# THIS ONE'S FOR YOU

We are dedicating our yearbook to Earl Johnson, our head custodian. This will be his last year at Union High School. Earl has driven our buses and done general maintenance around the school for fourteen years. He enjoys the work and he told us the thing he likes best about Union is the sports program. He is a familiar face to all. We will miss him and all the things he has done for us at Union.

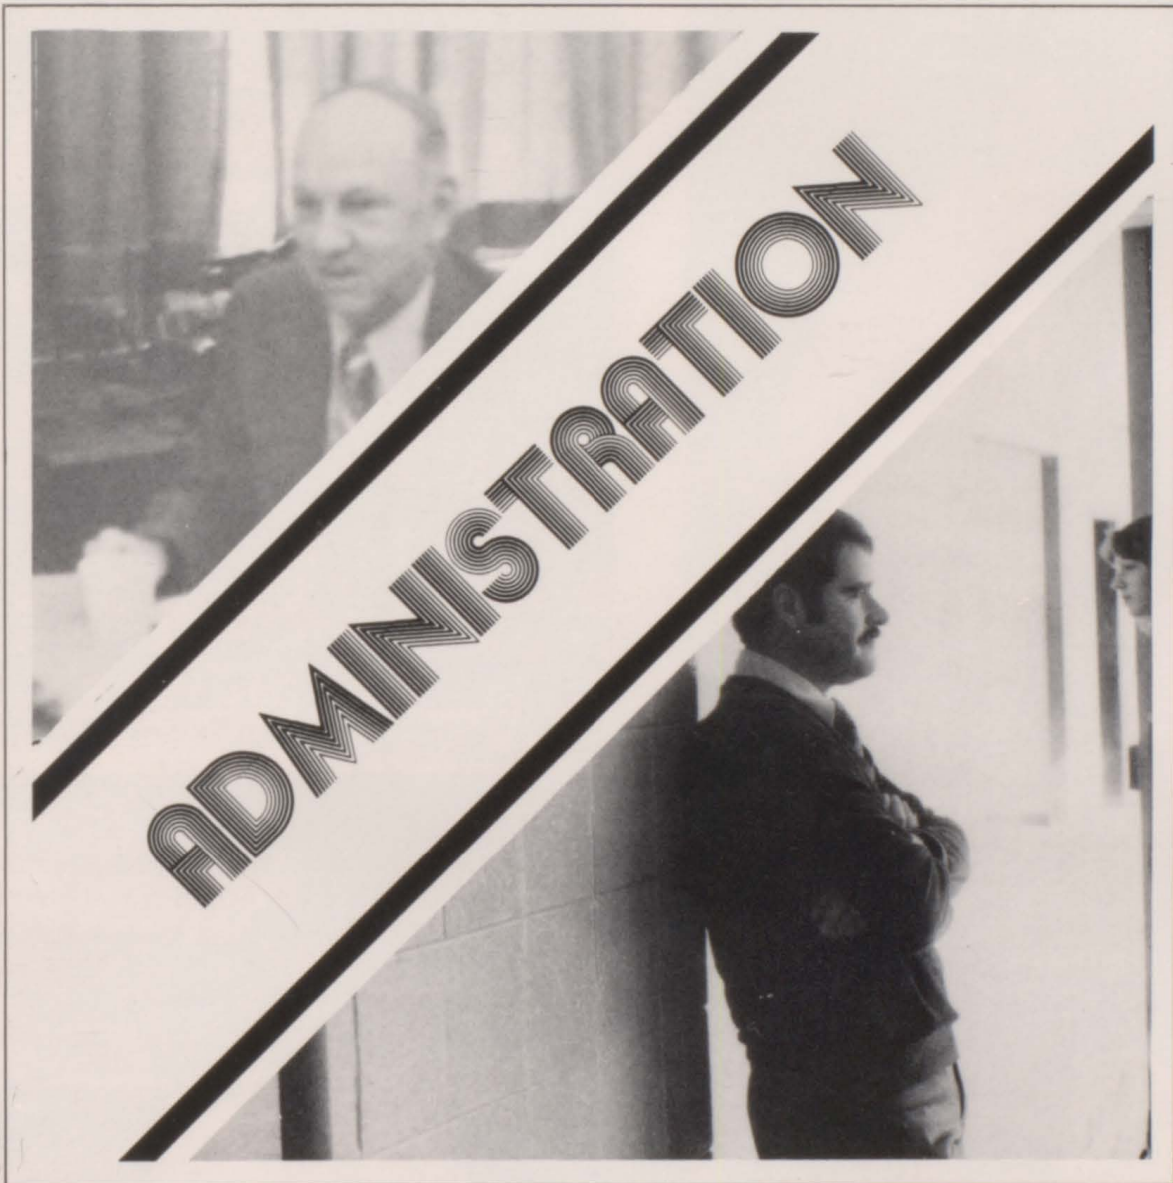

# FOR THE RECORD

In each generation, music has been a significant part of society. Here at Union High School, music has been a big part of our lives. We decided to use song titles as the theme for the 1980-81 yearbook. We hope you enjoy it as much as we have enjoyed creating it.

