Is It Union Or Is It Memories?

During the high school years many special memories are made. There are people and events you will want to remember forever, but unfortunately time can make these memories fade. Hopefully in the years to come the sights and sounds recorded in the 82-83 Sabre will help you drift back in time and make you wonder — "Is it **Union** or is it **Memories?**"

Our Favorite Selection

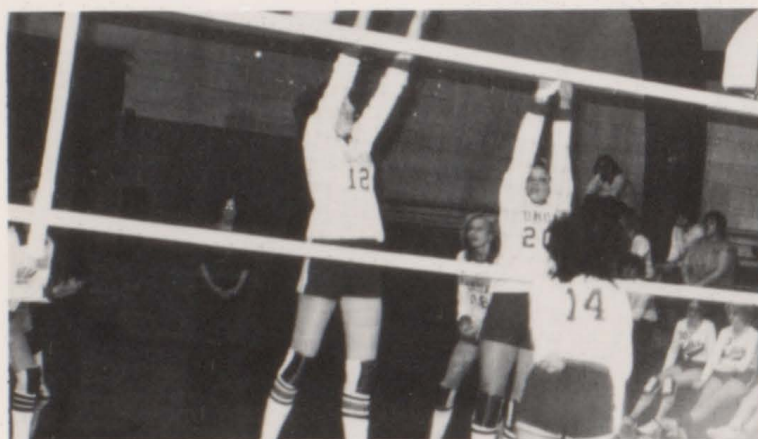

The 1982-83 yearbook staff would like to dedicate this year's yearbook to our advisor, Mrs. Simmons. We would like to thank her for being a terrific advisor and congratulate her on the birth of her daughter Holly. Everyone at Union missed Mrs. Simmons when she left school early this year. It really made us realize how much she helped us with the yearbook and all the extra time and effort she put in to make it a success. She also made graphic design and her art classes fun as well as educational. Thank you, Mrs. Simmons, we really appreciate all you've done for everyone at Union.

FALL

Volleyball Spikes Into Action

The Varsity Volleyball team finished the 1982-83 season with a 6-10 record. This was a fairly good season for the girls as they finished over 500 in the conference while playing with only eight junior girls. The Lady Yanks also placed three girls on the all conference teams. The girls have a bright future ahead of them in 83-84.

The Junior Varsity volleyball team won 6 and lost 9 games this year. Although the girls had a losing season they defeated some of the better J.V. teams in our area: Nauvoo-Coloussa, and Aledo. The J.V. Team has a strong squad returning next season and should do well in the conference.

This years football team showed great potential in many areas. The game strategy was changed completely. New plays were devised to work to the teams advantage.

Coach Jake and McKeever were the real backbone of the new season. Assistant Coach Russell Galusha showed extremely high aspects toward helping the team to many victories.

The season got off to a slow start, but after the first three games the team turned around and headed toward succeeding wins. For the second straight year in a row, we were able to defeat and shut out our Southern foes! This win helped increase the "high" in everyones spirits and gave the team a winning outlook.

The last game of the season against Yorkwood would decide whether or not the team would be in the play-offs . . . unfortunately we lost. There were several rough breaks, such as fumbles and many interceptions, but we ended with pride and dignity.

Todd and Bill Piper — WMOI Radio Announcer

Union High School Senior Todd Hamilton will take more than a diploma with him when he graduates this year. This one-man team has represented Union for the past four years in I.H.S.A. State Play-offs, with the first place award in 1982 and again in 83. We are proud of his accomplishments for U.H.S. As an individual, Todd has traveled all over the country competing in various tournaments in which he has returned with many 1st place ribbons and trophies! One such competition that stands out in his mind is when he ventured to Houston, Texas and competed in the Big "I" Insurance Youth Golf Classic, he finished in a tie for 4th place by shooting a total of 292 for 72 holes. This tournament was unique in that qualifying for the last 36 holes, this entitled the players to play with a touring professional! The Yearbook Staff wishes to congratulate Todd on his success and hopes to see him in **Golf Digest** one of these days!!!!

“Who Dunit?”

Michael, the archangel, to the rescue.

