## *Behind It All*

## *Head Hauncho- Mr. Alexander*

My first year as principal of Union High School has been an enjoyable and rewarding experience for me. As with all individuals coming into a new job situation, there is much to learn about the school, the community and its' people. During the past school year I have been most concerned with learning about the students here at Union, the faculty and the educational programs that we offer. In thinking about the 79-80 school year I have come to the conclusion that we have much to be proud of. Most of our student body is aware and caring as a group. As individuals I believe they care about what their future will be and work hard at school in order to attain the best possible future for themselves. Our faculty is also concerned about student welfare and in helping each student attain their future goals. We offer a well-rounded educational program for a school our size, which can help prepare a student for either college or a career vocation. The opportunities are here, if students want to take advantage of them. In the future we hope to continually change for the better. For now, we here at Union have much going for us. Be proud of it!

This year the Ad Drive was held on September 17. We departed from the school around 9:00 a.m. and were given strict orders to behave ourselves. When we had returned to school around 3:25 p.m. we had over 350 ads from just an eight town area. We made over \$2,000.00. It turned out to be a very successful day for the yearbook.

The Union FFA chapter's Building Our American Community (BOAC) project for this year has been working with the Henderson County Humane Society. These two organizations have banded together to construct an animal shelter for Henderson County. As a fund raising activity for this project the FFA chapter has sold rose bushes.

The chapter has also been working on its Heritage project. As soon as legal matters are cleared up, we will be tearing down a barn in Biggsville, and erecting a livery stable similar to the one that stood many years ago. This will be a two year project, and we plan to have it completed by the spring of 1981.

Dean Devore, Chapter President, has been chosen as Section 4 Foundation winner in the Outdoor Recreation area. He won this award by working and keeping records at Devore's Marina in Oquawka. This year's winner of the DeKalb award is Ken Allaman. The DeKalb award is given to encourage students to excel in three areas; scholarship, leadership, and supervised agricultural program.

This year's Parliamentary Procedure Team came away with 3rd place overall. Dean Devore was the first place chairman, along with Ken Allaman, first place floor member, and Robert Tippet, fourth place floor member.

We also held our first annual slave auction this year. Our alumni sponsored this project, and members were sold to local farmers to work for eight hours at a set price per hour. The auction was a great success, with approximately 20 members being sold along with Mr. Faulkner. Our sincere thanks goes to everyone who made this year a success.

1979-80 Twirlers are Amy Jake, Brenda Clark, and Kim Klossing

During the 1979-80 season, the Union High School Majorettes consisted of Amy Jake, Brenda Clark, and Kim Klossing. This summer the girls attended a baton camp in Monmouth for one week and they learned many new routines. The girls also marched in two parades: the Monmouth Prime Beef Festival and the Biggsville Homecoming Parade. Along with the Drill Team and the Flag Corp., the Twirlers entertained during all half-time activities for U.H.S. football games at home.

We attended Golden Eagle camp at Knox College in Galesburg. We learned 12 new floor cheers and lots of sideline cheers during those 3 days. We also received red & blue ribbons for performing these cheers.

We've had a great year. A big Thank-you to the fans and supporters who made it a terrific year. Most of all Thank-you to our J.V. Basketball Team. You're Great!

Last summer the squad traveled to the University of Illinois in Champaign, where they attended a cheerleading camp for 4 days. It was alot of fun and hard work. The girls learned a number of new cheers and floor chants. This past year the squad has come a long way from where they started, but only because of hard practice and supportive Union fans.

Next time Tim, shoot at our basket!

Why don't you give *me* the ball!

The 1979-80 Fresh-Soph basketball team finished the season with a 16-6 record. Included in the season was a second place finish in conference and a third place finish in the Yorkwood tournament. We tend to believe whatever success we had was based on defense, rebounding, and team work.

Our defensive leaders were Brad Lindo and Ed Simpson, although everyone had to contribute for a total team effort. We outrebounded our opponents by a total of 254 rebounds with Ed Simpson pulling down 256 for the year. Tim Johnson led the team in assists with 91 and also directed our offense. On offense we had two players average in double figures and a total of five people average five or more points per game.

Over the season we thought that if we could have maintained our consistency and our aggressiveness for a longer period of time we could have improved on our finishes in the conference and the tournament. This team has the potential to be a fine varsity team but it will take hard work during the summer.

The Union boys thinclads ended a successful 1980 season with 22 members, of which 14 members earned enough points to letter in addition to meeting the other requirements. Two new school records were set: Cliff Dunn broke the high jump record with a jump of 6 feet 1 inch (1.8542 meters), breaking the record of Steve Wegman set in 1971 of 6 feet, while Marty Gall set a new pole vault record of 13 feet (3.9624), breaking the record of 12 feet 6 inches set by Rob Eckley in 1978. The boys first meet was the W.I.U. Invitational, in which Terry Cook, Marty Gall, Cliff Dunn, Jeff Johnson, Brian Lindo, and Brad Sterett participated, and Marty placed fifth in the pole vault. The final meet of the season was the Ft. Madison Relays, held on May 20, 1980, and in between were 13 other meets, including dual meets, a triangular, and a number of Relays, in addition to the Conference Meet.

