SCHOOL SONG

We're loyal to you, Stronghurst High.
We're purple and white, Stronghurst High.
We'll back you to stand against the best in the land,
For we know you can stand, Stronghurst High.

So be on the right, Stronghurst High
We're ready to fight Stronghurst High.
Our team is our fame-protector.
On boys! For we expect a victory from you,
Stronghurst High.

Chee! Cha! Cha! Rah! Rah!
Stronghurst High School; Rah! Rah! Rah!
Swing out that dear old flag of purple and white,
Come on, boys get right in and fight with your might.

We're all behind you, mind you,
Stronghurst will find you
Right on the dot! Now don't forget it!

Come on boys do your best
We're going to win.
We're going to show them how to take a back seat.
And when old S.H.S. has won the game--,
So do it boys we've got to win!

Yeah Purple! Yeah White!
Yeah Team! Fight!

DEDICATION

To our friend, teacher, and counselor; Mrs. Pogue, who has continually offered time, encouragement, and assistance. We consider it a privilege to have been your students and with gratitude and devotion we dedicate to you our 1965 BEACON.

A LAST GLANCE AT S.H.S.

Good-bye, Good-bye, to summer--
For summer's nearly done.

At the end of summer we come back . . . at the time of year when leaves once green with life and beauty are fading, when birds that have been a part of summer's loveliness are getting restless, when the long sultry summer nights are imperceptibly changing to those that achieve a chilly, nippy tinge just before morning, and when the summer flowers, once riotous in their profusion of color and blooms, seem to have spent themselves. It is the little in-between, down-at-the heel piece of a season, a frowsy time of year, when the once lovely maiden, Summer, has grown suddenly into a frumpish, dowdy old woman, and that gorgeous creature, Autumn, has not come with her breath-taking beauty.

It is good at such time to come back to school. Halls, long silent, become veritable beehives, humming with activity, gay greetings, laughter, noise and bustle.

What have we done, where have we been? What are we leaving now that vacation is over. Ah, many things! The lush green grasses of summer meadows where picnics were fun! The warm sun on our faces and the mild mellow wind that caressed our hair as we swam or rode horseback or just sat and watched the world around from a wooded hill, as we drank in the wonderful perfumed smell of alfalfa or ripening apples, while we thought and dreamed. High school students do a bit of both, you know.

Vacation trips, too, and of course, fun at the Fair. What's a summer without a fair? Or a boy and a boat? Or a sunbath or two? And work can be fun, too. There is a quiet satisfaction in a job well done, and a whale of a thrill in a well-earned pay check.