This play written by C.B. Gilford and produced with special permission from Baker's Plays of Boston, Mass. was sponsored by the U.H.S. Drama Club, presented on September 30 and October 2. As Lightning Hits

Homecoming week rolled in with a line up of exciting events; "punk day," "Western day," "backwards day," "hat day," and the ever thrilling "silence day." (boys couldn't talk to girls half the day and vice versa) The climax of the week was presentation of the skirts. These short episodes depict school situations acted out by different U.H.S. clubs and organizations usually centered around school spirit or upper classmen. The teachers also get involved and participate.

Of course Homecoming week ended with Friday, the big Homecoming game. It was a little disappointing this year as we had to play in the midst of a downpour. This didn't seem to affect the Yanks though, as we came out with a "splashing" 20-6 victory over the Roseville Panthers.

Yanks Bolt to The Top!

One of the crown bearers — Zachary Goble

As the night progressed, many enjoyed dancing to the sounds of the group SASS playing for everyone's entertainment. The tension mounted as 10:30 neared — for the Royalty was about to be announced. Before revealing their names the attendants were introduced; Stacy Foster, Pat Reid — freshmen, Joni Oaks, Tag Olson — sophomores, Candy Hall, David Smith — juniors, Candidates for the honors were Jacque Saben, Michelle Simmons, Gail Halford, and Amy Clark. Jay DeVoss, Jeff Gray, Kirk Devore and John Prater. After a few nervous seconds the student council president congratulated Amy Clark and Kirk Devore as Queen and King. The Royal Couple were crowned and began the traditional dance to the Homecoming theme song — "Up Where We Belong". It sure put the Yanks "Up Where They Belong," atop the Roseville Panthers!!

Band Struts Their Stuff

This year the band took a three day trip to St. Louis. After months of fund-raising, each member of the band earned enough money to charter buses and to take the trip. While in St. Louis the band stayed at the Marriott Hotel. Although it was a trip, the band had to put business before pleasure. Upon arriving on Friday, April 15, the band performed in the Gateway Band and Orchestra Festival. Saturday was spent at Six Flags with an awards banquet Saturday night. Sunday was spent touring downtown St. Louis and a visit to the Gateway Arch. The trip was enjoyed by all and the band would like to thank everyone involved.

The 1982-83 Student Council has been one of which we can be proud. The council was responsible for the success of homecoming, the weight-a-thon, school movies, and financial backing of the new concession stand.

The council was a very fine group of energetic students who gave their all to promote school spirit. To all of those people I would like to express my deepest gratitude. I would like to thank John Prater and Amy Clark for their extra work and their friendship, and also Mr. Bentler and Mr. Goff for all of their guidance. Finally I would like to thank the entire student body for making this year great! I hope the tremendous school spirit which you have displayed this year remains for years to come!

Sincerely,
 Jerry Johnson

The 1982-83 FFA Chapter has had a very successful year. Our BOAC project this year was putting posts around the football field and parking lot. We also repainted the lines in the parking lot. Other activities included cutting wood to give to the senior citizens, planting trees around the school, the Sweetheart Dance, and fruit sales. We are also making a scale model of the Henderson County Covered Bridge.

The chapter also had two state farmer degree recipients. They were Sean Chapin and Kirk Devore. Kirk also received the Section 4 Star Agri-Business Award.

The F.H.A. Hero Chapter of Union High School was very active this year. We began the year with an officer's meeting to plan the year's activities. An activity was planned for each month.

We had a weiner roast in October, we sold fruit in coordination with F.F.A. and attended the Fall Rally and Lock-In in Monmouth in November.

During December we visited area nursing homes to sing Christmas carols and presented them with boxes of cookies.

Late in January each member chose a lady from the community to be their Secret Grandmother or Friend. The F.H.A. members were to keep in contact with these people until the Spring Installation.

The annual Sweetheart Dance was held during February. We co-sponsored the dance with the F.F.A. Chapter. The dance was a success.

In April we had the Spring Installation and Secret Grandmother's Tea. This was the time when the new officers were installed. It was also when the Secret Grandmothers or Friends met the members.

In May, the Chapter members enjoyed the year end trip. This brought the year to a close.

The 1982-83 school year has been an active year for us. It has been a great year in F.H.A. for both me and the rest of the officers.

WINTER

I do, I do!!

