THE BEACON

STRONGHURST SCHOOLS

I AM A SCHOOL

I am a school
Within my walls
The life of every boy or girl
Is molded; both by chance and plan,
I leave my mark on maid and man.

I am a school
Across my halls
The shadow of the Future falls;
The whole world's destiny will grow
No higher than the seed I sow.
Grant, that for men of every race
I make the world a better place.

FOREWORD

As you leaf through this book, lean back and let the memories draw you back into the past. Before your eyes will appear the highlights of the year gone by.

. . . bits and snatches of almost memories and half-forgotten names of people at parties across a room or close at hand in classes or yelling at games at home and away . . . long crowded rides in buses singing and yelling until hoarse . . . the jubilant victories and tearful defeats . . .

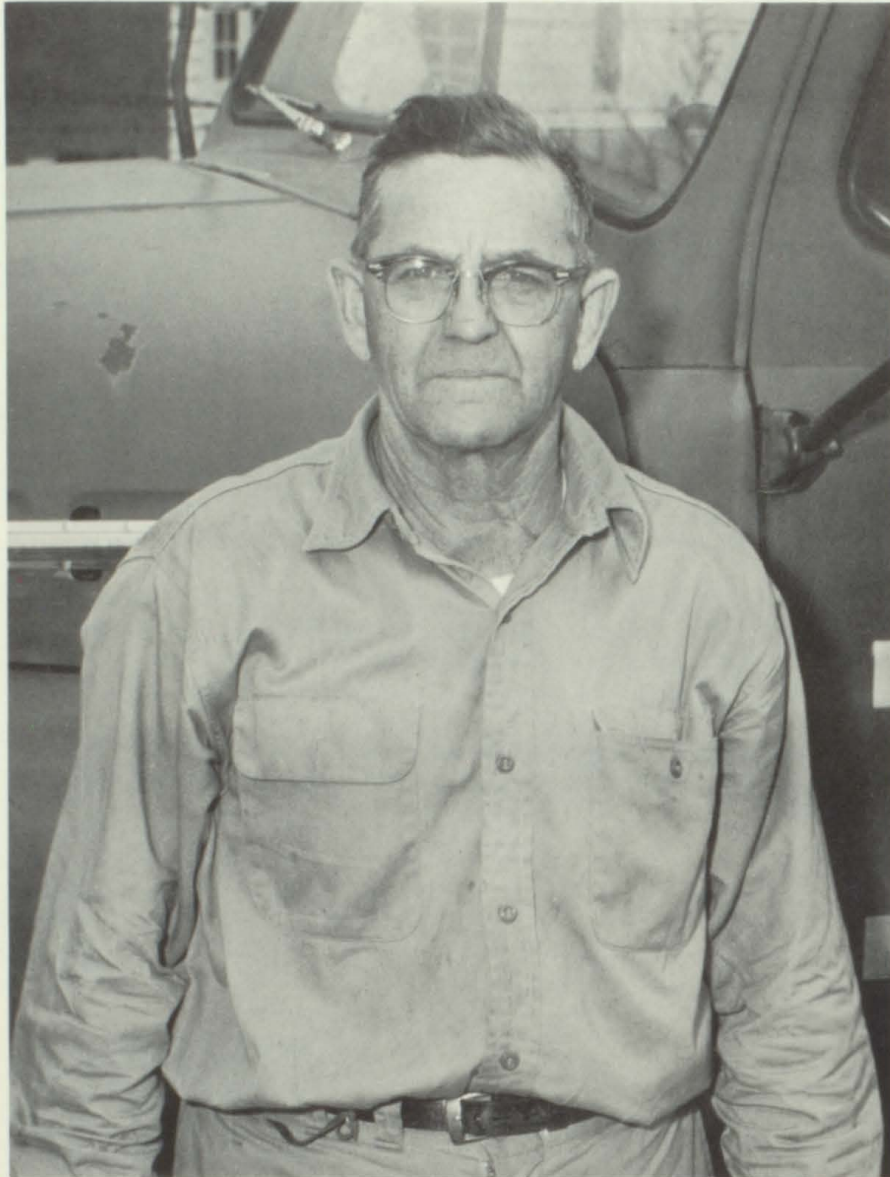

. . . only pieces of it . . . only snatches that we remember . . . only minutes that were unimportant and never the important things to hold on to . . . the endless puddles on lakes to walk through and classes to go to . . . problems to suffer with . . . papers to sweat over and gym suits and straight hair and rain . . . the smells of open lab windows and crowds pushing and hurrying to go somewhere . . .

. . . someone's new car . . . the fads and games and the promises never kept . . . the rings, the pins and medals and sweaters . . . the thinking that hurts and the constant battle with grades . . . the almost failures and the complete ones . . . and all else that was here.

