Welcome TO Union

Union High School
Biggsville, IL

You might think we're all "a little country" but the majority of us are into HARD ROCK. HARD ROCK HIGH might be shocking as a term to use for our school but it seems to symbolize more than just those students who listen to Rock-n-Roll. Hard Workers are also included in on this title. Together these students unite to make our school what it is. The term Hard Rock High wasn't a quick decision for our Sabre Staff but after long periods of brain storming, we felt that it was something current, flashy, extraordinary, yet something that expressed our students interests.

The cover, consisting of metallic silver, hot pink, and purple represents the pzazz of our students. These colors work together

er to make a striking attraction to one's eye, to receive his or her attention, to look further into this book and find out what our school is really like. The theme and colors are used to express the originality that is characteristic of our students, faculty and environment.

New Additions

Smile pretty girls!

Are you shy, Josh?

The Welcoming Committee is a group formed to provide information about activities and introduce students to a new environment and different ways. The new students benefit greatly from this group in a way that makes them feel accepted and comfortable.

Among the seven board members, four were newly inducted last November. Don Boyer resides in Biggsville and is currently an insurance salesman while also serving as a volunteer fireman. Chris Robbins also lives in Biggsville and works for the state highway while volunteering his time to be a fireman. Bob Gray lives on the outskirts of Gladstone and farms in the Gladstone area. Paul Good's residence is near Oquawka after moving from the Aledo area and is currently our local dentist at the Oquawka Health Clinic.

Don Boyer, Chris Robbins, Bob Gray, Paul Good.

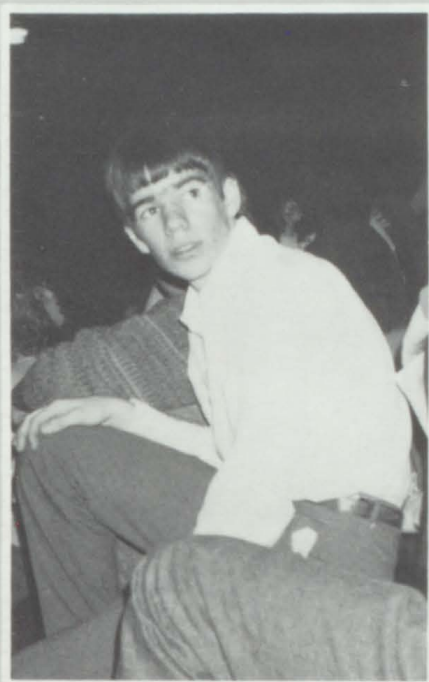

Mrs. Weibel is from Biggsville and currently serves as an aid to the Resource Room. Ms. Merritt moved here from Florida and now teaches in the Resource Room. Mrs. Gates lives in Media and also teaches in the Resource Room. Mr. Carrier graduated from Monmouth College in 1987 with a music major.

Back Row: Yancy Hunter, Tom Clapp, Jay Belk, Melissa Fox, Barb Clapp, Bob Utteridge, Jody Collins, Front Row: Glenda Spiker, Dawn Fox, Rhonda Spiker, Josh Collins

This has been our record year for new students arriving here at Union. Eighteen students have been added to our student body and when it comes down to extracurricular activities, some of these people really get involved. It really is nice seeing these students getting involved and being part of the crowd. To all you NEW STUDENTS we hope that Union made you feel welcome!! Yancy Hunter: Oklahoma, Tom Clapp: Monmouth, Jay Belk: Rock Island, Melissa Fox: Bettendorf, Barb Clapp: Monmouth, Bob Utteridge: Colorado, Jody Collins: Burlington, Glenda Spiker: Burlington, Dawn Fox: Bettendorf, Rhonda Spiker: Burlington. Mr. O'Brien, Daryell Smith, Phillip Bigger, Jennie Evans, Kris Weber, Laurel Williams, Melanie Meloan, Janeen Russell, Susie Lindo, Jodi Scott, Michelle Caves, Jennifer Shutwell.