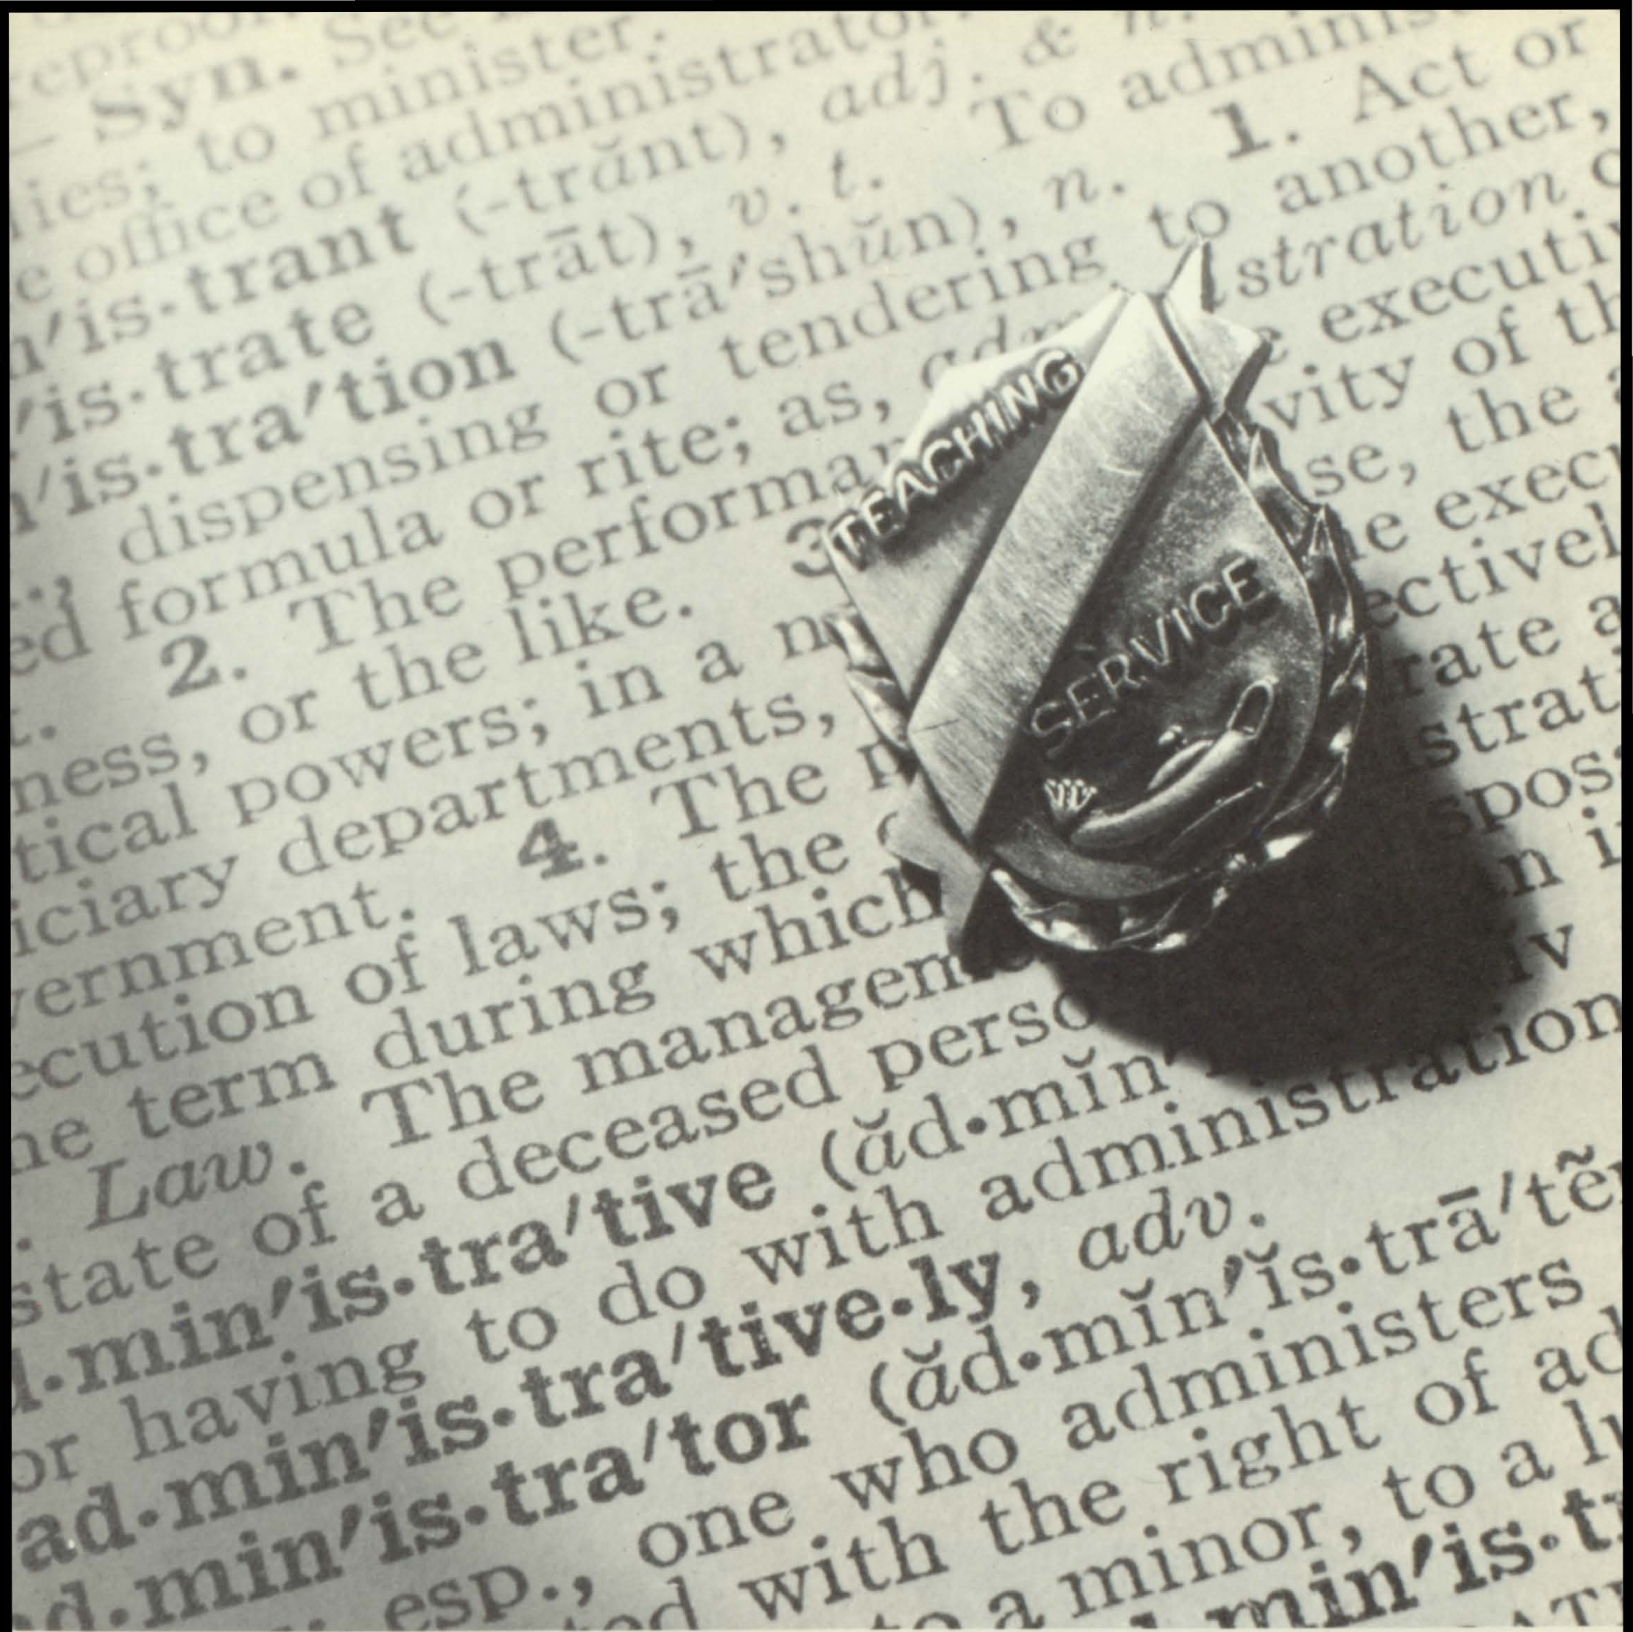

All this we're leaving at the end of summer as we come back to S.H.S. It's good to be back, isn't it? Good to see friends and teachers again, to know that once again we all have the opportunity to work and play, and learn and grow together. Yes, it's good that at the end of summer we come back!

The Beacon Club's big project is putting the Yearbook together and sending it in to be published. This hard-working, brain-racking organization is composed of the Senior class. Their job is to get pictures taken (especially the snapshots), arrange them in catagories, paste them on sheets of paper, and do all the typing of who is who in the picture. This might sound easy but the past Yearbook staffs can tell you it is quite a job and with our helpful advisor, Mr. Bartlett everything runs pretty smoothly.

One of the money making events we have had to reduce the cost of the Yearbook was the selling of magazines. Both the Junior and Senior High School participated in this project and the Beacon Club staff proudly announces that the Junior High sold the most magazines in raising money for the Yearbook.

HOMECOMING--OCTOBER 2, 1964

Homecoming activities were underway for Stronghurst High School, October 2, 1964. The festivities began Thursday night with a snake dance followed by a bonfire and pep rally at the school.

The next morning the classes and organizations were making final touches on their floats for the afternoon parade. The parade of the floats headed by the Trojan Horse and Marching Trojans went through the main street.