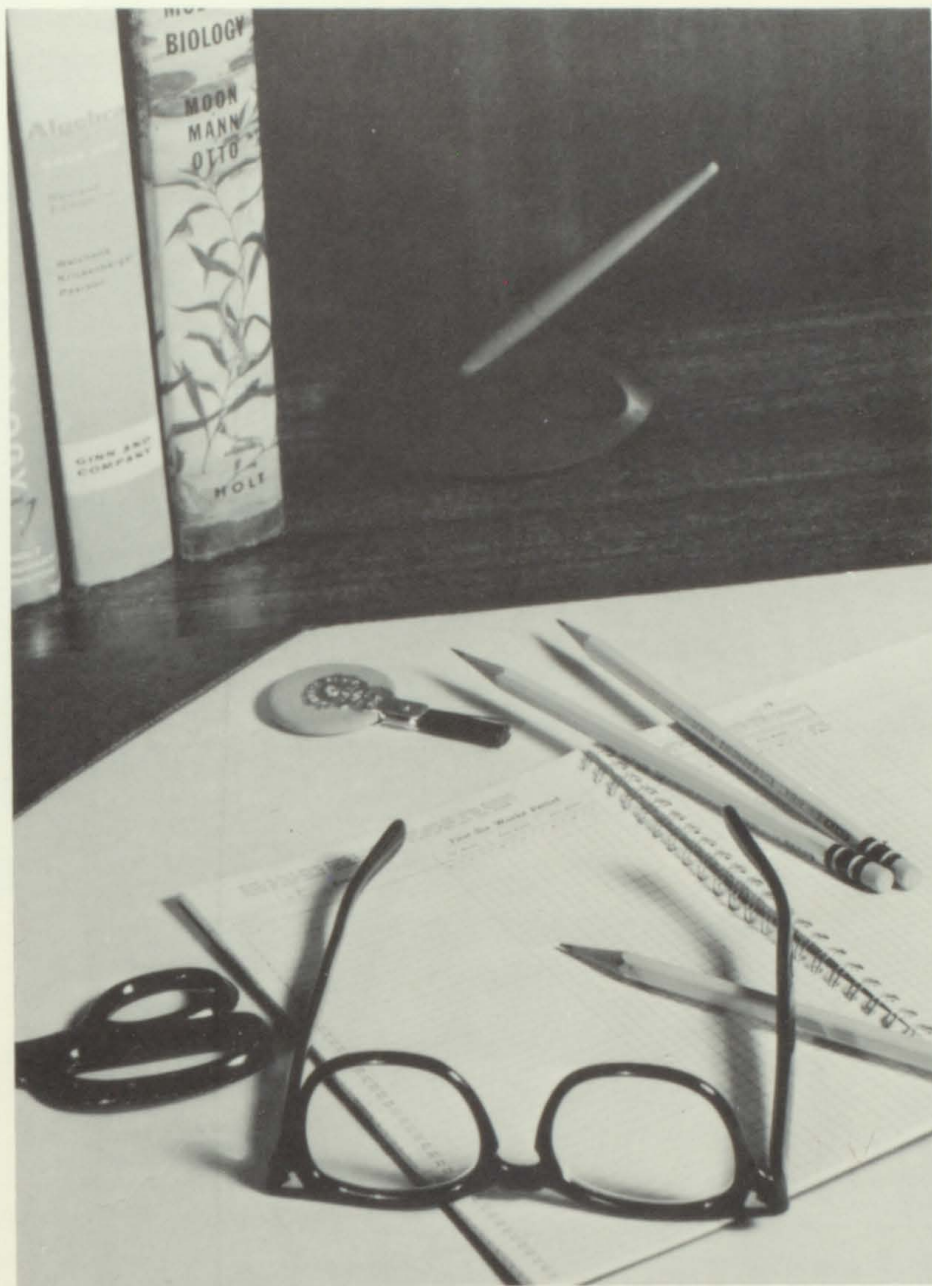

These bits and snatches of memories have combined to make this year one we will long remember. With this, the yearbook staff presents the 1964 BEACON.

DEDICATION

To Dale Kemp, whose long and faithful service has been a source of inspiration to many students of the Stronghurst Community High School. We, the staff of the 1964 Beacon, respectfully dedicate this book. His helpful cooperation and friendly interest throughout the years have been a major factor in molding a school of which we can all be justly proud. We are sincerely appreciative of your efforts, Dale.

