1986

Wait'en on the Robert E. Lee

The Southern High Rebels are coming your way
now.

We're aiming for victory and we're gonna say
That we will—go—fight—and win this game
tonight

Southern High Rebels you're doing all right!

We're shouting—

Southern High Rebels are going to fight now.
Oh, we're gonna make it, 'cause we're in the right.
So we will—get tough—show everyone our stuff
and win for our Southern High.

And when you see that red, blue, and grey,
Stand up and shout. Hey! Hey!
For we are proud that we are
The Southern High Rebels (The Southern High
Rebels)

The Southern Rebels are great!
Let's show them how they rate!
So give a big cheer for the Southern Rebels
Fight, boys, for the red, blue, and grey.

Poem To The Seniors

Another year goes passing by
Another Prom is here
To some this brings a joyous smile
To others, brings a tear
For four years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb is just begun.
We're very glad to know you
We'll miss you when you've gone
And to the class of '86
We dedicate our Prom.

CAUGHT IN THE MOMENT

Waiting is so hard to do.

Girls—your dates seem to be having a lovely time.

I thought there was a surprise in the bottom of these.

Life in New York is nothing like this.

Getting a nap in before the one big dance Byron!?!?

I know Angie—we can't believe you're with him either.

Whose Prom is this—Dallas City or Southern?

DANCE THE NIGHT AWAY

Having fun, Michelle?

Oh Scott, that's disgusting—tell me more.

Love is having someone to hold on to.

Mike, turn around there's the camera.

Love is one heart in two bodies.

Hey Girls, Who's the JERK in the background.

