You're Number One On Our Dial

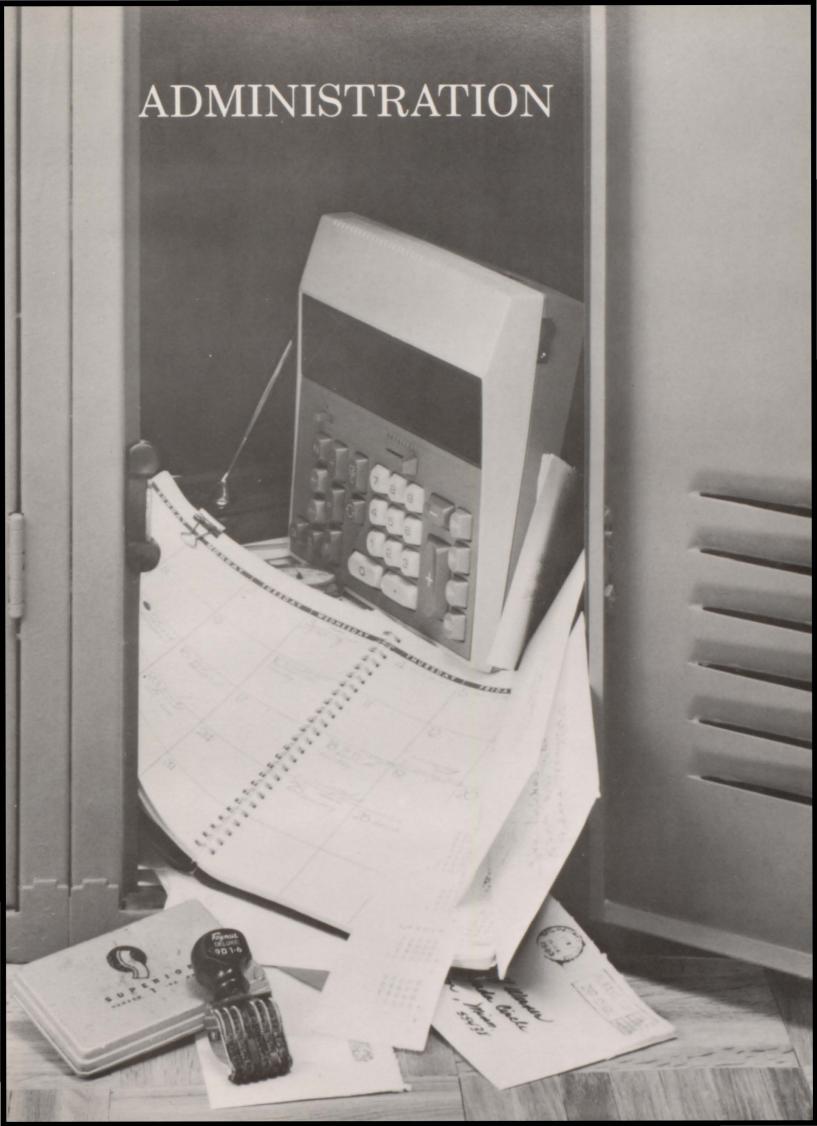

1981-82 Football Stars!

We are proud of our Yankee Football team! Because this year 1981-82 has been the most successful football season in the history of Union High School. We, the 1981-82 Yearbook Staff dedicate our high school yearbook to this super group—The Yankee Football Team, who represented our school and our communities in true red, white and blue fashion!

Boys, every game you played you played to win! And win you did! All the way to the I.H.S.A. State Play-offs. The support you received from fellow students and citizens of Yankee-land and the pride you let them have in return justify that. To all of us you are second to none — You are #1! The staff would also like to recognize and congratulate Mr. Dillard for being "Coach of the Year" in the Hawkeye-land area.

Co-Captains: Ed Simpson and Tim Johnson receiving the second place 2A I.H.S.A. trophy.

Two years ago I made a comment in the yearbook that stated "we here at Union have much going for us. Be proud of it!" The 1981-82 school year, better known as the Year of the Yanks, makes that statement even more appropriate today than it was then. Without questions, this year has been one of the best in Union's history. The faculty and student body are to be commended for their continued work in achieving academic excellence and for their all around positive attitude. The accomplishments this year of Union students in athletics, art, music, speech, dramatics, academics and other contests have been outstanding. Any high school strives to achieve a total educational program which includes experience both in and out of the classroom. Union High School provides that experience and has proven to others what we already know. We can excel in any endeavor undertaken. Excellence can and should continue in "Yankee Country" if students, faculty, and community continue working together as they have this year.

Michael Alexander.

