of the carnival King and Queen.

Dancing and gymnastics have also been a purt in the gymnasium program this year.

## TRACK

In the dual meet between Media and Roseville, Roseville scored 103 points and Media 34. Places won in this meet were as follows: Harden-shot 1 , discus 2, 120 H. H. 4; Mowen-shot 2, high jump 3, discus 1, bread jump 3, 200 I. H. 3, 100 3, 120 H. H. 5, Beresford-high jump 4, broad jump 4; Erickson-200 4, 440 4; Musser-mile 4; Sullivan120 H. H. 4

At the opening of the school year, an initiation for the new members and a weiner roast was held at the school farm, September 30.

Since the G. A. A. funds had increased, we took money out and bought new records for the noon hour dancing, and washrags for the girls' use in physical education classes.

In December, the group held a Christmas party. Games and dancing were in the gymnasium, later followed by exchanging gifts, and last the serving of refreshments at the Home Ec. Center.

Saturday, May 1, climaxed the activities of the year. The G. A. A. members, with lady faculty members, enjoyed a delicious luncheon at Hawcocks Cafe. The decorations were colorful Maypole and May baskets.

The . H. S. Home Heonomics Club has devised this way of raising money for the Home Economic funk. Every four months a party is given honoring the members who have had birthdays within those months. They are required to pay dues of one penny for each year that they are old. In this way we pay au r club dues and also provide entertainment.

We maintained a refreshment booth and helped in other ways to sponsor our annual carnival. This jear our share of the proceeds was about twenty-tive dollars.

Beside r our birthday parties this year, we have enjoyed many other activities. One was our
 combination weiner roast and initiation ceremony held near the creek on the school farm. After the new members had repeated the club oath, they were accepted as members as they lighted their candles from the candle of the Spirit of Home Ficonomics. The other members with lighted candles joined the semi-circle long the bank of the creek and closed the initiation with the club song.

As a means of combining business with pleasure the Home Economics girls gave a combination style show and tea for their mothers and guests on Decomber 17 . This gave them a chance to exhibit their sewing ability and good manners at the same time.

And following the rule "Do unto others as you would have done unto you," they cheerfully assisted the F. F. A. boys in the serving of their annual banquet.
