Maria Davila is from Cali, Colombia. She is eighteen years old. During her stay here she lived with Mr. and Mrs. Don Zurmuehlen and family, Gladstone, Ill., Mr. and Mrs. Jon Graham and family, Biggsville, Ill., and Mr. and Mrs. Don Dehner and family, Biggsville, Ill. She was active in G. A. A. and Spanish Club. Maria's opinions of her visit were that she really appreciated the opportunity to come here and know the life of the U. S. through the people's attitudes and she's very grateful to everyone who gave her their sincere friendship and understanding. About her families, she wishes to say that each one of them made her feel like one more member of the family, considering and respecting her ideas. Through this, she was shown that she was accepted in any activities they participated in and she loved everyone, even though she moved around. She is aware that the best way to meet people is sharing with them their lives. Maria would like to give her sincere thanks to teachers, students and her families.

Student government is sometimes guilty of not accomplishing meaningful projects for the people they represent--the students. But this was not the case for the 1973-74 Student Council under the leadership of Steve Tomey and Rod Slover. Their list of projects was long and impressive. To start, brightning up the old concession stand with a new coat of paint before selling refreshments at the football games. The council sponsored Home-coming Dance, Victor Vice Dance, Winter Dance and Spring Turnabout. If the music wasn't enough at the dances, they cheered up the lunch room with a new tape player. And if lunch wasn't enough, they sold candy during the lunch hours! Basketball season saw more council members selling refreshments and still more volunteers for the Slave Auction sponsored for Track. Perhaps the most important accomplishment the council made was sending two members to the Board meetings. Last but not least, we cannot forget all those exciting activities they dreamed up for us before Winter and Spring vacations. What would happen if... goldfish conquered the world, Bruce?? Or if Merle liked cream pies!?!

This year the Yankee Band participated in the Prime Beef Festival Parade in Monomouth, Western Illinois University Homecoming Parade, and the Burlington Holiday Parade. We also provided Pre-Game and Half-Time music and marching drills at the four home football games, besides pep music at the home basketball games. At the Bi-County Band Festival the clarinet choir performed one of the special numbers on the program. The solo and ensemble events at the state music contests did quite well. We also performed several numbers at the National Honor Society assembly. Our Spring Concert, Graduation Ceremonies and Memorial Day Services finished out a very busy year for the Union Yankee Band.

On Thursday, April 4, the National Honor Society of Union High School tapped in fourteen new members. They were: Senior--Karen Peterson; Juniors--John Darrah, Kathy Carner, Kevin Booten, Jeanne Graham, Diane Meyer, Leigh Olson, Barb Stevens, and John Wegman; Sophomores--Mary Allaman, Tim Allaman, Annette Kobus, Janice Stoneking and Ann Zurmuehlen.

These students were recognized and thus inducted due to outstanding achievement in four areas: character, scholarship, leadership and service.

Both the Union High School Concert Band and the Madrigals performed during the course of the program. Speeches were given by the four current members of the National Honor Society--Deb Heller spoke on scholarship, David Koopmans on service, Betty Perry on leadership, and Janice VanTine on leadership. William Watson extended a few closing remarks.

Janice Stoneking (captain), Ruth Gibb and Tina Decker cheered the JV Football team on in '73. Then because of bad knees, Tina was replaced by Donna Dehner for the entire Basketball Season. Janice, Tina, and Ruth attended a clinic in Burlington one day where they learned several new cheers and a pompon routine. In competition they placed 2nd against many large schools. All four girls took part in the preparation of pep rallies and money earning projects.

-- Ann Melvin and Jeanne Graham.

The summer of 1973 found 6 varsity cheerleaders working to get ready for the upcoming seasons. They attended a camp in Rockford, Ill. for 5 days. They brought back new mounts, acrobats, 2 pompon routines and many new cheers. The rest of the summer they held practices, went to acrobat lessons and pulled weeds out of beans. It was a challenge and a big step from Freshman and JV squad to varsity. Many problems arose but, were somehow ironed out by our sponsor. Cheering is easy in a winning season but, when your score is down so is your enthusiasm. By the pep and excitement of the cheerleaders and players, the fans didn't let it stop them and kept right on rootin' for the Yanks.

1973-74 Sophomore Basketball Season:  
The Sophomore basketball team had a good season, posting 15 wins and losing 8, with all of these being close games.