"Exchanging" Lifestyles

Hi there,

At the moment, while you are reading this we are both back in our homecountries dreaming of our great year in the u.s. We're missing you all a lot, remembering dur good and fun times. Both of us are very happy that we came to Union and shared the schoolyear with you. It was really a great experience and we're going to remember it for the rest of our wes. We would like to thank everyone for "taking care" of us, and we still are friends even if we might never see each other again. It would be nice if you could keep in touch with us. Write us a letter sometime and tell us how everything is going, we would love it. If you ever go to Europe, come and see us. Our homes will be yours. Friends,

May Bruno

Harold's Donut Shop 400 S. Roosevelt Burlington, Ia. 52601 ph. (309) 752-6213 The 1981 football season will long be remembered. An outstanding squad, led by co-captains Ed Simpson and Tim Johnson finished 12-1 and the Class 2A State Runner Up. During this season the Yanks won the Bi-County Championship for the first time ever while stringing together 17 consecutive victories. We outscored our opponents 422 to 72 while recording seven shut-outs. This was the season of "the play" the "flea-flicker", Gary Gridiron and the Cosmos' pick of Union over Southern. The entire student body as well as the surrounding communities gave Union the greatest crowd support of any school in class 2A ball. The Yanks dominated the allconference selections gathering up 12 positions. Five players were selected to both teams. John Johnson, Tim Johnson, Ed Simpson, Stan Torrance and Pat Gray were on the offensive and defensive teams Mic Cochran made all-conference on defense and Bill Pirtle was selected for the offensive team. Pat Gray, Stan Torrance and Ed Simpson were selected to the All-Hawkeye-Land team and Ed was selected as their "Player of the Year". This team proved themselves to be Union's greatest football team ever, and gave us all something to remember and be proud of.

A little joke to lighten the air.

Finishing with a surprising 5-3 record was this years Fresh-Soph football team. Despite our lack of size the offensive line lead by Mark Torrance and Scott Janssen opened large holes for Steve Henshaw to rush for over 1100 yards. The defense behind leading tacklers Gary Russell and Wayne Seitz was very aggressive and extremely tough against the run. The mark of this team was that it was able to come through in pressure situations and were successful in winning all of the close games. There were many exciting moments throughout the season and with continued aggressive play good things should be expected of these young men in the future.

The 81-82 Varsity Basketball season was a carry over success from the football season. With a 20-7 season the team won the first Bi-County Conference Championship in 10 years and Union's first Regional Championship. Included in the season was an impressive 11 game winning streak only to be broken for the sectional title by eventual state runner-up, Monmouth.

Ed Simpson was chosen to the 1st team allconference with Pat Gray and Todd Hamilton making the 2nd team.

The 1981-82 Fresh-Soph Basketball team finished the year with a respectable 13-9 season. The team ended on a hot streak winning 10 of our last 13, including the exciting come from behind victory over Bushnell-P.C. to take third place in the Yorkwood tournament. We also ended in third place in the conference standings behind powerful Southern & Yorkwood and in the process gave Yorkwood one of its two losses a-1 year. This team accomplished what it potentially should have in both the tournament and in conference and nobody should have expected anything more of them but instead, congratulate them for working as close to their potential as possible. This year was really a team effort as everyone contributed in some aspect although not all showed up in the scorebook. With continued practice and determination this team could and should develop into a very fine varsity team.

1981-82 was the most successful year for the Girl's Basketball team in the 9 year history of the Lady Yanks. The Lady Yanks finished with a 14-6 record and finished second in the Bi-County Conference and in the Bi-County Tournament. Most of the credit for this successful season goes to the leadership and hustle of five seniors who have dedicated themselves to the basketball program at Union for the last 3 years. Hard work always results in success and Susan Menke, Cindy Gray, Janel Campbell, Tara Clark, and Crystal Blakely are five of the most successful people around. This season is a tribute to them. They joined with two other seniors Connie Ricketts and Kay Lorentzi and three juniors, Lisa Lox, Lori Pullen and Patti Ricketts to give Union a very respectable girls basketball team.

Led by 3 sophomores, Candi Hutson, Dixie Jake, and Pam Linnenbrink, the younger Lady Yanks rebounded from a disastrous 1-16 year to post a much improved record of 7-8. With a few breaks and points they could have won 10 games. What the team lacked in quantity, it made up in quality and heart. Another sophomore, Becky Oaks, started playing for the first time but a leg injury held her out for much of the season. Four freshmen contributed much to the effort and Paula Simpson, Connie Thompson, Linda Gray, and Becky Gray will provide a very solid nucleas for next year's team.

The Varsity Cheerleaders did an outstanding job this year creating enthusiasm for both basketball and football. They organized pep rallies, skits, made signs and gave balloons out for the state playoffs. They were also in charge of senior night for basketball and football. The girls attended a U.S.C.A. camp at Western Illinois University at Macomb. They learned twenty-seven floor cheers, chants, sideline cheers, mounts, double stunts and acrobatics.