Formed as an outlet from the Guidance office, the Peer Group came into effect this year. These selected students have been chosen for their natural ability to listen and communicate comfortably with students. The group's function is to provide emotional health within the student body.

We're All In This Together

Hard Workers Hard Rockers

Music has taken a drastic change in style and sound. Today, popular music has several labels, such as "Thrash", "Heavy Metal", "Glam", and "Hard Rock". Bands such as Bon Jovi, Whitesnake, and Def Leppard just top the list.

How does this tie in with "Hard Workers"? Well, through all our achievements in NHS, Art, FHA, FFA, sports, band, speech team and our other academic successes, we need the time to relax and enjoy ourselves. We've found that enjoyment through music. Music definitely continues to be an important part of our life, culture, and society.

Length of hair doesn't bother Kris.

ORGANIZATIONS

FFA Stays Active

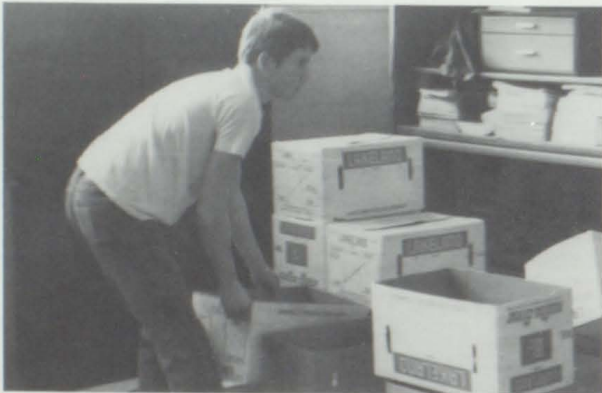

The FFA Chapter had an interesting year. Members participated in all sorts of contests and placed well in each one. Along with the contests, the chapter members also did other interesting things such as touring a TWA overhaul base, visiting a General Motors plant, and helping plan the Sweetheart Dance in March.

To give you an idea of how much work and effort was put into these contests, here are some results. In the Parliamentary Procedure Contest, the team did well enough to advance to districts. In the W.I.U. Ag Mechanics Contest, the team placed first overall and advanced to the Sect. 4 Ag Mechanics Contest. At the W.I.U. contest, Jerry Devore and Dan Defenbaugh received firsts in Ag power and Electricity respectively. Mick Olson, Chad Link, and Jim Wiegand also received respectable placements. Also, FFA members have worked hard to help the music department with the musical by constructing flats and backgrounds.

The FFA Chapter has worked hard and their work should not go unnoticed. The members deserve recognition from everyone.

Continued Interest In FHA

Cut carefully, Jody.

The Union High School Chapter FHA has had a very fun and exciting year. They started their activities with the annual lock-in. All who participated had lots of fun. They followed the lock-in with the mother's breakfast the following morning. After the lock-in it was mandatory for all members to choose a secret friend or grandmother. They write to them throughout the year and at the Installation Tea, they reveal who their special person was. Other activities the FHA participated in were bowling, fruit sales, and serving drinks at the Dinner Theater for the musical. FHA rounded out the year with the annual trip, which is always interesting.

Representing Our Student Body

Student Council, throughout the year, approved fundraisers for other organizations. They were also in charge of the homecoming festivities, including the dance. In December, Student council presented the movie "Color of Money" for the student body and faculty. In addition, they were in charge of the concession stand for the Girls Basketball Regional Tournament.

The Student Council hopes to contribute to the improvement of Union High School and that their efforts are appreciated by the student body and faculty.

Scholastic Achievements Honored

The 1988 N.H.S. inductees.