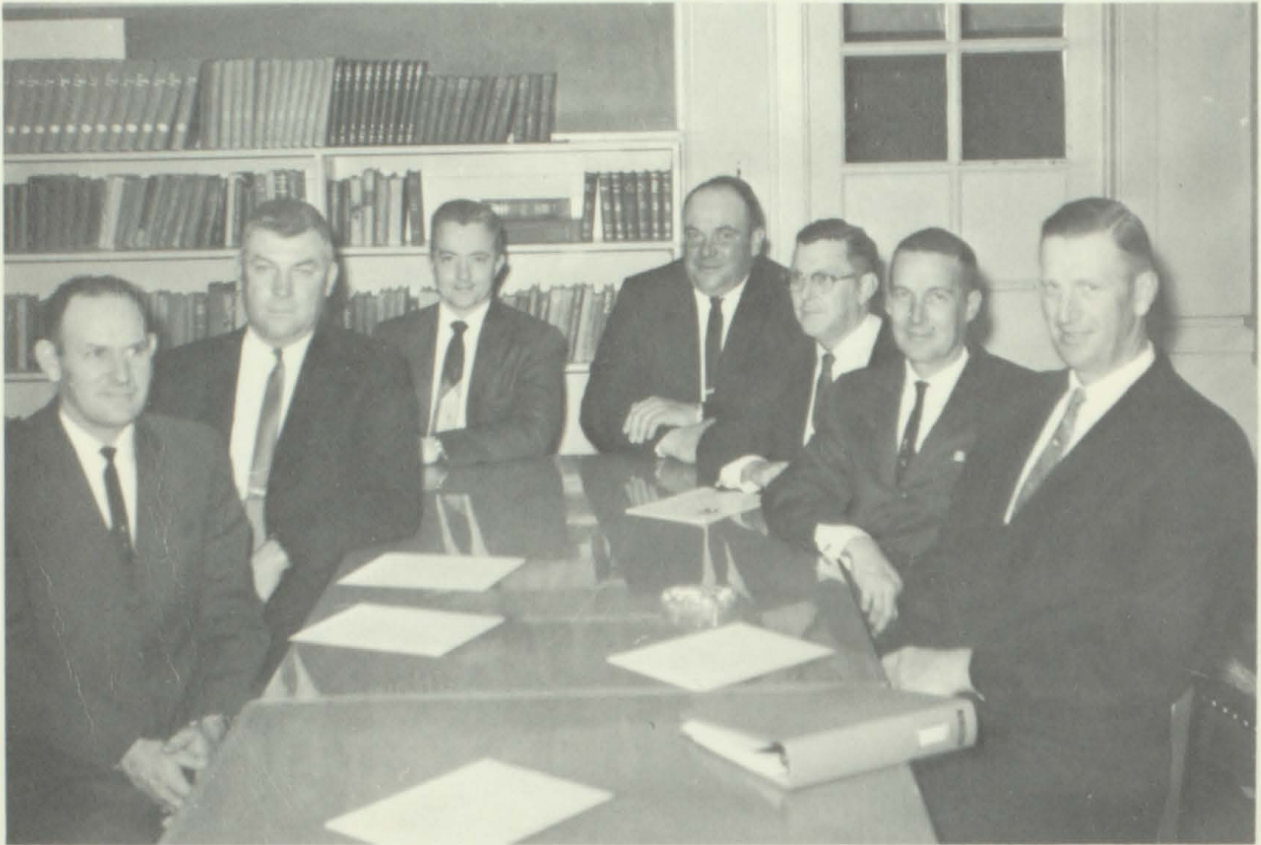

On February 18, 1942, Dale "took over" as custodian of our high school building. Since that date, the degree of efficiency to which our building is maintained is a source of pride to us, and invariably elicits complimentary remarks from visitors. His interest in the attainments of each student and in the success of our group efforts, his understanding when our actions try his patience to a degree far greater than should be expected of any person, and the unselfish expenditure of his time and energies to the completion of his task made him a part of our high school memories which we shall always cherish.

FACULTY

BOARD OF EDUCATION

Everett Johnson, Wendell Wetterling, Lyman Fort, Pres. Bernie Schar, Milford Dowell, Jack Stevenson, and Lee Carlson.

We of Stronghurst realize that our school has succeeded because of these men who have shaped the policies of our school.

They ably choose teachers who have vision. As world wide events change the destiny of men, each year the heads of the departments re-evaluate course content, ever alert to the need to alter courses, according to the demands of the colleges, business and living.

Superintendent Hal D. Olson schedules and directs the curricular activities of Stronghurst High, heads the counseling department, and assists students in planning for their futures. Many of the problems which evolve from our school system find their way to Mr. Olson, who must combine the opinions of faculty, parents, school board and students into a successful institution of learning.

Two of the most friendly and cooperative people at Stronghurst are the office secretaries who can be described as "efficiency plus." Keeping accurate records, filing students' test results, and aiding all persons who walk aimlessly into their presence with myriads of questions are only a few of the many duties and responsibilities placed on the shoulders of these willing helpers. Planning menus, ordering groceries, preparing meals, washing dishes, appeasing our colossal appetites, make up the daily routine of our cafeteria personnel.

First to open the doors each morning, our custodians follow a busy schedule keeping our buildings clean and inviting.

Transporting students from center to center, home and to school, through rain, mud, snow, and ice constantly requires the careful skills of our bus drivers.

