Senior

April Magee and Tom Scott were voted in as the two most friendly seniors of the 1997-98 school year.

Amy Cole and Shane Heikes were the biggest procrastinators this year..

The Most shy seniors this year were of course Jenny VanArsdale and Craig Carnes.

The most likely to succeed this year was Megan Barber and Richard Wamsley. We'll just have to wait and see.

Yasmine Braswell and Shane Logan were the class clowns this year.

Superlatives

Audra Brookhart and Chris Burgdorf are the most athletic seniors this year.

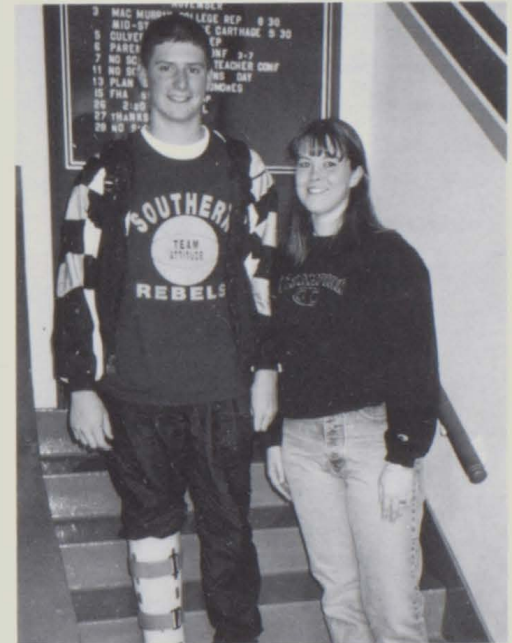

The prettiest smile is an area that has the privilege of being occupied by both Jessica Smith and Daniel Oliver.

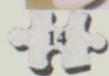

The class flirts are Jennifer Isaacson and Ben Torrance. Lets hope that talent will take them far.

The prettiest eyes slot was filled this time by Elisha Reed and Jeremy Ives.

Contrary to this picture the best dressed seniors were Jaimee Fisher and Chuck Keane.

COOKS

We would like to thank the cooks for all the hard work and preparation they have done. By making the food that we have eaten over the year. They try to give us a variety, and in doing so, they sometimes give us something to look forward to. They have listened to our opinions and have worked with us and made sure we never went hungry- for that we say Thank you!

The custodians have helped in a great way this year. They have cleaned up all of our messes. Cleaned up our school and made it beautiful because they wanted to. Without complaining or showing disapproval to the messes we have made. On behalf of the student body of Southern High-School we would like to say thank you for all the hard work they have put into making our school beautiful.

Class of 2000

The sophomore class this year will be graduating in a new century, and they are an end to a millennium. How do some of these students feel about having this privilege? We asked two students this very same question, and they replied.....

I don't see graduating in the year 2000 as a privilege any more than graduating in 1999. Its not all going to change in one year.

Hard at work!

The Junior Varsity Volleyball Team had an excellent year during the 1997 season. With coaching by Mary Strachan, the young Belles had a record of 16-12. The Junior Varsity was lead by 6 sophomore players and had an addition of 8 freshmen. They learned that "simple acts of kindness" and "senseless acts of beauty" can go a long way. The fans of these young players will be excited to see them again in the 1998 season. Finishing this season successfully gives these girls hope for an even more successful future. The 1998 season will bring in new additions to the Southern Belles Volleyball Team. Congratulations Girls!

To dive for!

The Varsity Volleyball team had a magnificent 1997-1998 season. The Belles had a great start with a quick 9 wins before they were given their first loss. They continued to do well throughout the rest of the season. The Belles, coached by Kris Lafary, ended the season with an excellent record of 20 wins, 8 losses, and a tie. The

Varsity Belles were led by the experience and talent of 5 great seniors. This team really worked well together and the Belles will continue to be a winning team in the future. The Belles would like to say thanks to all of the fans who supported them throughout this excellent season. We hope to see you all again next year. Congratulations girls on a great year and thanks for a great season of volleyball!

Senior Belles

The Senior Belles had a fantastic season this year leading their team to earning 2nd in the Bi-County Conference. Coach Lafary noted the seniors on the hard work and dedication they put out to accomplish their goals. Random Acts of Kindness and Senseless Acts of Beauty helped the season to go by pleasantly and made everyone able to get along with each other and succeed in having a great year..

The Rebel cheerleaders had a wonderful year. They did many new and exciting things. One of these new things was the competition held by Avon High School. They had a lot of fun at this competition and did very well. Something else new for the cheerleaders was new coach, Julie Brooks. All of the 12 cheerleaders learned to work well together while cheering hard for the Rebels.

Well you know what they say. "Practice makes Perfect."

A little break after practicing a new routine.

The 1997-1998 Pom squad had an exciting year. Even though they had to get up early just about everyday and see the same people they still had fun. They had a mixture of routines ranging from serious to fun. The most serious routine, one Pom member said, was Rhythm Nation by Janet Jackson. This was performed at Mendon Unity. The Pom squad would like to extend a special thanks to everyone who supported them this year.

