# *Beacon*

STRONGHURST HIGH SCHOOL

STRONGHURST, ILLINOIS

## *Alma Mater*

*Unto you we came.  
We fell under the spell of  
your spirit that was to guide  
us for the years we were to  
spend with you.*

*We learned the exultation of  
Victory and the desolation of Defeat.*

*These, you taught us to accept  
with dignity, and you prepared us  
for new challenges  
on a day that will come.*

*May our deeds add lustre  
and honor to your name.*

# DEDICATION

## *Dedication*

We, the graduating class of 1967, dedicate this annual to Emily Morgan who has gone out of her way to help us in everything we have done. Her hard work and smiling disposition has made our years very enjoyable. Emily, thanks again for everything.

## *Prom '67'*

The Juniors really went all-out this year. They had the Junior-Senior Prom at the Arion Club in Burlington, Iowa. The speakers at the banquet were Alan Ferguson, Master of Ceremonies, Mr. Fryrear, Jeff Fort, Junior Class President, and Darrell Burrell, Senior Class President. The theme of Prom was An Italian Night, which was carried out by posters of Italy, a fountain on the speakers table, and flower carts on all the guest's tables. After the banquet, there was a dance with the Mike Pietzch Combo, and punch and cookies were served during the dance. To all Juniors, we give a big thanks for a Prom that we shall never forget!

"What an odor!"

"It's been a hard day's night!"

Our first guy is Randy B.  
The role of a clown he fits to a tee.  
When curfew's up and it's a sleepin town  
You'll still find this boy ridin around.

Football is our next guy's game  
And from it he's won some fame.  
Our class president, Darrell is great.  
With Sherry Johnson he really rates.

Oh, where oh where could LaRoy be  
he's down at Knutstrom's estimating a Chevy.  
Writing essays in his pass time  
if you don't believe us ask him any time

If you want a boy who's quiet and all,  
just talk to Ray, you'll have a ball.  
In art he really rates an A,  
'cept he likes to draw hot rods all day.

Dennis is a real round swinger,  
He has arthritis in one finger.  
With his speech he is sublime,  
It's a shame he uses it all the time.

Junior is a real cool head  
you'd never know his first names, Fred.  
To Union he will always go,  
to see a girl we all know.

Our class is extremely lucky to have  
Our very own "Candid Camera" man.  
Randy's quick to quote and studies hard.  
This shows up in his report card.

Evanston is the place she likes to be  
Because of the many things she can see.  
The girl we're speaking of is Kathy Kenyon.  
On every topic she has an opinion.

Now we come to our next name  
And find Pam, a real brain.  
Although she is a studious lass,  
She still finds time to help the class.

A transfer from Fort Madison high,  
Donna suddenly found her guy.  
Whatever her future plans may be,  
She'll be found with Randy B.

In '59 from Carman she came,  
Sherry Johnson is her name.  
She plays the sax, she cheers the team.  
This is one gal who's on the beam.

She's very active in chorus and band  
In any project she'll lend a hand.  
She's going to college at Western this fall.  
We wish the best of luck to Janice Leinbach.

Linda has a deep, sexy boice  
From Farmington she came, not by choice.  
Now she's made friends with everyone.  
To our class she adds some fun.

This guy towers over all  
and excells in basketball.  
To our class, Rod's a friend  
for he is faithful to the end.

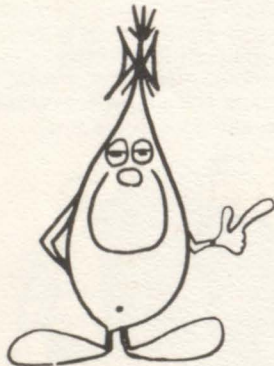

Rita's a real all around gal,  
Who's always found on the arm of Al.  
She always gets everything done,  
And has a good word for everyone.

Quick and agile as he dribbles that ball,  
To some he may seem short but to us Ed stands  
mighty tall.  
He's chosen to go to college at Maryville State.  
We hope he doesn't stay out too late!