The National Honor Society had two induction ceremonies, one in the fall and the other in the spring. Normally there is only one induction ceremony. In the fall one person was inducted into N.H.S., Jennifer Shutwell. In the spring five more students were inducted, plus an outstanding faculty or community member. Those persons were John Irwin, Kevin Kirberg, Jenna Weber, Nancy Green, Susan Lindo, and Louise Webb, the school nurse. Their sustained academic performances, leadership, and character are something to admire and hold as personal goals.

Changes Made In Yearbook Club

Yearbook Club had some minor changes this year. Although some projects stayed the same, such as magazine and record sales and the annual ad drive, other money making plans were slightly altered. For instance, Yearbook Club usually sells 50¢ candy bars and this year we sold \$1 boxes of M & M's and \$1 candy bars. Another change was the car wash and bake sale which hadn't been pursued for several years which proved to be successful.

After all the hard work and dedication with fun inter-mixed, Yearbook Club pulled in enough money for the yearbook and we appreciate all the support given by the student body.

Spanish Club Esta Aquí

After three years of introducing Spanish to our academic credits, an organized Spanish Club was initiated. There were forty members who had taken Spanish for at least two years, fifteen of those had taken the course for three years. Members of Spanish Club went to Spanish Night at Warren High School and performed at both the Winter and Spring Concerts. Memorable songs and choreography performed at these events were Rubber Ducky, Hierra, and La Bamba.

Band Marches Victoriously

In his first year at U.H.S., Mr. Carrier had some very memorable moments, several difficulties, and lots of interesting times. During the first week of band everyone had to make adjustments, like how to play triplets and playing the correct notes right. In marching band, someone was heard making the comment, "You mean we have to march AND play . . . at the SAME time?" Mr. Carrier worked diligently and was very pleased with the efforts and performances of the band, show choir, pep band and choir throughout the year.

Prettiest Smile
 Friendliest

There are places I'll remember all my life,
 Though some have changed, some
 forever, not for better,
 Some have gone and some remain.
 All these places had their moments
 With lovers and friends I can still recall.
 Some are dead and some are living. In my
 life I've loved them all.
 But of all these friends and lovers,
 There is no one compares to you,
 And these mem'ries lose their meaning
 When I think of love as something new.
 Though I know I'll never lose affection
 For people and things that went before,
 I know I'll often stop and think about
 them,
 In my life I'll love you more.
 Though I know I'll never lose affection
 For people and things that went before,
 I know I'll often stop and think about
 them,
 In my life I'll love you more. In my life I'll
 love you more.

Varsity Is Aggressive In Big Ones

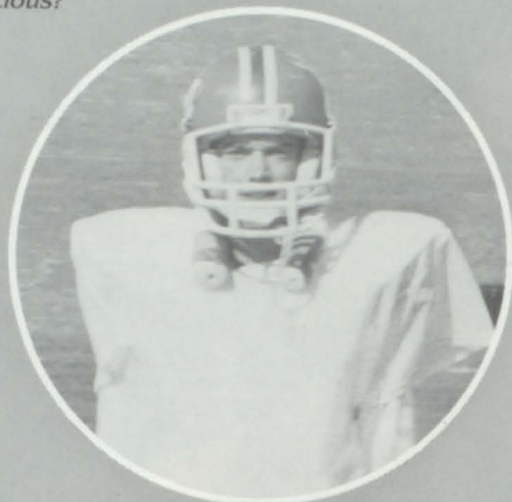

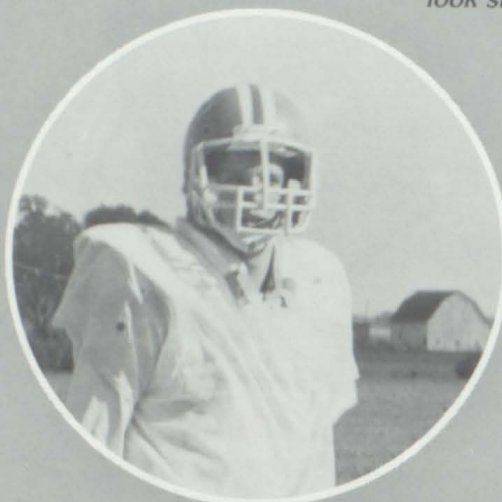

Although this year's varsity football team was short on wins, it wasn't short on determined and dedicated players. The squad had strong leadership with nine seniors. The seniors were backed by a good showing of juniors and underclassmen.