# STUDENT COUNCIL

This year's Student Council consisted of many fine, young members. Everyone worked hard towards all of the activities sponsored by the Student Council. Movies were again offered to break the monotony of everyday student activities. Our biggest project this year involved the funding for a computer. This computer is going to be used for many things, but its main purpose is to get a basic course for computer usage started here at Union. Many faculty members, and the Student Council, felt that this is a worthwhile goal, because with the world changing as it is, more and more occupations require the use of computers.

The Student Council is a great organization which lets the student give a voice in some school policies. I do not know what is in store for next year's council, but I know that the members could use your, (the students'), ideas and support for whatever is decided. Finally, I would like to thank all of my fellow classmates and the faculty members who made this year a memorable experience for me.

Sincerely,  
Bill Hall  
1980- 81 Student Council President

The U.H.S. Show Choir, formally the Madrigals, has changed styles the last 2 years. We've gone from Medieval Ale Hall Music, to more contemporary music, often adding instruments and dance steps while singing. Once a member, you stay a member until graduation

This year the Show Choir performed several times for different groups, the Biggsville Community Club, the J. I. Case Christmas Party, the Henderson County Pork Producers, also we prepared music for the Christmas, and Spring Concert, and Solo-ensemble contest.

This group prepares all the music they use during homeroom every day. Also we often meet after or before school and on vacation days.

The Show Choir, in short, is a super-group of people who sing and enjoy doing it.

## SOUND OF MUSIC

The band program at UHS was very successful this year. During the fall we played at every home game, breaking away from the traditional lines and angles, and using more arcs and circles. On Saturday, October 18th, the band arrived early at school to board the bus to Macomb to march in their homecoming parade. Our efforts were greatly rewarded when the announcer said, "Second place, Division II Union High!" Overall we placed fifth in competition with such schools as Morton and Rock Island.

During the second half of the year, the band presented a Christmas concert which was recorded and later played on the radio, we prepared music for contest, our Spring Concert, and the Bi-County Band Concert. Also during this time we played at every home basketball game, for an additional twist, we divided our 70 member concert band into 35 member pep bands, and alternated games. Also we played at the Iowa Boys State Basketball Tournament.

Finally, thanks to a lot of hard work and the school board, we secured the funds to replace our aging uniforms. Through candy sales, running the concession stand at boys basketball games, and other fund raisers, the band, chorus and the band boosters, raised over 1/3 of the money, well over \$5000. I want to offer my thanks to the band boosters, the parents, and everyone who supported the band this year, for making it a very fine year.

# SEND IN THE CLOWNS

Toy Shop, a Dramatics Club production, is a Christmas pantomime depicting Santa Claus and the various toys in his workshop. This program is about an hour long and is presented to the surrounding area elementary schools: Biggsville, Gladstone, Oquawka and Southern. Each member of the Dramatics Club costumes as a toy and acts out that toy, using a musical background. This activity is quite popular with the elementary students and affords the high school students an opportunity to wish them a Merry Christmas.

## OLD MCDONALD

The Union FFA Chapter's Building Our American Community (BOAC) project for this year has been working with the Henderson County Humane Society. These two organizations have banded together to construct an animal shelter for Henderson County.

The chapter has also been working on its Heritage project. The chapter will construct a livery stable similar to the one that stood many years ago. We plan to have this project completed by the spring of 1981.

The FFA chapter has made the Ag shop a safe place to work. They have put up safety signs and have designated where all of the fire extinguishers are. We put up signs in the small engines and welding shops. The FFA purchased a first aid kit for all injuries that might occur in the shops. Our sincere thanks goes to everyone who made this year a success.

Union competed in an area with Galesburg, Monmouth, Quincy Senior High, Quincy Notre Dame, and Bushnell-Prairie City.

The final standings within our own club competition were as follows: First-Bill Hall; Second-David Minard; Tie for Third-Patty Cochran and Alan Lukens; Fifth-Derek Simmons.

Strong showings on the various contests by Teri Minard, Robin Higdon, John Prater, Bill Pirtle, Greg James, Penny Linnenbrink, Randy Bowman, and several others give the club high hopes for another good year in 1981-82

The majority of the math club members along with students from the Geometry, Algebra II, and Advanced Math classes took part in the Annual High School Mathematics Examination. Placing first were Alan Lukens and Derek Simmons, third place was Bill Hall.

Our Yearbook Club this year consisted of 41 members; to join the club, each member had to sell 12 magazines. The top sellers this year were Brian Cochran, Janel Campbell, and Crystal Blakley. September 30 marked another profitable day for the Yearbook Club. We left Union around 8:30 as we all started on our way to sell as many ads as we could. The day was a combination of fun and a lot of hard work. When we returned to school around 3:00, we had sold over 150 ads and had raised over \$2,000. We campaigned in thirteen towns with eleven qualified drivers and an additional thirty other club members. The top car sales group was headed by Angie Thye as driver. We felt that our effort was successful in achieving a fine yearbook for all.