In future years she plans to be a nurse,  
Love and care she will disburse.  
But right now Jean has a ball  
Telling jokes in study hall.

She's been a good president in FHA,  
If there's a job to be done, she'll work all day.  
After the big day of graduation,  
Jennifer plans to major in elementary education.

In drafting Rick has learned many skills,  
the role of an architect he could easily fill.  
He's gone out for sports these four years,  
when it comes to giving his all, he has no fears.

Marriage is in store for Apryl we know.  
She likes to cook and likes to sew.  
She'll be the apple of some guy's eye,  
We all hope to see her by and by.

John Stimpson's really out of sight  
to Dallas City he goes at night.  
A real hip kid in every way,  
he'll always have fun, we dare say.

Kathy's lucky day was getting her little red car.  
In it she drives near and far.  
A hairstylist she will be some day,  
We all wish her the best in every way.

Our Sweet William he tries to be,  
He's president of Student Council you can see?  
Innocent is what he thinks he is,  
But getting in trouble, he's a whiz!

In music she has always excelled,  
Sandy has accompanied our chorus, very well.  
Her witticism's are often reliev'in,  
though some of the time they're hard believin'

Kathy Wolford's short and sweet,  
To eat her cooking is a treat;  
On to business college she wants to go.  
A good secretary she will be-we all know.

Now it's time for a celebration,  
We finished the poem so tell the nation.  
We had some fun but it's been a pain,  
Just ask the poets, Kathy Kniss and Beth Crane.

## *Faculty*

"Meet me at eight!"

"She's late!"

"She's growned, methinks!"

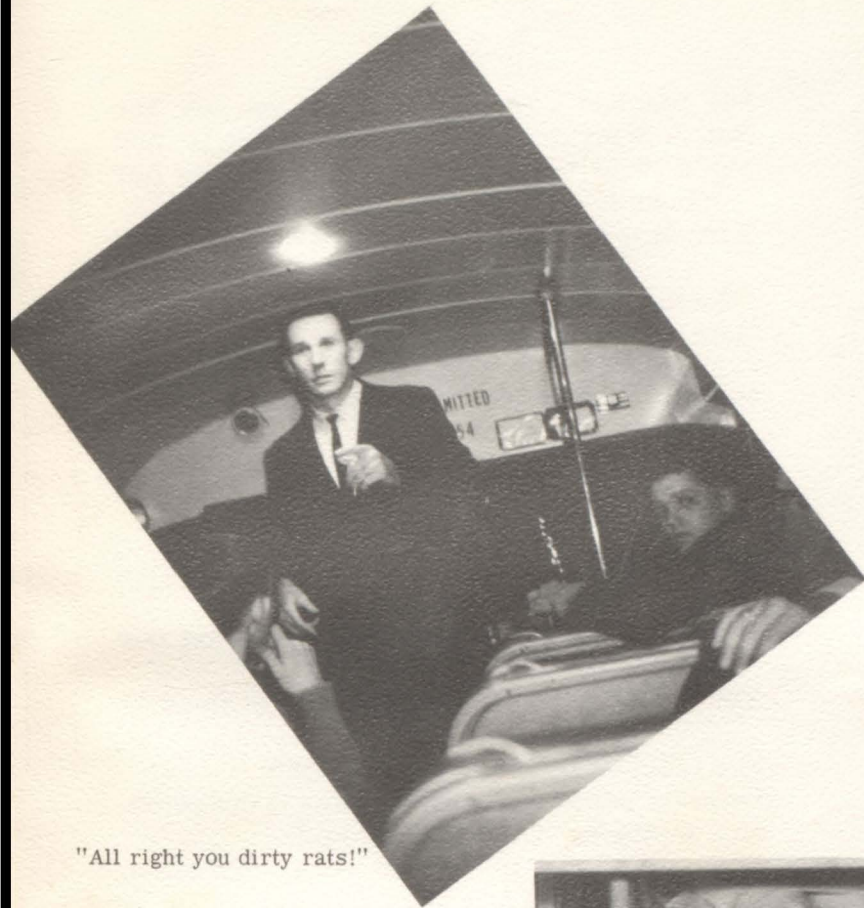

"Oh, these Monday mornings!"