Anyone who saw one of the varsity's games can admit that the final score didn't always show how hard and intense the boys had played. In the Homecoming game against Avon, the boys played outstanding football. Then, in the Warren game, the boys held the Warriors off for nearly three quarters. But, when the squad was asked

which of their games they considered the best, they all agreed on Roseville. In that game, it was four quarters of aggressive and hard-hitting football. The guys really played heads-up ball. Of course, they played well all year. To close out the season, John Olson, Andy Dunn, Neil Steele, and Lawrence Pullen were named to the second team of the Bi-County Conference. Good job, guys!

Success Again For JV Team

The J.V. football team continued their success again from last year. With a lot of hard work from each player, determination and teamwork has paid off again. The team placed second in the Bi-County Conference and held many shutouts with a record of 6-3. At the Awards Banquet, two awards for J.V. football were presented: Ray Meldrum, Most Promising Sophomore; Kyle Guthrie, Most Promising Freshman. Those receiving letters are the following: Scott Avery, David Bielser, Philip Bigger, Clinton Brill, Chad Gall, Ray Meldrum, Nick Peterson and Rodney Wright.

Now boys, this is how it's supposed to be done.

Just A Swingin'

While golf may not be your cup of "tee" a number of students at U.H.S. think it's theirs. With the addition of a transfer student, Tom Clapp, and two students new to the game, Bobbi Dixon and Chris Mudd, the team has increased in students and honors.

From a one-man team of Jay Law three years ago, the team now has eleven members. First year members are Tom Clapp — junior; Bobbi Dixon — sophomore; and Don Seitz — sophomore. Two year members are Darren Beal — senior; Brad James — sophomore; Mark Jones — sophomore; Stephie Law — sophomore and our only four year member Jay Law.

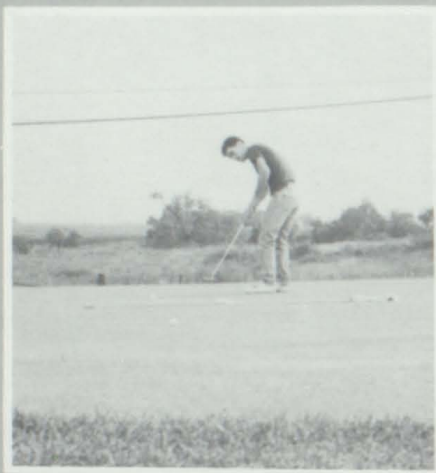

The team captains were Darren Beal and Jay Law. They said the team had improved their skills through practice and with their combined tal-

ents, they placed second in the Monmouth Invitational.

The team had success and would encourage U.H.S. students to "putt" around a green or two. Golf may be just what you're looking "fore".

Varsity Has A Historic Year

The 1987 Lady Yankee volleyball season was the most productive in Union's history. Though it was a small team, consisting of only nine girls, it was a stubborn and determined team with a lot of heart and ambition. By the end of the season, they could actually anticipate one another's next move on the floor.

Three new records were set during the season. As a result of a massive campaign, the girls encouraged 275 people to attend the last home game, setting a new attendance record. On October 13, at Dallas City, Kris Weber set a new record of fifteen assists in a game, while the team passed for an amazing 93%. Then, as a grand finale, the team broke the record of most wins in a season with 13 wins.

Many things were new about the season. The girls had a new offense, a 6-2, and two new defenses, player-up and rotation. The team also had a new three step spike approach, not to mention spiffy new uniforms. Twice a week throughout the season, the girls lifted weights, which proved to increase their vertical jumps. On Fridays, the team conditioned with Plyometrics, a series of strenuous leg exercises.

