## 1984

The Southern High Rebels are coming your way now.  
We're aiming for victory and we're gonna say  
That we will—go—fight—and win this game tonight  
Southern High Rebels you're doing all right!

We're shouting—

Southern High Rebels are going to fight now.  
Oh, we're gonna make it, 'cause we're in the right.  
So we will—get tough—show everyone our stuff  
And win for our Southern High.

And when you see that red, blue, and grey,  
Stand up and shout. Hey! Hey!  
For we are proud that we are  
The Southern High Rebels (The Southern High Rebels)  
The Southern Rebels are great!  
Let's show them how they rate!  
So give a big cheer for the Southern Rebels  
Fight, boys, for the red, blue, and grey.

## "Allies"

In troubled times,  
It's hard to get straight answers.  
Between the lines,  
That border wrong or right.  
The homeland cries,  
It struggles with confusion.  
For this beat still remains,  
A shelter from the rain.  
We live on faith,  
In the hands of those who guide us.  
And tear the page,  
All the fear we left behind.  
We set the pace,  
For every bonds of valor.  
Don't turn the other way,  
When I need to hear you say,  
Allies . . .  
With our backs against the wall  
I will answer when you call,  
And take on the odds,

For what we believe is true.  
Allies . . .  
In a world of too much choice,  
I only need your voice  
Tell me you care,  
I'll be anywhere for you, Allies.  
We search our hearts,  
To justify the reason.  
To draw the lines,  
And meet somewhere halfway.  
Faith is blind,  
Through darkness it will guide us.  
Cause the spirit still remains,  
We're the keepers of the flame,  
. . . Allies  
In a world of too much choice,  
I only need your voice  
Tell me you care,  
I'll be anywhere for you, Allies.

Prom's so much fun!

I can tell your fortune by listening to this balloon.

Is that man really going to sit beside me?

Is this really Spam!!

Our only dance and we got it on film

I've only got one other speed, and it's slower

It's hard to be humble when you're as good as I am

Love is such a wonderful idea—I wonder who first thought of it.

We finally got to dance on the Lawrence Welk Show

I don't care if everyone else is dancing

Nag! Nag! Nag!

You look a little stiff Mr. Bond

Slow dancing is really close.

Cinderella on Prom Night

These shoes were made for dancin

I like dreamin'

# GRADUATION

# SR. CLASS OF 1984 PROPHECY

The year is 2004. We'd like to welcome everyone to Swampy State Park for the 20th year reunion of the Southern High School Class of 1984.

We'd like to thank **Ranger Todd Duncan** for the use of fine facilities at Swampy State Park. Since our high school years, Swampy has become a thriving resort offering swimming, camping, golfing, and various wargames. **Todd** is also a part-time campaign manager for the "Sack Stamp for President" committee.

While at Swampy, make sure you all see the petting zoo, where **Steve Jack** proudly displays his wide variety of animals, as he did 20 years ago.

If you're wondering what that groovy sound is, it's our entertainment for the night—"Skij and the Scagmites". The band consists of former classmates **Brian Notestien**, **Mike Whitaker**, **Ted Cravens**, and **Tim Boyd**. They've recently hit the charts with their number one smash, "I'm in the Mood for a Bowl of Cocoa Puffs".

An added extra to our entertainment is none other than **Boogyin' Brian Gibb** and **Jigglin' Jay Lebeck**. They somehow squeezed in a show from their busy U.S. Tour. Their sideshow is **Miss Paula Hanna**, who is now a Solid Gold dancer.

The meal for this evening is graciously provided by **Melinda Harden Whiteman**. She flew in from Washington, D.C., after being appointed to the Board of Pork and is promoting tonight's meal, "Candied Cranberry Pork Balls".

Look at what's coming up the road! It's a black limousine! Could it be? Yes, it's **Paul Anderson**, alias "Opie". He currently stars in "The New Andy Griffith Show".

We've received word that **Michele Bigger Ricketts** is unable to attend. She is shooting "Land of the Lost, Part II", where she portrays the character "Chacosquat".

Now entering is **Professor Maleia Andrews**, the famous scientist. She discovered the cure for malaria while exploring in South Africa.

Here come a couple of famous sports stars: it's **Brent Burg** and **Robbie Wood**. **Brent** went straight from high school to the NBA, where he is a member of the Philadelphia 76'ers. **Robbie** is now a professional baseball player with the Robbie Reds of Cincinnati.

Also, **Mary Schmitz** has taken up the profession of pro boxing. She now holds the record for KO's with the fewest blows.

Oh no! We've just received word that **Doug Brooks** could not be with us tonight. He was detained by the local county mounty on suspicion of hubcap stealing and bootlegging.