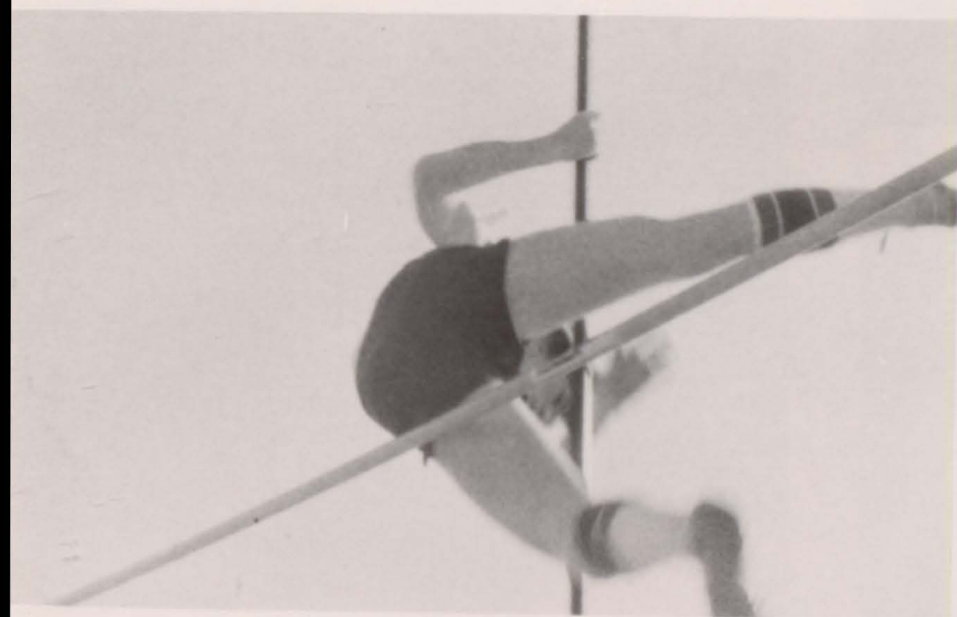

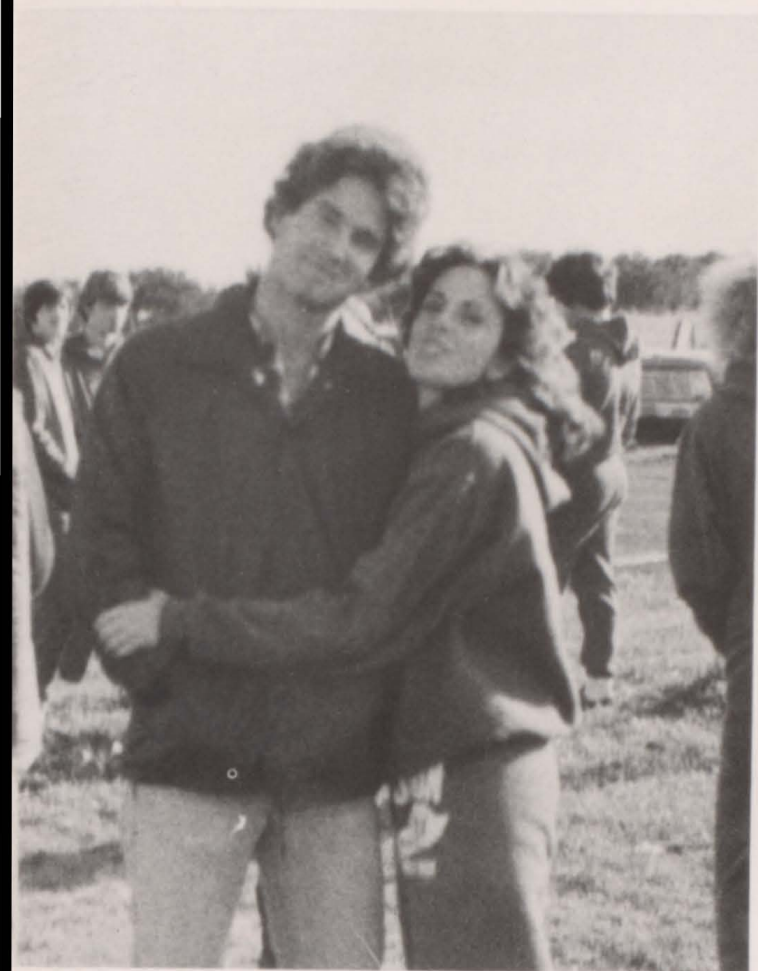

Four of the squad members — Marty Gall, Jeff Johnson, Brian Lindo, and Brad Sterett — had been out for track all four years, and completed their final season; one of these young men — Brian Lindo — had lettered all four years. The other three had lettered for three years, as did Terry Cook, and Cliff Dunn, each of whom had been out for three years.