In the evening the football game with Media added real zest to everyone with the outcome of the game being a tie, 20-20. Everyone was in a wonderful spirit for the dance.

The seniors had carried out the theme of Homecoming, advertisements and commercials, using "For Those Who Think Young," in their decorations. Everyone enjoyed dancing to the music of the Sportsmen.

The evening's climax was the coronation of King Steve Cargill and Queen Nancy Isaacson. The attendants, Lyman Schar and Susan Palmer led the procession followed by the crown bearers, John Johnson and Chris Ford and the other senior attendants; Mike Martin, Loren Dowell, Judy Shunick and Carol White.

ORIENTAL GARDENS

Junior-Senior Prom

The final fling for the Seniors of 1965 began with the banquet held in the old gymnasium. Everyone enjoyed the meal prepared by the Juniors' mothers. After the meal a short program arranged by the Juniors was presented.

From 8:30 P.M. to 11:30 P.M. we all danced to Don Gossick's band.

The theme, ORIENTAL GARDENS, was carried out in the decorations of the gym. The stage was made to appear as a teahouse with cherry trees by the entrance.

The ceiling was made of blue and yellow streamers with Japanese lanterns and tinkles tinkling in the glow.

The Seniors are really grateful to the Juniors for providing a wonderful prom that we shall never forget.

To the Juniors--THANK YOU!

The lettermen of S.H.S. are a fine group of sportsmen. They are all small in size but GIANTS in spirit. Although a team might beat us in touchdowns they never beat us mentally or physically.

These lettermen worked hard and played hard; their reward is still to come. Next year will be the year that Stronghurst will be the power of the Conference.

Hamilton was a normal game to the seniors but to the freshmen, it was as if death, itself, was staring them in the face. We were a small team and this victory gave us great confidence in ourselves.

Remember the suckers! That was the battle cry of the Media Bulldogs but they got a surprise when we tied them at our Homecoming.

Mud, mud, and more mud was all that R.M.A. had to offer us. Our spirit was drenched by the rain and we received a good thumping both physically and morally.

Roseville was the game that everyone expected to win, but the Trojans didn't want to play football that night.

Simple mistakes lost our game at Yorkwood. Two simple double reverses cost us the game in which we put up the greatest effort.

Mistakes, one at a time, cost us more games than I care to mention. In this game Warren beat us because of one mistake in which Rodgers gained fifty yards on one play to put us in a deep hole.

LaHarpe was the disappointment of the year. We expected to win this game and we had a good chance at it but we threw it.

Union was the best game of the year. We held Union to a 13 to 13 tie. In one of the most spectacular finishes of a season the Trojans came from a score of 6 to 13 to tie the game. Then with a minute to play the Trojans about won the game on a long pass.

TOP PREP TEAM

The Trojans season wasn't a disappointment to everyone. To John Yaley it was a season of hard work, but work that paid off in the end. John was named to the KBUR Top Prep football team of the 1964-65 season. The Trojans are very proud of John and the fine job he did for us.

NOW COMES THE BIG MOMENT!

Graduation, of course. Some have had a struggle; others, an easy time of it. Some have gained much; others, little. School is like life--you get out of it just about what you put into it. Certainly all of us could have gained much more if we had always put forth our best efforts and made the most of each opportunity that presented itself for our growth and enrichment.

But for all of us, graduation marks a beginning as well as an end. We stand at the crossroads, and much of what happens to us as we travel down whichever road we choose, will depend upon the skills and knowledge, the attitudes and ideals we developed during our high school days.

EPILOGUE

"Rich gift of God! A year of time!
What pomp of rise and shut of day,
What hues wherewith our Northern clime
Makes autumn's dropping woodlands gay,
What airs outblown from ferny dells,
And clover-bloom and sweetbrier smells,
What signs of brooks and birds, what fruits
and flowers,
Green woods and moonlit snows, have in
its round been ours!"

--John Greenleaf Whittier

Yes, a year of life is a wonderful gift! Especially
when it is a school year spent in S.H.S.

Here we are, back to summer again--time for school
to be out. May this annual be a tangible memento to each
of you of your own part in that which has been a very rich
gift, indeed--The 1964-65 school year!

SCHOOL'S OUT!
