

There are some forests that I haven't known
Some tree trunks I've never wrapped my legs
around and climbed.
A million branches I might have slid down,
had I had the time.

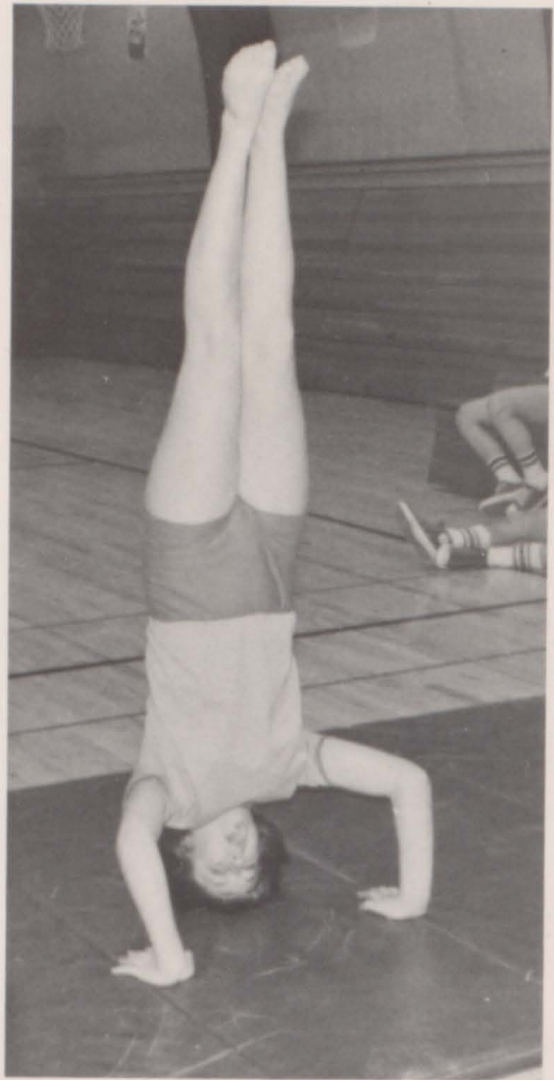

The senior class of '75 would like to dedicate this
annual to the memory of one of its classmates, Victor.
Bryant Vice, who died of leukemia Sept. 29, 1974.

STOTTS SHOPPING CENTER

OQUAWKA, ILLINOIS

The Union High football team started out with high hopes. We got ready for the first game, but the day before the game we had a little incident where 3 young men came flying out of the locker room without a stitch of clothes on (in common language called streaking). We played football that night and lost a heartbreaker to Hamilton 18-12, but it was a non-conference game so we did not lose hope. Then we played Westmer and beat them. We thought we were on our way then. We started conference play at Roseville and smeared them 45-6. We next played a tough one in LaHarpe and won 14-6. Then we were sailing. We bombed Yorkwood 39-6. Then we were 3-0 in Bi-County conference play. The Friday of the Warren game it rained. In the type of football we played this year, called single-wing, the rain is a bad thing. The snaps from center were hard to handle and it killed our passing game. As a result, we lost a poorly played football game by the score of 14-6. However, we aren't using the rain as an excuse, though it may sound that way. We lost the game on mere stupidity. Then we traveled to Avon and came out smelling like roses with a 24 all-tie. Then we were 4-2-1 overall for the year, and at 3-1 still had a chance at the conference championship. However we still had to beat Northwestern and Southern to do it. Then it happened. All our dreams went out as Northwestern upset us 13-8. The team lost a lot of its spirit, but like in years past, go up for the Southern game. We had an upset at half, 8-6, but we lost the game at the end 27-8. We had a fine year, a 4-4-1 and if it had not been for a new poor games we played we very easily could have been conference champs. We had a great year, turning out 5 all-conference players for the first time in the schools history. Good job and congratulations Union High football team.

Hike! I said hike the ball!

BURLINGTON, IOWA

On May 27, 1975, the Union boys track squad was honored with a potluck meal in the Union High School cafeteria, along with the Union girls squad. The Union thinclads scored 638 1/2 varsity points during their '75 season in 14 meets, plus the W.I.U. Invitational and the State Meet in Charleston. The Fr/Soph members had also participated in this division in the Bi-County. Overall the squad placed 2nd in the Keokuk Relays in Class C, 2nd in the Bi-County for the second year in a row, 4th in the Roseville Relays out of 14 schools, and 4th in the District Meet out of 23 schools, beating the closest Bi-County school by 13 points.