The Jr. Varsity Volleyball team finished its season at 6-7. This was a considerable improvement over the previous year's record of 2-11. The girls demonstrated a lot of hustle and determination. Poise is the only needed ingredient for a successful season in the future. The Jr. Varsity received excellent leadership from sophomores Kim Klossing, Susan Colley, Linda Bigger, Laurie Cochran, and Patty Ricketts. Freshmen Jane Colley, Nikki Forrester, Lisa Klossing, Sharon Dunn, Candi Hutson round out the squad and did good jobs as first year Volleyball players for Union High School.

The Union Varsity basketball team finished the season with an 11 and 15 record and 5th place finish in the conference. This year's team was lead by co-captains Mark Cooper and Forrest Olson. Mark led us in assist and was honorable mention all-conference. Forrest was our second leading rebounder who shot 50% from the floor. This season showed great improvement for many of the players and should provide the necessary experience to make next year a success. The effort these guys put out and their desire to improve was the reason for their victories this year.

This year's Fresh-Soph basketball team ended with an overall 11-10 record and 8-6 in conference. We had an up and down season but ended up playing our best basketball. In our losses at the end against three very tough opponents we only lost by a total of 7 points, with two of them being in overtime. We believed in teamwork and during the season, 5 different players lead us in scoring for a game. Todd Hamilton and Curtis Rice had a close competition for both rebounding and field goal percentage awards and Jeff Gray lead us in assists. In all of those areas, however, several individuals were close behind. Our defense as a whole really improved and that was probably the reason we were so much more competitive at the end.

Our most memorable game of the season was probably our come from 13 points behind with 7 minutes to go against Dallas City only to lose in overtime on an off balance shot from the corner.

With continued improvement and practice this team has the potential to be a find varsity team.

Setting goals and then working to accomplish them is one of the most important concepts for a team or individual to grasp. This year's Varsity basketball team accomplished several goals this year. A new school record was set in number of wins in one season. This years team scored more points than any other girls team in Unions history. Also a new team rebounding record was set. The highlights of the season include the victory over Southern by a score of 53-42 and the Regionals where Union defeated Abingdon and almost pulled an upset over Monmouth in the semi-finals. It was the closest any Union team had ever come to winning a Regional tournament. Our seniors Amy Hinshaw, Julie Johnson (2nd Team All Conference), and Tena Burgess, have much to be proud of. They were instrumental in this years success especially in the area of leadership. After years of frustration, their Senior year closed on a positive note.

The Union boys thinclads had a good '81 season, starting with the W.I.U. Invitational on March 13, at Macomb, and ending 16 meets later including winning our duals with Westmer and Southern by scores of 93 to 53, and 100 to 45. We were surprised to find our triangular meet with Northwestern and Warsaw had turned into a quadrangular with Northwestern, Avon and Yorkwood; it turned out to be a pleasant surprise, as our thinclads were the victors, winning with a score of  $62\frac{1}{2}$  points to Yorkwoods  $56\frac{1}{2}$ , Northwesterns 43, and Avon 32.

We ended the season with 25 squad members. Eight of the squad members were graduating seniors, but only two of them — Joel Johnson and Brian Sterett were out for track all four years. (J. McGraw and A. Lukens, our high hurdlers, were out for three years.)

Eddie Simpson turned in some good performances in the shot and discus, assisted by J. McGraw, A. Lukens, and the other weightmen. The relays were mainly sophomores this years, with juniors B. Lindo, J. McClintic, and senior J. Johnson completeing particular teams.

The awards banquet was held prior to the ending of our track season. Later letters were awarded sophomores S. Bielser, T. Cooper, J. DeVoss, B. Gittings, G. Olson, T. Simpson, D. Tee, and R. Wright, juniors B. Lindo, J. McClintic, B. Pirtle, and E. Simpson, and seniors J. Johnson, A. Lukens, J. McGraw, and B. Sterett, plus senior Statistician Tracy Prater, who did an excellent job, both at home meets and away.

The 1981 High Scorer Award went to B. Lindo, although D. Tee and E. Simpson were very close; these three young men were the top three scorers, although the entire team contributed to our wins, including our Bolivian exchange student, Alberto Romero Landivar. Numberals were presented to freshmen D. Barr, D. Smith, and patches went to all the sophomores, including those previously mentioned, plus K. Lain and S. Wegman; a special thanks went to all the graduating seniors, including D. Bigger, B. Hall, M. Parrish, and D. Simmons.

The royal court consisted of Nancy Hicks, Jill Colley, Cindy Gray, Denise Brokaw, Stan (Steamer) Torrance, Bill Pirtle, Tod Ferguson, and Brad Lindo. Bill Pirtle and Jill Colley were crowned king and queen. Congratulations Jill and Bill! This year's prom was one which will be long remembered by the graduating seniors and their hosts, the junior class.
