# IN SPECIAL MEMORY OF OUR 1ST GRADE TEACHER MRS. MARGARET SCHAR

Our final page of this year's Southerner is where we want to remember a wonderful friend and teacher, Margaret Schar. Mrs. Schar grew up on a farm in Henderson County. She attended Bradley University in Peoria where she met her husband Bernie. They came back to Henderson County to a life of farming. Mrs. Schar started out in education as a teacher's aide in the early 60's to Mrs. Blanche Keener and later to Mr. Keith Gibb. She has always taught at the Stronghurst schools. She went back to school in the late 60's and received her teaching degree in Elementary Education. She started teaching 1st grade in 1972 when Mrs. Keener retired.

Mrs. Schar was always loved for her old-fashioned ideas, for never complaining and for always doing for others. She was compassionate, intelligent, optimistic, cheerful, and had the patience of "Job". Mrs. Schar had the knack of always making every child in her classroom feel special. When a child was disadvantaged socially, she went out of her way to do more for that child. Mrs. Schar greeted children every morning in the hallways with a big smile and words of encouragement.

Margaret planned to retire at the end of this school year, but on October 9, 1991 she was fatally injured in an automobile accident. We don't understand why these things happen, but Mrs. Schar would want us to pick up the pieces and live our lives to the fullest. Mrs. Schar had a dream of updating the elementary playground. She talked about money making projects to buy new equipment. Because of the memorials left in her and Bernie's memory, this dream is going to come true. There is a plan to put in a blacktop play area and a new playground has been ordered.

We want to dedicate the 1991-92 Southerner in memory of Margaret Schar.