Carrying the bulk of the load for the Yankees were John Wegman and Rod Slover, both of whom earned varsity letters in track all four years at Union, and were members of the freshman squad that won this Bi-County division in 1972, and of the team that won the varsity Bi-County meet in 1973. During his four years, John Wegman earned a total of 311 1/2 points for Union, with 141 3/4 point earned during the '75 season. Rod Slover earned a total of 493 1/2 points for Union with 237 1/2 points being earned this year. Rod also became the all-time high score for Union, surpassing the previous record of 204 1/4 points set by Lyle Smith, another hurdler and long jump, in 1972.

In the records department, Rod Slover broke his own long jump record of 21' at the Yorkwood-Warren Relays with a leap of 22'2". At the same meet he broke the 330 yard low hurdle record of 42.3 seconds with a winning time of 41.2 seconds. The previous week at the Keokuk Relays, Rod set a new 180 yard low hurdle record of 22.1 seconds, and a new long jump record of 21'9". At the Bi-County Conference Meet, Rod bested his own triple jump record of 39'11" with one of 40'8". And his own 330 yard low hurdle record of 42.9 seconds with a 40.5 seconds.

In school records, Rod tied the 100 yard dash record of 10.2 seconds set by Lyle Jones in 1973, bettered his own triple jump record with one of 42'3 1/2", and better his 330 yard low hurdle record several times, finally ending with a 39.78 seconds set in the State Meet. John Wegman broke his brother Dave's mile run record of 4:47.3 with a 4:42.3 and, in a once-is-enough run at the Fort Madison Relays set a new 2-mile run record of 10:33.4 to replace the 1967 record of 10:34.6 set by Russ Jones when he won this event in the District Meet to advance to the State Meet. At the Roseville Relays the team of John Carner, Terry Coursey, Rod Slover, and John Wagman broke the Mile Medley Relay record set last year, with a winning time of 3:53.3 minutes.

On May 16, John Wegman won the high jump at the District Meet to advance to the State Meet, and Rod Slover won the long jump, the 330 yard low hurdles, and placed second in the triple jump to advance to the State Meet in all three events--a first in Union's history. The following week at Charleston, John and Rod participated in the Class A State Meet, where Rod placed 3rd in the long jump with a leap of 22' 1/2"--a nice finish to a high school career.

At the May 27 potluck, John Carner, Terry Coursey, Rod Slover, John Wegman, and Fernando Humphrey were awarded varsity letters. Other members receiving awards were Charles Bailey and Terry Meyer--back patches--and Sryan Tee and Bret Thye--numerals.

Now boys, they're not THAT fast!

Terry, they're close behind.