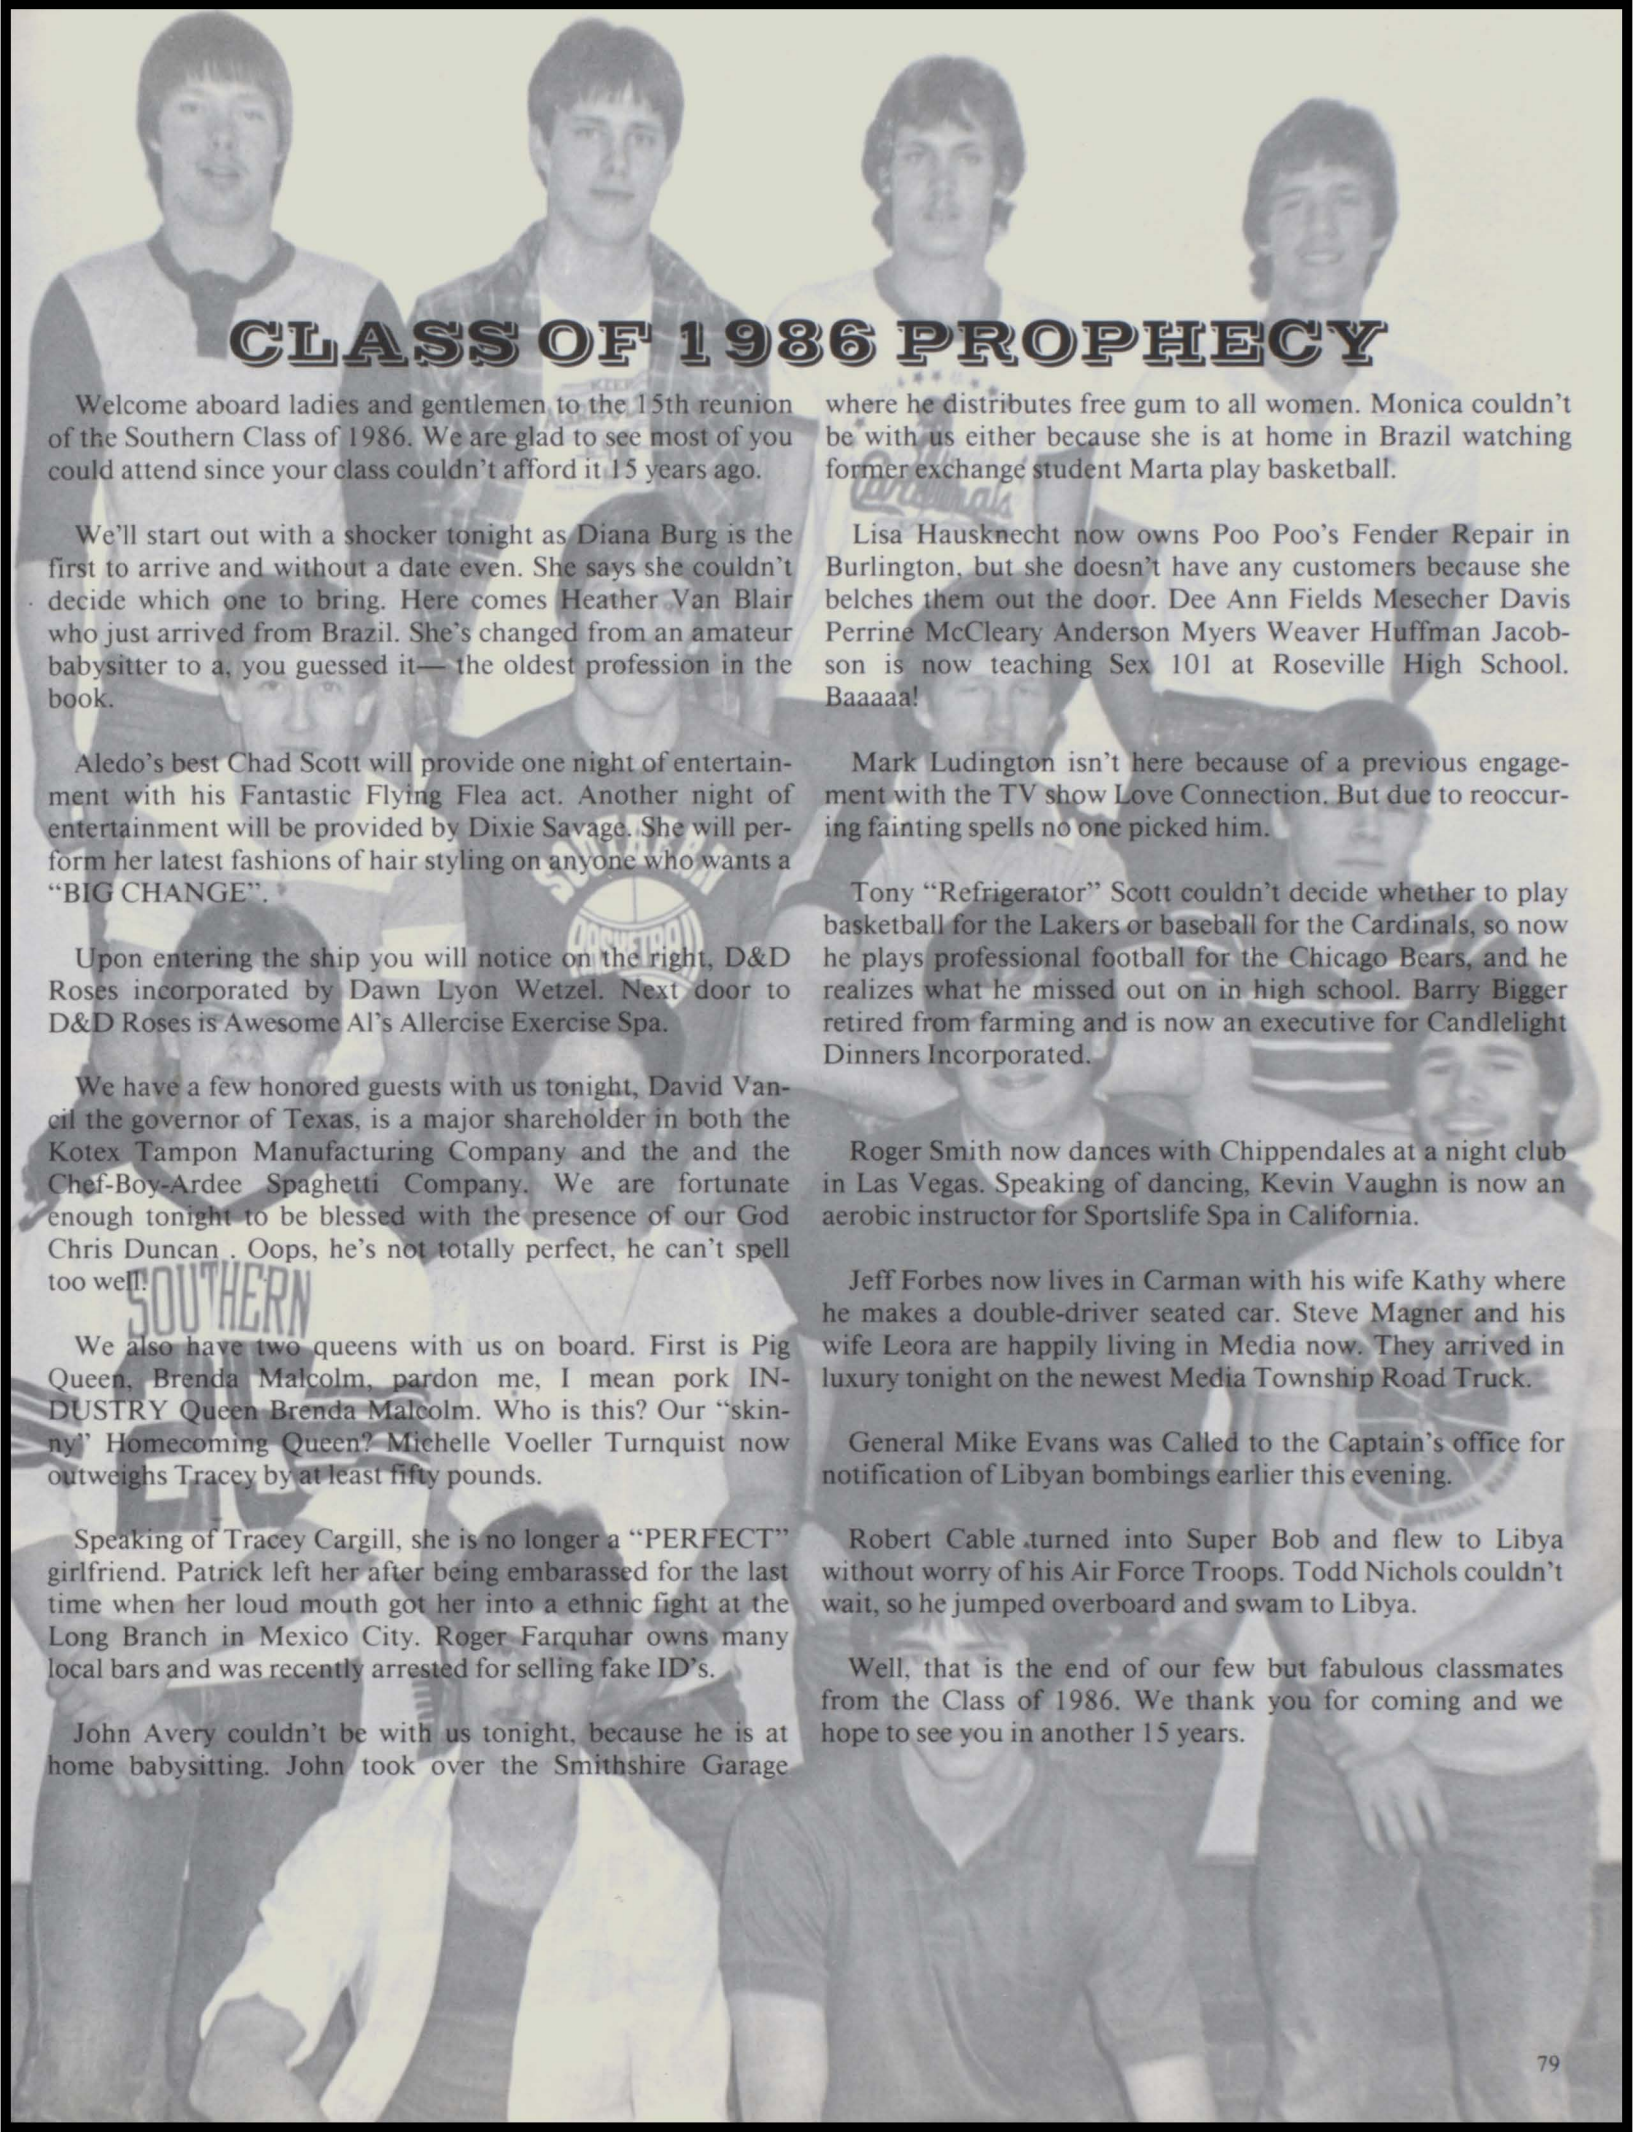

This Could Be The Night By Loverboy

Ask any girl, in this lonely world
Ask any girl, she'll say make it last forever
I'm holding out my hand, I finally
understand
So turn out the lights (oh yeah)
we'll make it last forever
I've been down the streets of desire
Sometimes I was so uninspired
You found what was locked up inside of me
I've always been the one
Lovin' on the run
That's when you come undone, oh girl
Why do you wait for me

Out on the borderline
between the hurtin' lies
And the true emotions,
that make it last forever
I've been down the streets of desire
Sometimes I was so uninspired
You found what was locked up inside of me
This could be the night
the night to remember
We'll make it last forever
This could be the night
Oh, to end all nights

To end all nights

CLASS OF 1986 PROPHECY

Welcome aboard ladies and gentlemen to the 15th reunion of the Southern Class of 1986. We are glad to see most of you could attend since your class couldn't afford it 15 years ago.

We'll start out with a shocker tonight as Diana Burg is the first to arrive and without a date even. She says she couldn't decide which one to bring. Here comes Heather Van Blair who just arrived from Brazil. She's changed from an amateur babysitter to a, you guessed it—the oldest profession in the book.

