BRIAN SCHÜTZ VISITS SOUTHERN FROM GERMANY

I just want to say that I enjoyed my stay with the Short's in Media and attending Southern High School. It has been a great experience getting to know school life, new sports, people and the American way of life.

I also want to use this opportunity to thank all the teachers who helped me throughout the year and all the students, especially the class of '94 who were friends to me.

I'll always have some Southern Pride in me and hope to meet you again some day.

Brian Schütz is from Oelsnitz, Germany. He has two brothers Henry and Norman and his parents are Eva-Maria Schütz and Volkmar Schütz. He came to America on the exchange program because he wanted to experience a different way of life and culture.

CAPTURING SOME MAGIC MOMENTS

Don't I know you?

President of the Mickey Mouse Club.

Hard night — girls?

Please, please give us a victory.

Pick a **WINNER** Robyn.

Being at the Head Table is such an honor. I don't think so?!

Smile at the camera **GIRLS!**

I am **SOOO BORED!**

Oh Ray, you are so disgusting.

If I had wanted to watch a fight I could have stayed home and watched T.V.

So wearing dresses and sitting like a lady is not my **STYLE!** O.K.!

Now I know how Cinderella must have felt.

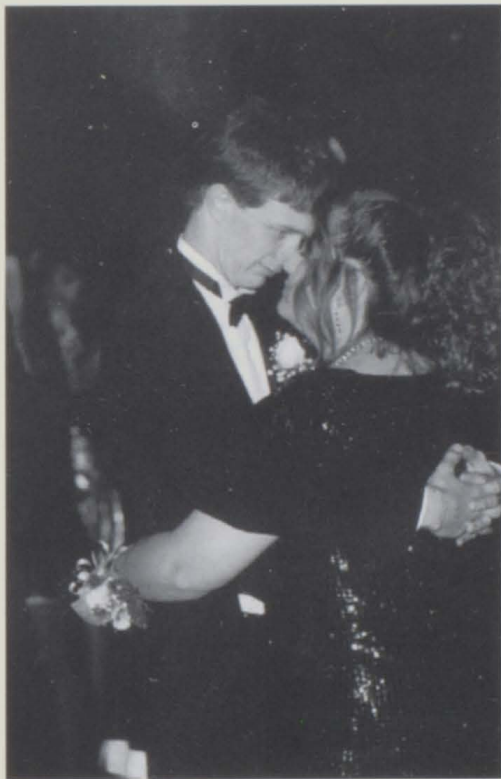

We got FRIENDS IN LOW PLACES!

Put on your **HAPPY** faces.

I wish I was dancing with someone else.

Oh my gosh, your nose is stuck in mine!

I just *LOVE* slow dancing.

Hi Mom!

Tiffanie, you look like Hans or is it Franz.

CLASS PROPHECY OF 1994

As the class of 1994 reunites for their 10 year reunion we see how each of the classmates have changed over the years.

Natalie Brent walks in wearing a great big smile. Natalie is now a pharmacist and has gotten rich from her invention "The Happy Morning Person Pill".

Peggy Cassidy now Peggy Montooth owns and runs her own child care service called Kids, Kids, and More Kids.

Randy Hites races in from his latest car race. Randy is now the five time winner of The Indy 500 and in the Race Car Driver Hall of Fame.

Jody Cloke barges in with her gun held high because she is now a police officer. After giving Randy a ticket for illegal parking, speeding, and reckless driving. She sat quietly watching everyone.

Scott Ford runs in behind Jenny. Scott is now a special agent for the FBI and he brought his drug dog who is very interested in the punch.

Shane Gipe strides in (and he actually still believes he is a stud). Shane looks dashing in his Carhardt tux and he is the only farmer to successfully breed corn with beer.

Melissa Johnson, also known as M. J. is now Mrs. D. J. Avery. They have three kids named R. J., K. J., and L. J. They own a citrus farm making o.j.

Charmin Garst-Joseph is now a five star general in the army. She lives in Europe with her husband and her two boys.

Lisa Keane, now Lisa Brown, owns her own auto mechanic shop. It is painted to her fashionable perfections and has her own Garfield tool box. She has employed her husband Jim as her right hand man earning minimum wage.

Robyn Link walks in with her husband, no ex-husband, no husband, no ex-husband, no husband Phil Long. She has mixed her career as a fashion merchandiser and a boxer by selling fashionable boxing gloves to women boxers everywhere.

Melissa Love is now the first woman President and she won her campaign with her slogan "Slavery For All Men".

David McDaneld rides in on one of his 20 Harley's. Dave is now a millionaire because of the interactive computer software he has created for Playboy.

Zack Murphy is now the owner of his own pawn shop and U-haul service, he still has his orange truck for service calls.

Lesley Peterson could not make it tonight because of her new job as head of security at the mall. This job requires most of her time and energy.

Megan Powless is now president of her own health care company and she still has trouble controlling her employee meetings.

Brian Schutz is now a famous German rock star and is getting ready to tour the U.S. In his spare time he helps at the local vets office with dogs that have been hit with baseballs and are in comas.

Tiffanie Smith now on her twelfth marriage all of them being to Gene, is co-owner of the video store, but still works at the Tannery, Hardees, and is a part time dental hygienist specializing in partials, and co-operator of the Hair Club For Men.

Tracy Spiker makes her entrance carrying a calculator because she is now the head accountant of Kim Stewarts chap stick company.

Kim Stewart now Kim Prickett, enters with her husband Dave and their 20 kids. They are all living comfortably because of Kim's chap stick company's booming business. "Smells MMM Good".

Dawn Stokes runs in still wearing her McDonalds uniform. Dawn now owns the Monmouth McDonalds and drives her own McVett. She still finds working in the front lines satisfying.

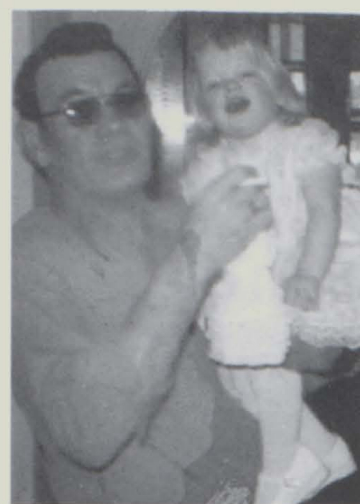

And finally, Jamie Thomas now Jamie Mills has moved to Missouri, lives in a mobile home, and owns a mule ranch. She still has the same Ford truck that is now on its 13th engine going on the 14th. A little friendly advice from a special agent — Buy a Chevy.