The 82-83 edition of the Lady Yanks finished 12-13 overall and 7-5 in the Bi-County which was good enough for second place. Also highlighting the season for the Lady Yankees was a 3rd place finish in the Bi-County Tournament. This season is a shining example of how a team can take a lot of hard work, a positive attitude and an aggressive style of basketball and turn it into a successful season. These same girls were 1-17 and 0-12 when they were freshmen and sophomores. In the next two years they turned it completely around. It happened because they believed in themselves and they didn't back down from a lot of hard work. A very big part of this success is attributed to Lisa Lox and Parry Ricketts. They served as Co-Captains plus they were the anchors of our tenacious defense! Parry and Lisa combined for 138 steals between them. They provided excellent leadership which became a critical area for us as the season progressed but Lisa and Parry both responded well to it.

Hold everything!

I feel a severe headache coming on!

Inexperience plagued the J.V. team this past season. Paula Simpson was the only experienced player on the team. The other eight girls were either sophomores playing their 1st year of freshmen. The girls played well defensively in most games but came up short on the offensive end. All of the girls were hard workers with good attitudes and will benefit next year's varsity and junior varsity teams.

The Union Varsity Basketball squad ended their season with a record of six wins against 11 losses under first year mentor Russell Galusha.

The club consisted of past letter winners Hamilton, Rice, Gray and senior members Tee and Bielser. Junior members were Torrance, James, Johnson and Seitz and rounding out the team were Sophomores Evans and Haines.

Although this squad did not boast a winning record, the season was taken as a learning experience for all.

The philosophy of play was to develop a transition game that would allow for more individual and team success. As players learn to understand the mechanics of a tough, aggressive full court game the Yankees will be contenders for years to come.

The Junior Varsity squad of Union had a very successful year under first year Coach Jay Blender.

The squad ended their season with a record of 15 wins against 16 losses. This group of fine young players won the Junior Varsity title of the Bi-Country conference and placed fourth in Yorkwood's annual Fresh-Soph Tournament.

As improvement continues within these players and insight into this fine game prevails it will again be, Union.

The cheerleaders have been active the year round. They attended camp at ISU in Bloomington, Illinois where they placed fifth out of ten in the cheering competition and qualified to go to the Grand National Cheerleading Championships in Lansing, Michigan in the special performance division. Many practices were held during the summer for this event and continued into the football and basketball season. As a special honor, the varsity squad was selected to cheer for the West team in the All-Star basketball game held at Monmouth College in June. Their goal for the year was to try and do their very best and keep the spirit alive in the hearts of the school and team.

The purpose of Drama Club is to promote an extra-curricular dramatics program and generate an enthusiastic atmosphere towards speech and drama. Officers are R. Bowman, President; D. Tee, Vice-president; J. Prater, Secretary-Treasurer; D. Jake, Reporter; Mrs. Jake, Sponsor. There are forty-four members.

The top 10% of the membership earning points recognized by the Drama Club will receive the TOP 10% Awards; the member earning the highest number of total points shall be declared the TOP POINT AWARD winner, and his name is to be engraved on a plate which is placed on the Drama Club Plaque to be kept in the school's trophy case.

The top 10% Awards are presented to D. Jake, C. Oaks, C. Boyd and J. Johnson; the Top Point Award winner is D. Jake.

Some of the activities supported by this organization are the Speech Team, the all-school Play, oral and written contests, reading tapes, school and public programs — including a favorite — Santa's Toy Shop. Club members also enjoy a field trip to see a musical or play; this year's field trip was to WIU at Macomb to see Moliere's comedy, **Tartuffe**.

This year marks the second consecutive year that the Union High School Speech Team has won the Bi-County speech Trophy for first place in Individual Events; Union also won first place in Dramatics in the Bi-County Speech Contests. This is the fifth consecutive year that each member of the Speech Team has earned points in competition. In the IHSA Individual Events Speech Contest at the Regional level, Randy Bowman and Dixie Jake earned 2 and 1 points respectively, in their Final Rounds of Extremepore and Oratory.

Union Library Club was formed to be of assistance to faculty and students in need of library information. Library Club members work in the library during homeroom. Some of the members also help out during study hall. Activities vary — checking in and out books, shelving books, delivering machinery, and filing catalog cards are only a few of the activities performed by Library Club members.