Aledo's best Chad Scott will provide one night of entertainment with his Fantastic Flying Flea act. Another night of entertainment will be provided by Dixie Savage. She will perform her latest fashions of hair styling on anyone who wants a "BIG CHANGE".

Upon entering the ship you will notice on the right, D&D Roses incorporated by Dawn Lyon Wetzel. Next door to D&D Roses is Awesome Al's Allercise Exercise Spa.

We have a few honored guests with us tonight, David Vancil the governor of Texas, is a major shareholder in both the Kotex Tampon Manufacturing Company and the and the Chef-Boy-Ardee Spaghetti Company. We are fortunate enough tonight to be blessed with the presence of our God Chris Duncan. Oops, he's not totally perfect, he can't spell too well!

We also have two queens with us on board. First is Pig Queen, Brenda Malcolm, pardon me, I mean pork INDUSTRY Queen Brenda Malcolm. Who is this? Our "skinny" Homecoming Queen? Michelle Voeller Turnquist now outweighs Tracey by at least fifty pounds.

Speaking of Tracey Cargill, she is no longer a "PERFECT" girlfriend. Patrick left her after being embarrassed for the last time when her loud mouth got her into a ethnic fight at the Long Branch in Mexico City. Roger Farquhar owns many local bars and was recently arrested for selling fake ID's.

John Avery couldn't be with us tonight, because he is at home babysitting. John took over the Smithshire Garage

where he distributes free gum to all women. Monica couldn't be with us either because she is at home in Brazil watching former exchange student Marta play basketball.

Lisa Hausknecht now owns Poo Poo's Fender Repair in Burlington, but she doesn't have any customers because she belches them out the door. Dee Ann Fields Mesecher Davis Perrine McCleary Anderson Myers Weaver Huffman Jacobson is now teaching Sex 101 at Roseville High School. Baaaaa!

Mark Ludington isn't here because of a previous engagement with the TV show Love Connection. But due to reoccurring fainting spells no one picked him.

Tony "Refrigerator" Scott couldn't decide whether to play basketball for the Lakers or baseball for the Cardinals, so now he plays professional football for the Chicago Bears, and he realizes what he missed out on in high school. Barry Bigger retired from farming and is now an executive for Candlelight Dinners Incorporated.

Roger Smith now dances with Chippendales at a night club in Las Vegas. Speaking of dancing, Kevin Vaughn is now an aerobic instructor for Sportslife Spa in California.

Jeff Forbes now lives in Carman with his wife Kathy where he makes a double-driver seated car. Steve Magner and his wife Leora are happily living in Media now. They arrived in luxury tonight on the newest Media Township Road Truck.

General Mike Evans was Called to the Captain's office for notification of Libyan bombings earlier this evening.

Robert Cable turned into Super Bob and flew to Libya without worry of his Air Force Troops. Todd Nichols couldn't wait, so he jumped overboard and swam to Libya.

Well, that is the end of our few but fabulous classmates from the Class of 1986. We thank you for coming and we hope to see you in another 15 years.

SHS MUSICAL...

The Look of Stardom.

I only look innocent.

We're not mentally defective.

Old Jeb gets down.

Pickin' on my poor Stanley.

Just look at that waxy build up.

Have you met my sister, She-Ra?

Oh Yuk!!!

We can always dance.

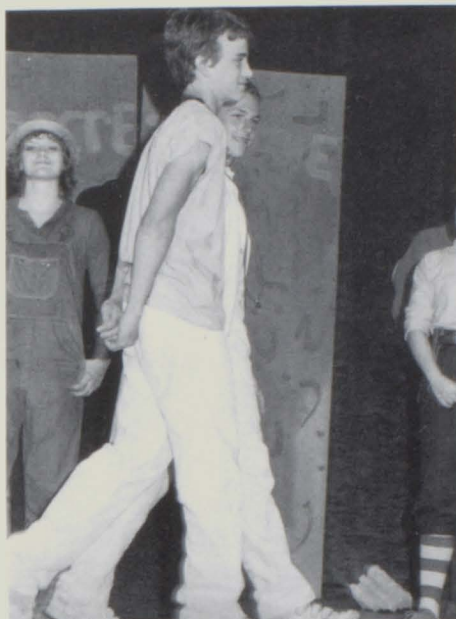

I CAN'T TAKE NO MORE!

"THE RANSOM OF RED CHIEF"

Good News?

Paradox

Leave me alone!

The Showdown

Take that you bullies!

Boring. Boring. Boring.

Let's get out of here.

What a Charming child.

And the big prize winner is . . .

We got your best side.