The usual events of a year occurred along with unusual ones--adding up to an interesting, but sometimes hectic, year for the "Beacon" staff. Arranging and rearranging layouts, cropping pictures, writing copy, checking master copies, and keeping accurate financial records kept every member of the yearbook busy. It seemed that deadlines would never be met, but with the excellent assistance of our advisor, Mr. Wayne Bartlett, the deadlines were met. At the end of the year, we relaxed, reclined in our chairs, and with a sigh of satisfaction said--"It's done!"

The Office Practice class assembled the Beacon but not without the help of all the Seniors in the Beacon Club would it have been possible to make the 1964 Beacon a success.

SENIORS

For the seniors the year of 1963-64 provided a triumphant end of high school, and a glorious beginning of our dreams of the future. We did our best to set the pace and establish a fitting pattern for the future Trojans to follow. Together we struggled to establish traditions for Stronghurst, to grow and serve, to learn and teach, to understand and to be understood.

In August we were united again in purpose to share old traditions, rivalries, and loyalties.

In June we were torn apart, but bonds had grown among us that could never be broken.

Class Motto--Ideals are like the stars, we never reach them
but like the mariners of the sea, we chart our
course by them.

Color--Sapphire Blue

Flower--Red Rose

SENIOR POEM

Attention Ladies, Attention Gents,
Stronghurst High School now pre-
sents the class of '64.

Here is Andy, the first of the list;
On the football field he'll surely be missed.
Whether making a tackle, or catching a pass,
He's a living "end" of the Senior Class.

From Burlington High the Seniors were blessed,
With Diana Boecker; Her singing's the best.
In speech and art she also shines,
And John C. is her valentine.

Helen's got a pretty ring;
We hear she thinks it quite the thing.
From Union she came in her Junior year;
But only to leave with Roger from here.

Eddie is an I.A. man,
and he's an ardent hunting fan.
When the season opens his face is missed,
To heck with studies, hunting's bliss.

Patty teaches little girls
how to make their batons twirl.
At the head of the band you can see her step,
Full of smiles and full of pep.

Bobby has a lot of wit;
In history class he does his bit.
A democrat in every way,
He rearranges chairs each day.

Cars and Motors are his joy;
Thomas Edmonds is our boy.
Always willing to lend a hand,
He's our candid camera man.

"Fergy" likes to dunk the ball;
This comes easy because he's so tall.
To Burlington he likes to go;
Does he really like the drive-in-show?

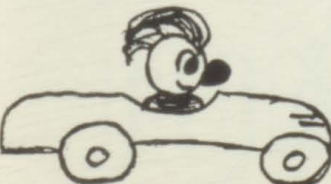

The founder of the "Flags" is Mary;
You'll find a lovelier she carries.
She'll always remember her cheering days
And will be missed in every way.

Apple polisher Glenn--On the football field
Lost some teeth when he failed to yield.
"Give me liberty," you'll hear him recite;
He'll always say that he is right.

Grady is a prominent man
In Council, Football, Track, and Band.
He's a scholar and a thinker, too,
but history contests are "taboo."

This little girl is a poet at heart;
From us her memory will never part.
Nice things come in a ticky tac box,
Especially little Ruth Anne Fox.

Who's that yonder in the red, red car--
Must be Henry traveling far.
It's a Rambler, not a truck,
and we wish him the best of luck.

Here's to a sweet girl in our class;
We'll surely miss this little lass.
Fred's in the army, Judy's blue;
We hope that all her dreams come true.

He drives a Covair, is dark and tall
and is the coolest one of all.
Jim will probably be a farmer.
Hard work makes him a charmer.

He broke the record in the mile;
Larry has a lot of style.
Trigonometry is his favorite class,
and Jeannie is his favorite lass.

"Elephant" is full of funnies,
and you know Sharon is his "honey."
Better known as our class clown,
Don Kemp is great to have around.

Charlie Lefler's, next on the list;
Among the Juniors he'll be missed.
By his grin he's always known,
Hard work on the farm he has shorn.

Here comes Lynn with a smile so bright;
Long's his name but not his height.
Good in football, good in track,
In meeting dentists' appointments he is slack.

Who's that yonder doing the bird?
Red blast jacket, we'll give you the word.
It's Larry Mynatt, he's going strong.
In his pink ragtop he rolls along.

Toby Nortrup is his name,
He goes by Falcon just the same.
In radio speaking he's just great,
But goes to Roseville for a date.

"Hold the fort," is her favorite line
On piccolo or piano she's just fine.
Nuttty as a cashew, blond and tall;
With Lorraine around life is a ball.

Peggy, Peggy, sharp and sweet
Has the whole world at her feet.
In her big red Pontiac she zooms up town
At the U. of I. she'll make the rounds.

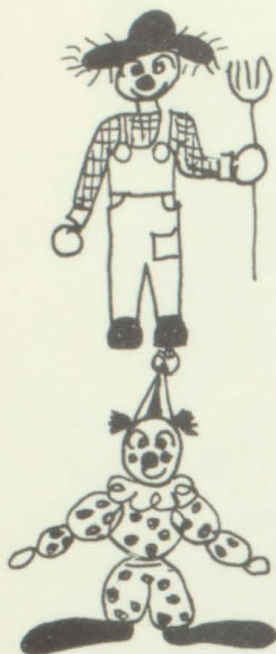

Janet Spiker's a quiet girl,
The best of luck in her new world,
Roger is her favorite beau;
We wish her happiness wherever she goes.