But even with practice there can still be a few mistakes..

Hey aren't we supposed to be doing something?

Southern's chapter of NHS includes Sophomores, Juniors, and Seniors. Students who have a cumulative grade point of 3.5 have their names placed on a ballot along with their activities.

At a high school teacher's meeting, the faculty are asked to vote for the candidate, evaluating each on Character, Leadership, Scholarship, and Service. Fall and spring inductions bring new members into the Confederate Chapter of the National Honor Society.

Class of '98 Prophecy

Setting: It is now the year 2008 and the class of 1998 is holding their 10 year reunion at the Country Fun bowling alley.

After many "tea parties" in Coach Blender's garage, **Mr. Wetterling and Coach Blender**, sold their trailer court in Gulfport, IL. and purchased stock in Venus Bookstores across America.

Megan Barber is currently a mother / LPGA golfer ever since Luke's golfing career became washed up. Somebody had to pay the bills.

CK Jeans model, **Debbie Bell**, arrived at the reunion with Fabio. She met him at a fragrance gallery, where Debbie's very own scent was being displayed, "CK Flood."

Yasmine Braswell, the real G. I. Jane, holds the rank of Drill Sergeant at West Point Military Academy.

Audra Brookhart is the best selling author of the teenage romance autobiography "Which To Choose."

Chris Burgdorf provided the music at the reunion from his very own company, Big Boom Records, where he is CEO. On his spare time, he is a member of the Hanna Court All-Stars.

Sara Carlsen has an upcoming movie role in "Sister Act 5 - Undercover", where she plays the part of a Nun / Music Teacher / Ex-Prostitute / ATF Agent.

Craig Carnes now owns the Chrysler Motor Corporation. After their stock crashed he picked it up for almost nothing.

Amy Cole holds the Guinness Book World Record for most consecutive days wearing a cast with a total of 12,690,877 days. Congratulations Amy!!

Dana Day now runs an e-mail dating service called, "Dana Days."

Joe Dehner has been incarcerated for being a member of a conspiracy group who was found responsible for the bombing of the U.S. Federal Reserve building.

Jaimee Fisher has developed a used shoe store chain across America. Ironically, we were only able to stumble over one store which is located in Olena, a suburban area of Stronghurst.

Nick Fittante owns and operates Pony's Recycling Express and is awaiting a patent on Pony's putty made out of 100% recycled latex.

Athena Gibb and April Ochsner still lived a Romy and Michelle lifestyle until they realized that it was just a movie, not real life.

Meagan Gullberg is an MTV veejay and is a sports caster on ESPN on her spare time.

Shane Heikes lost his license after repeated infractions with the law and is currently driving a Winston Cup race car.

Jenny Ingles has a degree in Pediatrics and sells Mary Kay away from her hospital life.

Jenny Isaacson has several red-haired children running around here somewhere and still drives her Caddy.

Jeremy Ives is a nutritionist living in Amsterdam and has made several appearances in a gardening magazine called Green Thumb Weekly.

Chuck Keane is the proprietor of the Hanna Dome where he coaches the Hanna Court All-Stars. With such greats as Wes Clark, J. Knutstrom, Winters, Donald Hanna (himself), and Burgdorf who is still trying to get some PT.

Amanda Lenz ended up marrying a guy named Ralph that she met on the "phone" at Elisha's house.

April Magee runs a HyVee store because there is a helpful smile in every aisle.

Amanda Muhleman is now the voice of Bart Simpson's girlfriend in the hit cartoon "The Simpson's."

Dan Oliver lives with Billy Williams and

has been the Quality Control Manager at a large beverage corporation in St. Louis ever since he was 15.

Josh Quigley is still well known for his singles ad that he put in the classifieds announcing that he was part of the National Guard.

Lucas Peterson ended up answering Josh's ad as a prank and is now a night shift dispatcher at Henderson County Police Department.

Elisha Reed is now an Illinois National Guard Recruiter in Stronghurst. She's always looking for a few good men.

Luke Skees was last seen crossing the Mexican Border by FBI agents and has appeared in 12 Cheech and Chong movies.

Tom Scott is selling his self-motivation novel, "How To Measure Up In Life."

Jessica Smith is living outside of Media with Kevin and raising hogs, both are world famous archers and have a Saturday morning outdoor show on TNN.

Adam Sutcliffe is responsible for the population boom in Hopper because he founded Hopper Diesel Tech. (enrollment 13 students).

Heather Tapscott and Shane Logan have been married and divorced 8 times and plan to be remarried at the reunion.

Gena Thomas is now the head cashier at Jack and Jill after her plans to become a Stockbroker crashed. On her own time, she came up with a new drug that keeps your arm hair and your eyebrows straight.

Ben Torrance is now a model for Tommy Hilfiger underwear. He can now be seen on larger billboards all across America.

Jenny VanArsdale was arrested after supplying Joe with explosive devices during a prison visit.

Richard Wamsley has built a shrine to honor Bill Gates, and has established a Microsoft cult just outside of Hopper.