The team members were: Ed Sharp, a young man of 6' that should develop into an outstanding player his senior year. He was picked as the most valuable member of his team. Another fine player was Phil Torrance, who did an excellent job on the boards and was one of the leading rebounders. Phil is 6'3" and still growing. One of the most improved players on the team was Rick Ferguson, who has a deadly eye when it comes to his shooting. Rick really came around toward the end of the season. Sam Bigger with his outstanding outside shooting did a great job the entire season. Brad Clark, the little man on the team was a giant as the teams playmaker, and by the end of the season had also developed a good outside shot. Other members of the team were Rick Bigger, Steve Lox, David Spurlock and Matt Gray.

Union Freshmen Basketball team compiled a 12-6 record on the A level and 0-6 on the B level. We also played fourth in the Monmouth Freshmen Tourney against larger and taller schools. We tied with Warren and Dallas City for first in our First Annual Freshmen Tourney.

Members of the team are the following: Mike Thompson, Buck Link, Kurt McChesney, Warren McGriff, Scott Rhinehart, John Peterson, Mike Alecock, Roger Richardson, Kevin Rice, Joel Peterson, Don McVey, Tom Bishop, Roger Ruse and Manager Brad Inghram.

Buck Link (274 points) lead the team in scoring by a narrow margin over Warren McGriff (255 points).

Mike Thompson lead the team in rebounds (179); but due to our lack of height, all the players had to fight for rebounds. Buck Link, our leading playmaker, had 71 assists. Kurt McChesney a good ball handler followed with 41 assists. Buck Link earned the Most Valuable Player Award. Due to our size, we became a pressing team. Many a game was won

What nice teeth you have! by the margin of turnovers in a game. We feel Union will have a good team the next three years, if all the freshmen, sophomores and juniors that are out this year stay out in their remaining years.

Top Row, SENIORS: Miquel Galvan, John Carner, Terry Krow, Dan Millar, Kevin Shauman, Mike Torrance. Second Row: Rod Slover, Don Mickey, Bill Seitz, Kevin Barker, John Wegman. Bottom Row: Sam Bigger, Bob Koopmans, Terry Meyer, Scott Rhinehart, John Peterson and David Spurlock.

Union track practice started on March 4, 1974, with twenty-five prospects reporting to Coach Sterett, including lettermen Terry Krow, Dan Millar, Rod Slover, Kevin Shauman and John Wegman. Mike Torrance and Bruce Ruberg were out due to injuries. Among the prospects were freshmen Bob Koopmans, Terry Meyer, John Peterson, and Scott Rhinehart, and all four were still with us when the season ended on May 21, following the Ft. Madison Relays. Our first meet was on March 8 at W. T. U., with Rod Slover and John Wegman participating. Rod placed third in the triple jump with a distance of 38' 11-3/4". We also participated in 13 other meets this year, and had one dual meet with Notre Dame cancelled on us twice, due to weather. (The 1974 season had to be one of the wettest in Union Thinclad history.) Overall, we scored 444 points, some of which were in rather large meets. One of the most memorable, and the wettest, was the Bi-County Conference meet at Roseville, where we placed third, but only missed winning the title again by 2-1/6 points. (Warren had 59-1/6, Southern 58, and Union 57.) On May 17, the District meet was held at Galesburg, and Rod Slover qualified for the State meet in the long jump with a jump of 21' 10", for second place, only 1/4" behind the first place winner. On May 23, Rod and Coach Sterett left for Charleston, Illinois, where Rod was to participate on May 24. On May 27, a Track Banquet was held at the Oquawka Dinner, and the following boys were awarded letters: Kevin Barker, Sam Bigger, Terry Krow, Don Mickey, Dan Millar, John Peterson, Kevin Shauman, Rod Slover, John Wegman, and Bill Seitz. Miquel Galvan, our exchange student from Mexico City, and Jeanne Graham, manager and statistician, were also awarded letters. Rod Slover was presented the Annual High Score Award for a total of 135-1/4 points. Three school records were broken this year. Kevin Shauman broke the discus record with a throw of 132' to better the old record of 127' 10" set in 1964. Rod Slover broke his own triple jump record with a new distance of 40' 4", and he hopes to better it next year. Rod also established a new record in the 330 yard low hurdles with a time of 41.5 seconds. At the last meet of the year (Ft. Madison) the relay team of Dan Millar, Bill Seitz, Rod Slover, and John Wegman set a new record in the mile medley with a time of 3:53.6, bettering the old record of 3:56.2 set in 1971. Rod Slover also set two records this year in the Bi-County Conference meet on May 7, with a time of 42.9 seconds in the 330 yard low hurdles, and a distance of 39' 11" in the triple jump. He also broke the long jump record in the Roseville Relays with a leap of 21' 11-1/2". On May 24, at Charleston, Rod jumped 21' 9" to place 10th in the State of Illinois.

If I can just get that other leg up!

Look, no hands!

Up, Up, and Away!

Watchful eyes of Coach Sterett.