Denny owes Jean a strawberry malt;
At the hospital he often halts.
Always a helper and lots of fun--
If you want a nice guy, Denny's one.

Sharon and Don we see together;
She's a friend in all kinds of weather.
In band and chorus she really shines;
We wish her the best of all times.

Last but not least is Jean Alayne
Chemistry really gives her a pain.
Very active, versatile, and sweet
She thinks Larry can't be beat.

Thank heaven, this is the end of the poem
Since it's late we'll all go home.
Who wrote this gem? You'll never guess
Sneaky seniors won't confess.

SCHOOL SPIRIT SOARED AS WE PLAYED . . .

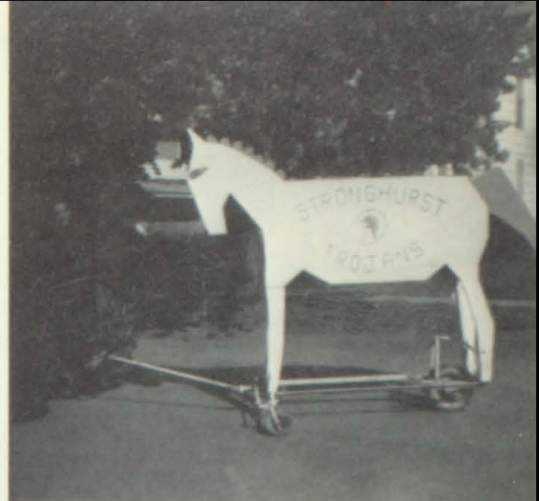

Under the direction of Mr. James Smith, our marching band, led by the color guard and head twirler and four majorettes, performed at each home football game.

Stronghurst's marching band, dressed in their snappy purple and gold uniforms, helped to unite the community when they proudly played our school loyalty.

Living up to its name, the Pep Band provided enthusiasm and spirit at the football and basketball games.

Ending the football season signaled the beginning of concert band. Winter concert and Awards night gave us a chance to display our abilities.

GYRO, the trojan mascot, usually led the marching trojans.

CONTESTS . . . Brought Honors for Some— Disappointment for Others

At the State Ensemble Contest, contestants' voices echoed through the halls of Augustana College with "What room do we play in?". When will the ratings be posted? We got a first! YEA! This was a day of high hopes and disappointments for Stronghurst's contestants. Hard work and skill brought superior ratings for our baton ensemble, saxophone duet, drum ensemble, and brass sextet.

State Contest at Leaf River was also a day of great expectation. Our girls chorus came home with a superior rating singing "Anthem for Spring," and "Into the Night." The greatest disappointment came when we learned that our band received an excellent rating instead of the long-hoped-for and worked-for "superior."

Boost school spirit

Full of zip and lots of pep were the Trojan's eight cheerleaders. They made our colors come to life and our unity a living idealism. Wearing their purple and white Trojan sweater, they skipped along the sidelines leading us in cheers for our football, basketball, and track teams.

Hard work and after-school practice was twice-a-week occurrence for them. Under the guidance of Mrs. Pearson, they created school enthusiasm and spirit through their loyalty and accurately timed cheers.

SECOND ROW: Allan Bock, Ron Schaley, Darrell Burrell, Randy Billups, Ernie Jarvis, Mike Kemp, Coach--Abramczyk. BOTTOM ROW: Richard Crane, Lyman Schar, Clifford Wilson, Rick Schaley, Coach--Bickell.

Our Trojans started the season as probably the strongest team in the Conference. They had size, experience, good speed, top defensive ability, a fine passer and very few reserves.

Their new coaches John Bickell and John Abramczyk were rewarded in the opener at Hamilton with an 18-0 win on Jake's fine passing to receivers Andrews, Cargill and Grady Fort for TD's. Fine line play and Big Glenn Fort's running helped too.

The following week the Trojans outgained Warren 3-1 but lost 9-6 when they had fumbitis and made one big mistake defensively.

The big Purple came up with their best game in their home opener against Roseville winning 32 to 6. Don Kemp stared defensively with two interceptions one being run back for 70 yards and a TD. A 60 yard Cargill to Andrews pass set up one. Jacob had a fine day with his passing and running.

Homecoming opponent RMA gave the local boys a tough battle but lost 12 to 0 when Glenn Fort picked up a fumble and raced 70 yards. Don Kemp set up the second with a great individual effort.

Union came from behind to win 18-13 at Biggsville after the Trojans had dominated play for most of the game. Two TD's were called back but Jacob hit Glenn Fort on a 40 yard pass and scored himself.