Since the boys track season was not over when the Annual Awards Banquet was held, letters were awarded at an Awards Day held at Union High School on May 21, 1980. Those receiving letters included freshmen Steve Bielser, George Olson, and Darren Tee, sophomores Brad Lindo and Jim McClintic, juniors Joel Johnson and Jon McGraw, and seniors Terry Cook, Cliff Dunn, Jeff Johnson, Brian Lindo, Brad Sterett, and Russell Torrance, plus Sarah Prater as Statistician. In addition, sophomore Shane Lewis received a patch.

Highlights of the 1980 season included Cliff Dunn winning the Class C High Hurdles at the Keokuk Relays, Marty Gall winning the Pole Vault at the Carthage Relays and setting a new school record, and later winning the same event at the Aledo Invitational tying the meet record, and again at Bi-Country Conference Meet held at Union, Cliff Dunn winning the Triple Jump at the Bi-Country Conference Meet and the High Jump at the Aledo Invitational, the freshman relay team of Steve Bielser, Brian Getting, Troy Simpson, and Darren Tee placing second in both the 440 and 880 Freshman Relays at the Roseville Relays. Naturally there were other highlights, such as edging out Yorkwood in a dual meet by 71 to 70, for the second year in a row and beating Warren 85 to 60. 1980 was a good season for the Yankee boys thinclads.

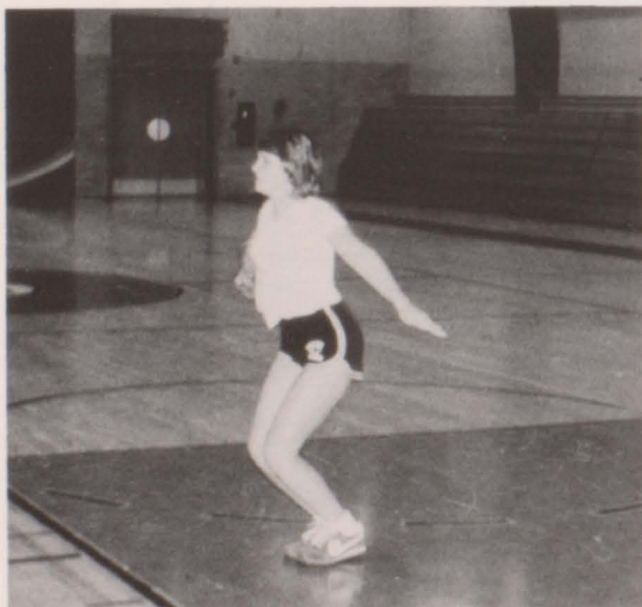

How do you work this thing?

Other competitors for King and Queen were Lisa Stevenson and Russell Torrance, Karena Gibb and Brian Smith, Ken Allaman and Marty Gall. Forward March  
 For four long years  
 We've marched these  
 halls,  
 With well-stacked  
 lockers,  
 And Pea-green walls.  
 We've cheered touch  
 downs  
 And attempted free  
 throws.  
 Set some sport records  
 And put on some shows  
 We've been UNION  
 YANKEES  
 And like soldiers in  
 parade.  
 We've marched to the  
 drum beat of  
 School every day.  
 But now the time has  
 come  
 To close our locker  
 door  
 We march again-but  
 in seperate ways,  
 To see what life has  
 in store.

As I sit, looking into the mirror of time,  
A Remembrance of the familiar classes, sounds,  
and smells and days gone by . . . .

The bell rings,  
The students rush  
To keep from being  
Late for lunch.  
The doors close  
Along the halls,  
Once in a while  
A teacher calls.  
The bell rings,  
The students go to have some fun:  
The teachers constant warning,  
Don't run!  
The bell rings,  
The students are dismissed.  
they meet their friends  
To discuss What they might have missed.  
And so ends another day!  
"Goodbye, school!"  
We will never pass this way  
Again.

I, Ken Allaman, being of sound mind and body, do will and bequeath my band uniform to Patti Ricketts in hopes that she will grow into it. To Derek Simmons, my ability to sing and play the trombone, and to Dean Devore my faithful wives. Finally, I leave my highest regards and respect to the faculty and administration of U.H.S. for all the thankless jobs they do.

I, Debbie Anderson, do will and bequeath the following items to these people: To my little sister, Theresa, I leave my smile and friendly attitude in hopes that she will use it right away, so that maybe we can see a smile once in a while instead of her daily frown. To all future model office and office machines classes I leave my outstanding ability to have patience when a certain teacher (T.F.) brings in so much work, to do in so little time. And last but not least to all future married students, I leave you this warning "always bring an excuse after you've been absent 'cuz if you don't you'll get a big fat "O".