Skills For The Future

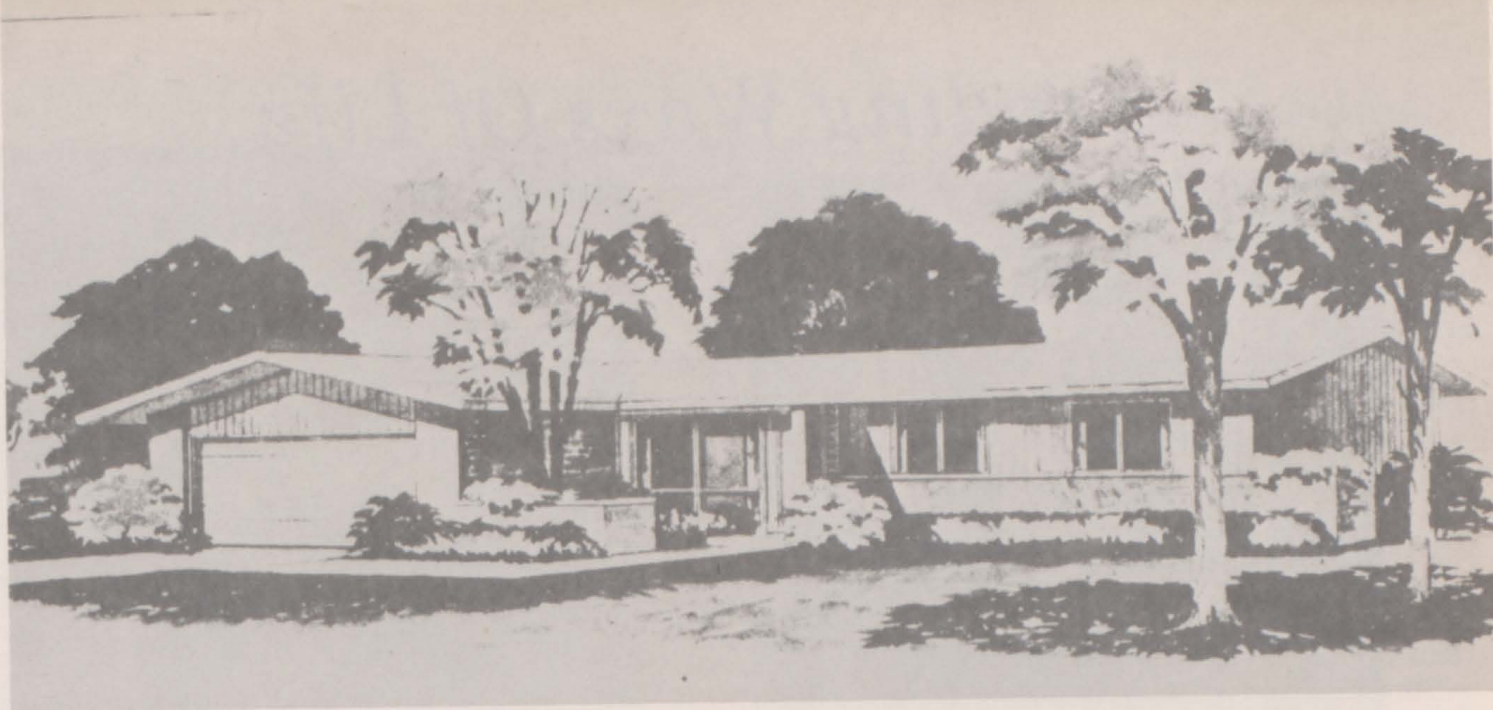

Too many hands in the carburetor!

I've heard of Jack-in-the-box,
but never a Terry-in-the trunk!

The 1st phase of the house consisted of the excavations, footings, foundations and framing of exterior walls. The roof was constructed of pre-assembled trusses and the asphalt roofing is completed. The windows, doors and exterior siding were installed. Rough landscaping work was provided by the Vo-Ag department and will be completed next spring. The building trades class consisted of the following: Sam Bigger, Don Bothwell, Bill Hurka, Don McVey, John Miller, Dan Pirtle, Bob Ramsden, Bill Seitz and Kevin Slover.

We wish to express sincere thanks to all who have been of such great assistance, especially Ray Shafer, Contractor of Biggsville, Gene Ray of Biggsville Plumbing and Heating, and Don Schisler of Schisler Excavating of Roseville who donated the basement excavation.

Trading Ways Of Life

Fernando J. Humphrey was one of our exchange students this year. He is from Torreon, Coah, Mexico. He stayed with the George Torrance family, Gladstone, Ill., and the Henry Perry family, Gladstone, Ill. He participated in football and track. His favorite classes were communications, Practical English, and Spanish. His favorite teachers were Mr. Rose and Mrs. Dempsey. He liked attending the basketball games, school plays, and the dances. His favorite food is pizza. During his stay he took a tour to New York and Washington and he enjoyed it. He plans to study Business Administration at the "Instituto tecnologico de Estudios Sueriores de Monterrey", in Monterrey, N.L. All in all he liked this country and loved its people. He will remember his stay here forever and he plans to come back someday again.

Marco Antonio Passadore from Sao Paulo, Brazil, was another one of our exchange students. During his stay he lived with the Robert Gray family of Gladstone, Ill. He said Union was nice and his favorite class was study hall. He said he liked all the teachers. He liked living here in the United States, especially the farm life. Upon returning home he plans on going to college to study agriculture.

Monica Jones, from Mexico, was another exchange student. She visited the United States from September until December. During her stay she lived with the Don Zurmuehlen family of Gladstone, Ill.

GAA has done many things this year. We have had a weiner roast and our annual organizational meeting. Bowling was enjoyed by many of the girls and a few participated in the bowling tournament. The ski-trip was again held at Chestnut Lodge. Volleyball and archery were enjoyed during the noon hour. Most that have participated will tell you that this has been an enjoyable year for GAA.