Injuries became a jinx and the big names of Ferguson, Andrew, and others were missing as the Trojans lost to Media 27-0. In the LaHarpe game Glenn Fort was lost for the season. The Trojans lost 27-0 despite the valiant efforts of Jacob and crew.

The final game with Yorkwood found 13 men missing from the original roster but the crew of a few veterans, a bunch of Sophomores and Freshmen won 6-0. Jacob and Grady Fort were in on 51% of the tackles stopping the Big Bear attack. Long, Cargill, Kemp, Crane, and many others were great in a fine team effort.

STRONGHURST'S TROJANS . . . *Brought Us Thrillers and Heartbreakers*

BACK ROW, left to right: Manager, Harold Frank, Larry West, Lyman Schar, John Yaley, Ellis Vancil, Robert Morgan, Junior Cargill, Coach, Mr. Bickell. FRONT ROW: Larry Jacob, Terry Ferguson, Mike Martin, Don Kemp, Steve Cargill.

The purple varsity had its problems this season winning only 5 games but it was rarely far behind in any contest.

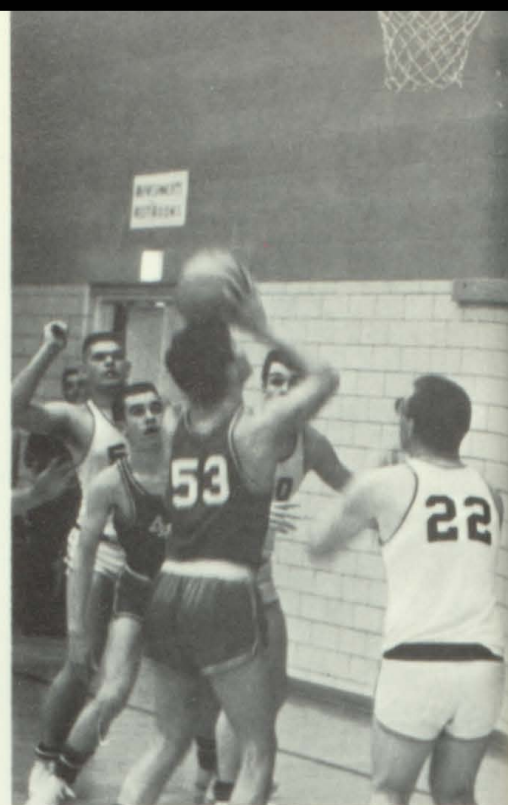

The local club was inexperienced in the front line, but big Terry Ferguson became a tough pivot man and a consistent scorer. Don Kemp was rugged on the board all the way. Big Mike Martin was lacking in experience but came on to be a consistent scorer at the season's end.

The Trojan's were strong in the back court with Larry Jacob, the team's high scorer and the league's leading pass stealer. Jake went on to win nomination to the KBUR all Star Squad. Steve Cargill became the team's play maker as the season progressed. He was also the team's second scorer and a hustler all the way.

Football injuries hurt the squad greatly along with transfers. A number of Frosh-Soph players saw double duty this season. John Yaley a 6-4 Soph. was in action in late season games. Freshman, Junior Cargill saw considerable action as did Robert Morgan, Lyman Schar, Ellis Vancil, and Larry West.

Stronghurst lost five games by one point, four by two and lost only 4 times by more than 5 points. They played their best ball in the district tourney eliminating Union and pressing a strong Western team all the way.

Martin and Steve Cargill will be back next season along with a very fine upcoming crew of Sophomores and Freshmen so the Trojans could be back in the Championship race after this year's hustling but frustrating efforts.

The Frosh-Soph team won the Conference Championship. Junior Cargill led the scoring but Darrell Burrell also scored well and directed play. Lyman Schar was strong on the boards. John Yaley at 6-4 and Rod Nichols at 6-3 were the big men.

Eddie Schroeder saw a great deal of action as did Ellis Vancil, Bob Morgan, Larry West, Rick Schaley, John Powell, Ron Schaley, Dan Stevenson and others.

The young Trojans won three duel meets and lost three and finished 4th in the Bi-County. Third in the Avon Relays, 10th at Ft. Madison, and 12th at Galva.

Larry Jacob set a new school mile record of 4:35.3 at Avon (also meet record) won all relay miles he ran except Ft. Madison (2nd) and 3rd in the district. He also won the 880 at Ft. Madison was 2nd at Galva and won in every other meet he ran in. He also ran the 440 in duels.

Grady Fort scored 45 points in the dashes and mile relay. Juniors, Steve Cargill and Soph. Lloyd Little were work-horses in many events. Lloyd starred in the 440 broad jump, low hurdles, pole vault, and relay. Steve was a top point maker in the 880, broad jump, shot, discus and hurdles. Junior Cargill ran the middle distances and was strong in the weights. Rod Nichols was fine Frosh high jumper and middle-distance man. Darrell Burrell was a Frosh prospect in the distance events. Dan Stevenson and Bob Morgan were scorers in the vault and hurdles. Senior, Terry Ferguson missed most of the season with injuries but scored heavily in the weights when well.