Now walking in the banquet room is the world renowned **Lori Lefler**. After high school, **Lori** moved to Palm Beach, where she wrote her Pulitzer Prize winning novel, "101 Ways to Organize a Library".

Hark! Is that Harleys we hear? Oh my gosh, it's **Kevin and Donna Avery Vaughn** followed by **B. J. and Renee Wisslead Bayne**. They have started their own line of Harley fashions, makeup, and hair styles. **Renee** is also a part-time plumber for Roto-Rooter Services.

Oh, check it out! Here comes **Ellen "Hot Legs" Peterson** in her

ZZ Top Eliminator. **Ellen** is now the owner of her own Las Vegas Casino, featuring sharp-dressed men serving TV dinners.

Now entering the room is **Donnie McIntyre**, who is now owner and operator of a nation-wide chain of Big Mac Food Stores.

**Ken Harkness** is also in the business world these days, along with **Jim Cole** and **John and Karen Lafary**. **Ken** currently owns the new Shokokon Shopping Center, which includes **Ken's Gym**. **Jim Cole** is now a used car salesman in Media, Illinois, so he is given the opportunity to drive a different car everyday. **John and Karen Lafary** are now residing in Smithshire, Illinois. They are the proud owners of Twomey's Seed and SPED.

For you swingin' singles, **Simone Ford** will be more than happy to supply you with a date. She has her own computer dating service. Now **Simone** has a date every Friday night and doesn't have to show up for work if she doesn't want to.

Now arriving is **Dr. Jeff Wallace**. We've been told that **Jeff** is currently dating a dentist at the North Pole and owner of National Lampoon's "Wally World".

And here comes **Erin Dowell**, who is the President of The Bank of Stronghurst. She is also co-owner of the Palmer Chiropractic Center and Auto-Body Center with **Missy Harlacher Palmer**.

**Erin's** arch-rival, **Sandra**, alias "EB" Olsen, couldn't be with us tonight. She went on to be promoted as President of the Raritan State Bank, and was soon indicted for embezzlement and is currently serving a ten year sentence.

**Father Bryan Arnold** peacefully resides north of Raritan. **Father Bryan** recently took over the job as priest for the St. Patrick Church. He also enjoys pig farming as his favorite past-time.

**Reverend Mike McLain** has been asked to give the invocation tonight. He currently teaches college-level theology at Boo U. in Decorah, Illinois.

**Carl Huss** has been gifted with a successful business: nationally known "Clay's 66". He also moonlights as Shell's question and answer man.

Most of the hair styles worn by the alumni this evening were created by **Tammy Wensel** and **Rita Phillips**, who now own their own beauty shop in the heart of Crapo Park.

Across the street is **Doris McGriff's** "Super Spa", specializing in tans and rubdowns.

Well, here she is—our Swedish alien, **Malin Aman**. She owns a muskmelon farm in Sweden, and hosts exchange students.

What a coincidence! **Amy Johnson** just arrived. After graduation, **Amy** has returned to Southern to coach volleyball and sponsor the Pom Pon Squad.

Here comes our President, **Dolan Klein**. Better late than never, right? **Dolan** has now taken over as French teacher and Drama Club sponsor at dear old S.H.S.

Wait! The telephone's ringing! Who is it? Why, it's **Scot Thompson** and **Jackie Myers**. They've informed us that they are attending the Indy 500. **Scot** said they might show up, if they could outrun the cops.

This puts an end to tonight's reunion. It's hard to believe that things never change, even after 20 years.

# SR. CLASS OF 1984 WILLS

We, the Senior Class of 1984, being of sound mind and memory, do hereby make and declare this, our last will and testament in manner following, that is to say:

I, Paul Anderson, being of sound mind and body, will my ability to graduate from SHS without being a JOCK to all incoming freshmen.

I, Bryan Arnold, being of sound mind and excellent looking body, will my locking gym bag to a certain freshman, so he can lock up his illegal goods.

I, Donna Avery, being of wild mind and old body, do hereby will 100 baby food jars to two certain seniors so that they can bottle up their bad breath and sell it to Spencers as gag gifts.

I, Shelly Bigger, being of sound mind and short body, will my talkative ways to Stacie Sly. To Julie Brown, I leave my height; maybe together we can make a whole person.

I, Tim Boyd, of easy going mind and body, will all of my CLASH tapes to Mr. Nichols, so he will no longer have to listen to Willie Nelson.

I, Doug Brooks, of scrambled mind and poached body, will my ability to keep scratches off my Camaro's fender to Chris Duncan and Todd Nichols, because Jackie wasn't so lucky.

I, Brent Burg, being of sound mind and body, will my tent to a certain sophomore so that she will have a new dress to wear to the prom next year.