Members also participate in our annual club trip. This year we traveled to Western Illinois University to see the play "Tartuffe".

This year U.H.S. music department presented the Broadway play of Rodger's and Hammerstein's "Oklahoma." The story was centered around a group of people living in an Indian territory, now known as Oklahoma. By means of song and dance, the cast realistically captured the feeling of the Old West while preserving a hill-billy humor which has made "Oklahoma" and Union famous.

What do you want?

The 1982-83 Yearbook Club had a sensational year. We had numerous money raising projects which included: Magazine sales in which Diana Cook was top seller, ad drive in which Patrick Bigger, Ken Bundy, and David Dopler were top sellers, yearbook sales, candy sales and many other projects. This is the first year that the yearbook has come out ahead in paying for the yearbook. Fantastic job!

Secretaries And Administrators Working Hard

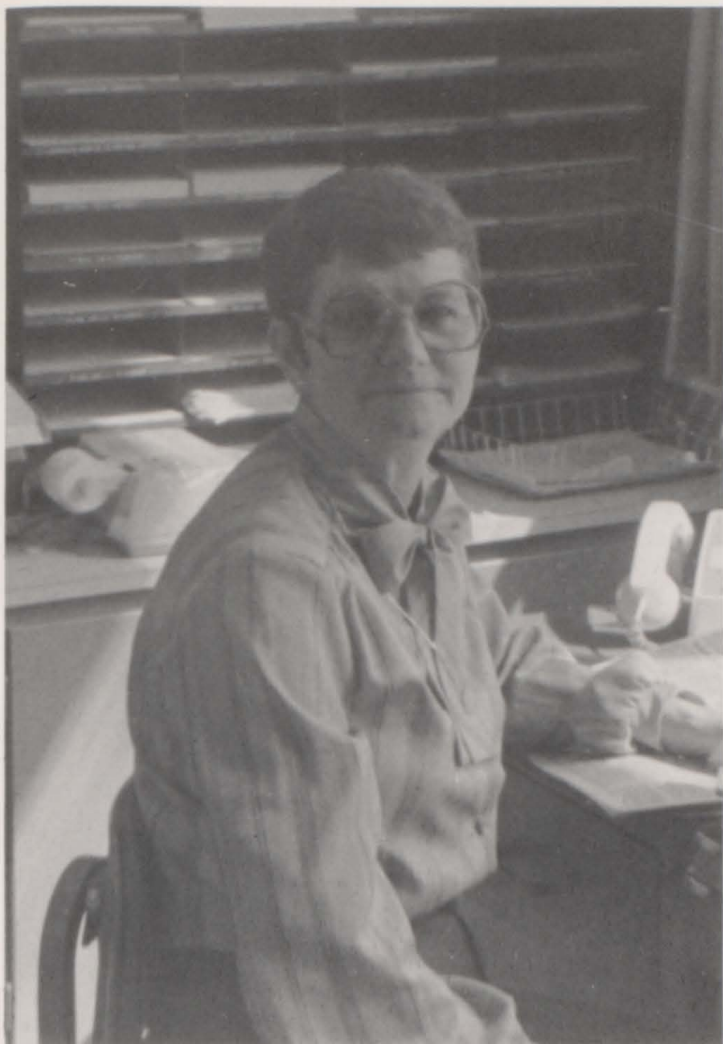

Superintendent — S.W. Wegman

The secretaries and administrators have worked hard this year in keeping the school in shape. A new face in the office this year was Mr. Bentler who took the position of high school principal. The charge was probably a big one for Mr. Bentler but we feel the year was successful and productive. Everyone worked together well. The atmosphere at school was a friendly one.

This year by individual choice, most of the Seniors took a little excursion to Andalusia on a ski trip. Everyone had a really good time, with one exception. We left about 8:30 and got there about 10:30. After being fitted for equipment, we 'hit' the slopes! We asked a few individuals what they remembered most about the day or what they thought about it, here are a few replies:

Jim Kruse; 'going down the Comet!

Jeff Rice; 'breaking 2 pairs of skis!

Michelle Pence; It was a blast, Tina and I fell off the ski lift!!

Tom Cooper; It was better than going to school!

As for our star skier Linda Slover, well . . . "I saved my cast!!!!"