HOMECOMING . . .

WARMED OUR HEARTS

Everyone of us was determined to make the 1963 Trojan Homecoming a rousing success. With this idea in mind our first homecoming celebration began with a snake dance and later a bonfire at the high school. The enthusiasm, kindled by the pep rally, was still burning the next afternoon as we saw the Trojans whip the Rough Riders to a 13-0 victory.

In the evening, couples dances in the festively decorated gymnasium to the melodies of Don Gossick's band. An impressive coronation ceremony climaxed the long-anticipated and long-to-be-remembered homecoming of Stronghurst High.

LEARNING THE ART OF LIVING TOGETHER

"Toward new horizons" was our motto, and it expressed our purpose--to live better today in order to prepare better lives for ourselves and for our families tomorrow. With these ideals in mind, we met each month to plan activities and projects. Selling mums at homecoming, preparing traveling baskets, and a homecoming float were a few of the many projects we undertook. In December we honored our mothers at the annual Mother and Daughter Banquet. February was a month of gay secrecy, as each girl tried to guess her heart sister. We decorated for the Sweetheart Dance and waited with anticipation for the evening to arrive. March, was the month when the girls invited their "Dads" to the annual Daddy Date Night. One of our highlights of the year was attending the spring rally at Galesburg. Just as our school reached new horizons this year, we too, under the guidance of our advisor, Mrs. Pearson, moved toward those new horizons.

Excitement and anticipation filled the gymnasium on May 2 as couples began to gather for one of the year's most dreamed about events, the prom. Girls in billowing skirts and their escorts, handsome in their dinner jackets, filled the air with their bubbling chatter and gay laughter. Soon after six, the doors to the dining room were opened, and the 1964 prom officially began. We soon forgot the outside world as we entered "Anchors Aweigh" which the Juniors had created with blue crepe paper for the ceiling and a lighthouse as the centerpiece.

After eating a delicious meal from the smorgasbord, we, Stronghurst's seniors, listened to the program the Juniors had prepared for us. We, in turn, thanked the Juniors for providing us with such a wonderful evening of enjoyment.

Later, the old gymnasium was crowded with couples dancing to the music of the "Sportmen" who provided us with everything from waltzes to "twists."

Freshman and Sophomore Girls' Physical Education

One of our goals this year was to improve our physical fitness. We were encouraged when the American Medical Association reaffirmed its long-standing and fundamental belief that health education should be an integral and basic part of school curriculums and that state and local medical societies be encouraged to work with the appropriate health and education officials and agencies in their communities to achieve this end.

Freshman and Sophomore Boys' Physical Education

HERE'S A GLIMPSE OF THE CLASSES IN SESSION AT S.H.S.

INDUSTRIAL ARTS

Mr. Hammond instructs the Industrial Arts classes. In addition, he coaches Junior High Sports, and is sponsor of the Sophomore Class.

"Objectives of our industrial arts program are to give the student an introduction to, and basic experiences in, industrial procedures, develop a recognition of basic design fundamentals, act as a guide for possible careers in industry, develop a sense of precision and neatness, and sufficient knowledge and skills that may be useful later in life as a means of profitably using leisure time."

LATIN I AND II

Mrs. Howell, teaching us a new means of expressing ourselves through French and Latin, represents our expanded foreign language department. Her emphasis that learning a language is a daily endeavor inevitably brings her famous words, "So for tomorrow . . ."

"The foreign language department presents courses in Latin and French in a manner that will permit the student of even moderate language ability to master the fundamentals. To reach that goal means to lay the foundation for further study."

ENGLISH III

"Basic aim of the English department at Stronghurst is to help prepare all students to exist in today's modern world in which one must have a good background in the art of communication--the ability to convey his ideas through written expression as well as verbal expression.

Stress is on writing and grammar as a student must understand the language before he can accurately express himself. Supplementing this extensive writing program each student is required to read from a selected reading list, through which he can add to his vocabulary and knowledge from the vicarious experiences of others."

Mrs. Pogue's intensive efforts have helped to bring us our improved library which, having a direct correlation with all of our courses, serves to improve our grades and our desire for better literature.

AMERICAN HISTORY

Mr. Bickell's students seldom leave his "green" room without learning about the history of our country and that of the world around us. The Berlin and Cuba crises, led by Khrushchev and Castro, provide provocative topics for discussion in democracy classes. As coach of Stronghurst's Varsity football and basketball teams, he developed modest winners and graceful losers. He instructs Driver Education and is sponsor of the Freshman Class.

"We do not teach a skill for making a better living, but means of making living better; we try to teach concern for the rights and duties of citizens of a free nation. In three or four short years our young people will be eligible to vote, to bear arms, to enter business, to create homes. They will inherit our national mistakes and problems, and will need the ability to make wise choices."