I, Erin Dowell, being of confused mind and body, will my ability to shake my head when I realize I'm staring to a freshman girl; my ability to a certain senior to realize who her friends are; and last and not least, I leave my ability to chew gum in Child Care and not get caught to Pam Beard, in hopes next time she won't.

I, Todd Duncan, being of warped mind and trashed body, will the Perkin's flag to Granger Flynn, so he can make a new wardrobe.

I, Brian Gibb, being of sound mind and miniature frame, do not will anything, but instead make a request for a few extra pounds from any students or faculty members that have any extra to give.

I, Paula Hanna, will my ability to get out of trouble with the cops to Dixie Savage and Heather Van Blair. I also will my ability to tell the truth and act my age to Polly Forrester. Last but not least, I will the rest of my ability to Laura Shankle.

I, Melinda Harden, will to a lovable, short red-headed freshman my cheerleading ability. If she had not been wearing a cheerleading uniform, no one would have ever known she was a cheerleader.

I, Ken Harkness, will my record of smoking in the boys room to a certain freshman.

I, Melissa Harlacher, being of crazy mind and forget the body, will my ability to stay with one guy to one specific freshman girl.

I, Maleia Andrews, being of insane mind and out of shape body, will my ability to keep my hair its natural color to a certain sophomore.

I, Carl Huss, being of sound mind and body, will my ability to not ask people how my hair looks every ten minutes to Traci Downing.

I, Amy Johnson, being of sound mind and body, will my address to anyone who would not be embarrassed to say they're from Carman, and to Doug Bowman, I will Johnson Farms so he can grow his illegal plants, since he probably used our land anyway. Also to Marcie, alias "Bob", I give my secret to get along with Coach Nichols: walk out of practice.

I, John Lafary, being of sound mind and the best looking body I've ever had, will my ability to take P.E. to Tony Palmer and Brian Bandy.

I, Jay Lebeck, hereby will all my personal experience speeches and my quick thinking, though sometimes rude comments in class, to any underclassmen who is brave enough to take it.

I, Lori Lefler, will my ability to ride the school bus all thirteen years, because I live fifteen miles away from Stronghurst, to all students living in Stronghurst who have to have their parents drive them to school on a perfectly sunny day.

I, Doris McGriff, being of sound mind and average body, do hereby will my ability to play in the band without being a brown-noser to the substitute music teacher to J. B., and also my ability to get along with substitutes to a certain two hour class.

I, Donnie McIntyre, being of unfit mind and sound body, will my ability to graduate to Laura Shankle. I also will my misfortunes to Grainger Flynn and Brian Savage.

I, Jackie Myers, being of lost mind and not yet found body, will my ability to stay out of trouble and admit it's my fault to Shelley Manley who has now received three disciplinary referrals and counting!

I, Sandra Olsen, will a pair of jeans and a shirt to Cindy Smith, so she will have something to flaunt instead of her pompon uniform after halftime.

I, Ellen Peterson, will my so-called preacher's daughter ability to pray to the senior giving the invocation at graduation. (pause) AMEN.

I, Rita Phillips, being of enthusiastic mind and bewildered body, will my ability to wear a polo shirt and keep the collar down to Shelley Manley.

I, Mary Schmitz, being of sound mind and body, will a Betty Crocker cookbook to Alan Lefler, so he can identify parsley from other foreign objects.

I, Jeff Wallace, being of sound mind and body, give my harem to Brent Schisler.

I, Tamara Wensel, being of crazy mind and unfit body, will my ability to hit a person in the nose at a Prom Party and to get run down by a Bronco to Erin Dowell. Also, my tightest jeans to two certain juniors, and my ability to pick tulips at Crapo to Paula Hanna.

I, Renee Wisslead, being of no mind and a considerable amount of body, will absolutely nothing to positively no one, because I need it all for myself.

I, Jim Cole, will the bottom half of my hair to Brian Savage.

I, Dolan Klein, being of sound mind and independent spirit, will my ability to reason with teachers calmly to all the quiet people of Southern High.

We, the Senior Class of 1984, being of sound minds and memories, do hereby make and declare this, our last will and testament in manner following, that is to say:

We, the Senior Class, will to the Juniors our maturity and independence to walk down the halls by ourselves.

We, the Senior Class, will to the Sophomores a good supply of bond cards, so if the police decide to revisit, they will have some form of protection.

We, the Senior Class, will to the Freshmen the Senior hall, because they seem to think it's theirs anyway.

We, the Senior Class, will to the faculty our sympathy, because they have to put up with the Junior Class for one more year.

We, the entire Senior Class of 1984, being of reminiscing minds and graduating bodies, will our good times, tons of laughs, and life-long friendships to all students at Southern High. May you have as much fun at SHS as we did.