"I have to perform what?"

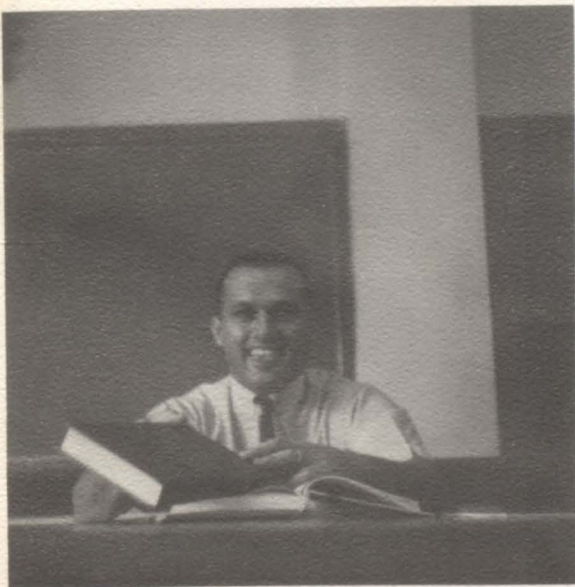

# Frolics

"All right you dirty rats!"

"Why don't you come up and see me sometime."

"Sit down and shut up!"

"Wild thing!"

Oh what would the fate of S.H.S. be  
Without the leadership of our faculty?  
A rumor we've heard, what a shame, alas,  
They all got grey hairs from the Senior  
Class!

Our new Superintendent is Mr. Fryrear.  
He's certainly made 66,67 an enjoyable year.  
Soft-spoken and kind, liked by all,  
The school will benefit if he's back this fall.

When "Daddy" left us at the end of last term,  
Mr. Abramczyk took over, with a hand that  
was firm.

He treats us great, and allows us our rights.  
It's for sure, with him, we'll have no fights.

Our assistant football coach is well-known,  
Noisy "chit-chat-chatter" he does not con-  
done.

He is tops with everyone without a doubt,  
Mr. Bavary is who we're talking about.

Math can be fun if you give it a try,  
Just ask Mr. Blasi, he won't lie!

He's a great sponsor for our noisy class,  
Outside of school, he's sure a blast!

Our P.E. teacher is Mrs. Ford,  
For her excellence in tumbling we give  
her an award.

She has taught us many valuable skills,  
But we've had enough of those basketball  
drills.

Mr. George taught at Shannon before he  
came here,

We hope he'll be at S.H.S. again next year.  
He teaches all Sciences with a flare  
And for each of his students he shows  
special care.

The Zippers are his favorite team,  
While he's coaching they're on the beam.  
At teaching I.A. he's a whiz,  
"Cause Mr. Hammond knows his "bizz".

She teaches French and Latin as you see  
But for my part they were Greek to me!  
She's head of Student Council and does her  
job well!

Mrs. Howell is one teacher we wouldn't sell!

"We the people" of the Senior Class  
Give an "A" to Mr. Keener, he made History  
a blast!

He also coached the Trojans, our great little  
team,  
And always managed to keep them on the  
beam.

Mr. McChesney has a real neat voice  
"Marvy" is his favorite word choice,  
When we don't crescendo or we forget our  
forte,  
You'll find he's unhappy the rest of the day!

She teaches both Jr. and Sr. High.  
Grading papers is how her time is occupied.  
Her motto is "If I could I would,"  
Now we have presented Mrs. Norwood.

Our next teacher is Mrs. Pearson.  
If you need help for Prom she's just the one.  
Kindness and understanding are her well-  
known traits,  
She counsels the girls on charm and dates.

A faithful teacher she has been.  
Her help to us she'll always lend  
Hamlet and Caesar were never a drag  
"Cause Mrs. Pogue's a commentary never  
lagged!"

Well now our faculty verses are done,  
And we must admit it has been great fun.  
"We hope our poem has caused no pain,"  
So say the happy poets, Kathy Kniss and  
Beth Crane.