GENERAL SCIENCE

Mr. Ramage is responsible for charting the course in our up-dated science curriculum. His class of General Science, biology, and chemistry analyze subjects from orbital flights and the splitting of atoms to the gluteus maximus of a frog. As a co-sponsor, he helps alleviate the Seniors' problems.

"Ninety percent of all the scientists who have ever lived on this planet are living today. Because science is making such rapid advances, the student is taught basic ideas and concepts rather than a jumble of facts. He learns to experiment, observe, and reason."

GEOMETRY

Mr. Blasi leads students through the sign numbers of practical math, the equations of algebra, and the complex functions and co-functions of trigonometry. He also is a co-sponsor of the Junior Class.

"In the past ten years there has been a tremendous nation-wide upsurge of emphasis placed on the mathematics curriculum in high school. The new methods being employed at Stronghurst are not a complete revamping, but a gradual influx of new methods recommended by the research men in mathematics."

FAMILY LIVING

Mrs. Pearson is the leader behind these fragrant aromas that roam the halls then our stomachs are growling and our noses twitching, trains classes in homemaking, and is responsible for the adult-education classes of her department. She also serves as co-sponsor of the Senior Class and advisor of F.H.A.

"Vocational homemaking programs should prepare students for home-making responsibilities and activities necessary for achieving family well-being, help family members improve the quality of their home life through effective development and utilization of human and material resources. To teach students to think for themselves, to be good managers of time, energy and money."

TYPING

Mr. Bartlett teaches classes in personal typing, shorthand, office practice and general business. Additional duties include advising The Beacon Staff and co-sponsoring the Junior Class.

"Business education courses introduce the basic aspects of business, and an appreciation of the business man in society. In addition, the department aims at training for active, intelligent and responsible participation in business and community life."

Junior High Athletes Show Enthusiasm

Stronghurst Junior High, coached by LeRoy Hammond, has been very successful in sports during the 1963-64 season.

Our Lightweight division was fortunate to be represented in the SWEET LITTLE SIXTEEN. The team ended the season with a 16-2 record. The Heavyweights also had a winning season with a record of 15-2.

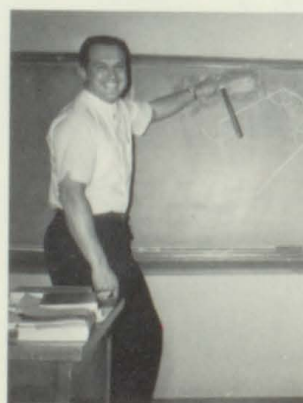

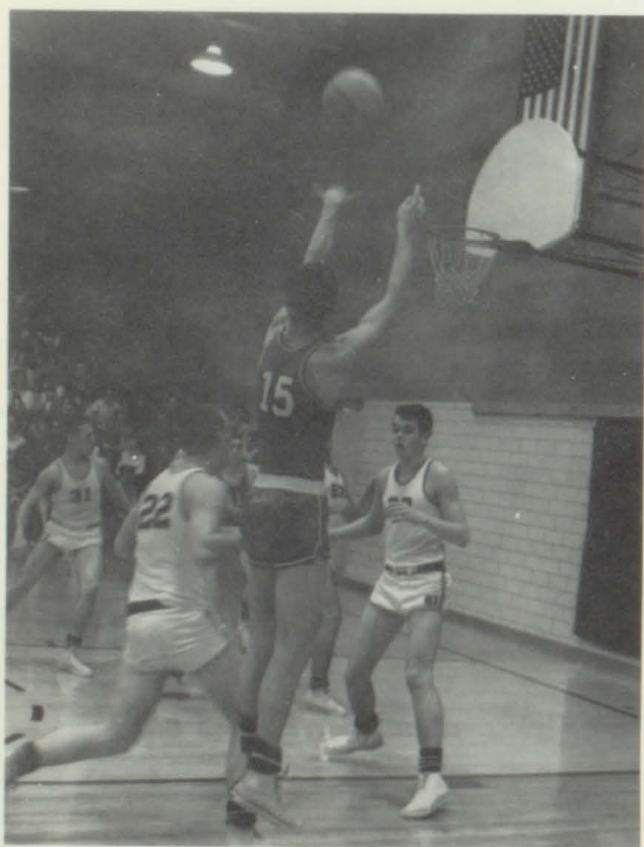

The band, chorus, solos and ensembles also did exceptionally well in their music contests. The credit must be given to the effort of these young people as well as their fine director, Mr. James Smith.

SENIORS PREPARE TO MEET THE FUTURE... AS S.H.S. ALUMNI

Graduation provided a fitting climax to a very special year.

All seats were filled and the audience overflowed into the hallway as twenty-seven Seniors proudly walked across the stage to receive their diplomas, their golden reward for twelve years of study, effort, and work.

Dr. Knoblauch, President of Western Illinois University at Macomb, spoke to the class concerning "The Free Man's Task," and honor students told of their happy memories and great pride for our school.

With tear-filled eyes we bid adieu to our alma mater.
