THE CLASS OF 1995 — 10 YEAR REUNION — 2005

Brad Avery

Brad comes in with his two dates, Brittany and Tiffany. Reluctantly, they decided to come, even though they wanted to stay home and watch The Movie Channel.

D. J. Avery

D. J. pulls up in his same old grey truck, but D. J. still knows the woman's place. He and his dog get out the front, and his wife and kids jump out the back.

Travis Bigger

Two time world Bull Riding Champion is wheeled in, in a wheelchair. He has broken every bone in his body at least once.

Amber Brookhart

Amber now coaches college basketball, softball, and has lead the UCLA volleyball team to three National Championships.

Steven Cassidy

Steven comes in all greasy and covered with manure because John had him stay late and then he had to lock up his professional drag racing lawn mower and transmission shop which is located in downtown Smithshire.

Alicia Clifton

Alicia is now a multi billionaire. She owns many department stores, but has made the real money off of her new found restaurant, Hoots.

Jessica Doran

Jessica showed up two hours early in fear she's be late. Jessica had to clean her three kids (Kirk, Darren, and Ben) rooms before she came. To this day, Jessica is still trying to give Jason a ride.

Jason Evans

Jason is now a world wide famous writer. He wrote this year's best selling books, "Everything Under The Sun." Because that is what he feels he knows about.

Dawn Helkes

Dawn is now a teacher at Southern High School. She specializes in freshman speech therapy. Dawn is happily married with two children.

Eric Johnson

Eric now owns a pizza parlor chain called "Big Johnson Pizza Palace." He has slowly built this chain across America.

Julia Kane

Unfortunately, we couldn't find Julia to invite her to come this evening. Supposedly she lives in Champaign and is working as a travel agent, but we heard she's on her way to Chicago and can not be found.

Chad Leinbach

Chad has graduated from college, and is now running a private hunting preserve complete with wild animal sounds from the biggest speakers in Henderson County.

Greg Link

Greg owns his own radio station and he and Chris have finally gotten their talk show "P and Egg in the morning." Greg is now hapileeee married and has two children.

Chris Miller

Chris, besides his talk show with Greg, is a professional driver on the Indy car circuit. Chris has set a record for most wrecks of all times with 1,531. Chris is also married with no children.

Sherry Mowen

Sherry went on to college and attended Western for seven years for, well, no one knows. Sherry has purchased the On Broadway Video Store and has expanded this store into several stores across Henderson County.

Jeremy Nortrup

Nort cruises in on his Harley brushing his long flowing blonde hair. Nort holds a record for being the first person to go through every state at least fifteen times.

Doug Oliver

Doug still hasn't figured out that Jimmy Hendrix is dead. We've found out that Doug's house is the only house in America to contain no windows and only DOORS. Doug's wife now owns her own vacuum cleaner shop.

Sean Ryan

Sean will join us later because he is at Brad's house helping his mom out on that essay. Sean is now a professor of English at Harvard and he preaches on the side.

DeeAnn Schaley

DeeAnn had been in charge of setting up the reunion, but she still hasn't shown up. We believe she is still at home waiting on Brad to pick her up.

Chad Scott

Chad shows up in that same old orange truck since his other three replacements for it wouldn't start. Chad has taken over Mr. Nichols teaching duties at Southern and he now has successfully purchased every power tool ever made.

Daniel Smith

Daniel is now working for Big Johnson's Pizza Palace and will be delivering us pizza's for this evening. Daniel is now on his fifth marriage, all with Kayley. Daniel has also written a book titled "Special Hidden Talents."

Susan Smith

Susan is still feuding with LoRena about who gets to marry Prince and change their name to Avilonia.

Katie Stokes

Katie has now lost all of her shyness and has become an ambassador for the United States to Sakishima-Shoto, wherever that is.

Kathy Thomas

Kathy shows up by herself since she just got through a tough divorce. Her ex-husband had to go away for ten to fifteen, so she went ahead and divorced him.

Chandra Vancil

Chandra wheels in Travis, and she is complaining the whole way. Chandra had gone to college, but is now traveling on the rodeo circuit with Travis so they can argue in person.

Eric Vancil

Eric is also a bull riding champion. Travis and Eric take turns winning. The only difference between the two is that instead of breaking every bone in his body once, Eric has done it twice.

Melissa Wood

Melissa is now the proud owner of the new McDonald's located in Stronghurst. She had thought that it would get a lot of business but she has lost three quarters of her money and all of her stock she had since Stronghurst now only has a population of 100.