The girls made the whole year a very exciting one and a lot of fun for the fans and players.

The boys track season at Union this year was to be described as successful, although possibly not our best. We were snowed out of three meets, only one of which we were able to reschedule. Exclusing the District Meet at Monmouth we participated in 13 meets, and won all of our duals, although we did squeak by Warren, with the outcome depending on our winning the 1600 meter relay. The team brought home medals from every big meet, but the Roseville Relays, with the medals from Keokuk and Carthage in the 1600 meter medley and Relay getting us off to a good start. Only one freshman, Brett Alexander, was out for track this year, and only two seniors — Brad Lindo and Jim McClintic — were out for track all four years; these two seniors carried more than their share of the load during the season, and will be difficult to replace next year.

Returning lettermen this year including Steve Bielser, Jay De-Voss, George Olson, Darren Tee, Randy Wright, Brad Lindo, and Jim McClintic, and this thinclads carried the bulk of the participation. Assisting were sophomores David Barr, Sean Chapin, Gregg James, and Steve Henshaw, in addition to juniors — Kevin Lain, Jeff Rice, Ron Scott, Lon Smith, and Scott Wegman, plus seniors — Mick Cochran, and Bruno Collaert, our exchange student. (Joyce Johnson served as statistician for the '82 thinclads).

Letterman for the 1982 boys track season include Steve Bielser, Jay Devoss, Kevin Lain, Steve Hensahw, Jim McClintic, Lon Smith, Randy Wright, George Olson, Brad Lindo and Darren Tee. The high Scorer for the season was Brad Lindo for the second season in a row. Awards were presented at a track banquet held at Olson's Dinner in Oquawka, on May 25, 1982, following the close of the '82 season.

October 13-16 was Homecoming week. The week began with toga day. Both the students and faculty participated. The second day was dress-up day where everyone wore their best attire. Thursday was a hectic and exciting day. First of all the day's schedule was totally backwards, then in the afternoon we had a pep assembly which included skits performed by most of the U.H.S. clubs. At the conclusion the winner of the "crazy-legs" contest was announced. Mr. Alexander had won. He received a pie in the face by Bill Pirtle. Friday proved to be an interesting day also. It was dressdown day as well as gym decoration day for Homecoming. The gym displayed a beautiful arrangement of all colors consisting of yellow, orange and brown.

Friday night was spectacular one at that! The night started off with an easy win over the Avon Trojans, 58-0. Following the game was the dance and coronation. This year's King and Queen were Tim Johnson and Tara Clark. The theme for this event was "Making Our Dreams Come True" and the theme song was "Who's Crying Now." A Monmouth band named Eternity Road played for our entertainment.

A man came as a disc jockey and played records on his stereo for our entertainment. The chosen King and Queen were Stan Torrance and Kathy Brown. The F.H.A. and F.F.A. were responsible for sponsoring the dance. The F.H.A. and F.F.A. made a group effort raising money by selling oranges and grapefruit. The F.F.A. also sold beef jerky to raise the money needed for this dance. The night proved to be very memorable for everyone who attended.

Student Council

Front row: Tara Clark, Bill Pirtle, Brenda Clark, Jill Colley,

The Student Council is elected by it's peers, the student body, every year. It consists of two representatives and the class president, from each of the four classes.

This year's Council presented Mr. Mike Levin, an ex-convict, to speak on the subject of prison life. We presented four movies: Any Which Way You Can, The Electric Horseman, Seems Like Old Times, and Smokey and The Bandit II. Homecoming is another of our duties. Besides these, the Council also took care of many day-to-day tasks: the concession stand for the football games: the ice cream machine; the changing of the marquee and calender; and many others.

On behalf of the Student Council I would like to thank Mr. Michael Alexander and Mr. Ray Goff, our sponsers; Mrs. Barb Price, our secretary; the faculty; the Athletic Boosters for all there help with the Dupo football game; the people that helped us with the ice cream machine; and, finally the entire student body for their assistance and cooperation throughout the year. I would like to express my personal thank you to the other three senior members of the Council, Tara Clark, Jill Colley, and Brenda Clark for all the support and encouragement given to me.

The Future Homemakers of America Chapter of Union High School has been very busy this year.

In August, we started the year with an officers' planning meeting. The purpose of this meeting was to plan and prepare for the many activities of the 1981-82 school year coordinating with F.F.A., our first major money making project was the fruit sale. This sale, held in November was a tremendous success.

Later in December we visited area nursing homes to brighten the residents' holiday season by singing Christmas carols.

In February we co-sponsered with F.F.A. Chapter the Annual Sweetheart Dance. This social occasion was well attended.

In early spring the girls chose ladies from the community as their Secret Grandmother.

The calender year has gone fast and for me and my officers this had indeed been a great year in F.H.A.