The Lady Yankees finished the year with a 13 and 12 record. The girls placed 2nd in Regionals. This was the first time Union had made it to the Championship game. The team also placed third in the Carl Sandburg Tourney and fourth in the Macomb Tourney. Although their record doesn't show it, the girls played many close three match games that could have gone to either team. But, no matter what the record, the 1987 Union Lady Yankees are commended and appreciated.

Cheese!

This play will never work, coach.

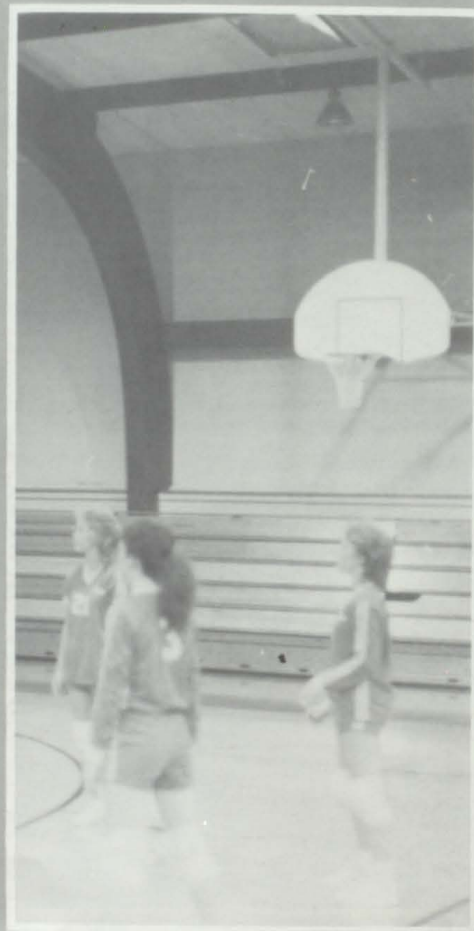

I can't reach it!

J.V. Drills Pay Off

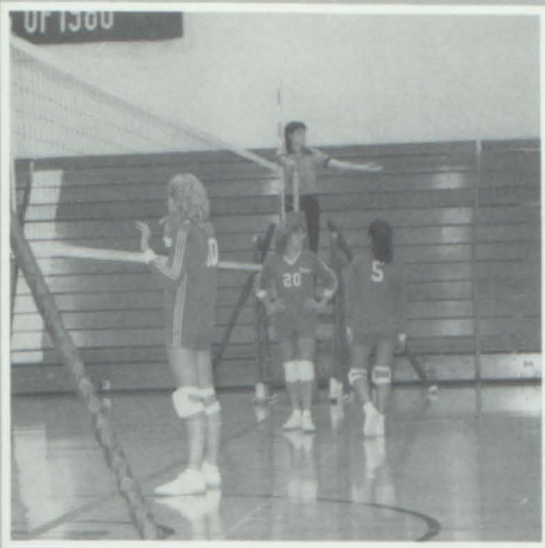

When the season first opened on August 18, the ten girls were all anxious. It was an experienced team, with seven sophomores and three freshmen. Though they lacked numbers, they had tons of heart and determination.

Each practice consisted of drills designed to sharpen specific skills involved in volleyball. A blocking drill was run along the net to gain control over net violations. The punishment for net violations? The much dreaded line drills! Other than the blocking drill, there was the passing triplets drill and various other passing drills. Obviously, the drills paid off. At the first of the season, the squad's passing was atrocious and unreliable. In some games, passing was outstanding and other games, the passing was very devastating to the defense and offense. But, with the hard work and dedication displayed by the team all year, the girls improved their passing percentage to nearly seventy percent.

The team finished the season at 6 and 8. At the fall sports banquet, the sophomores received their volleyball patches and the freshmen got their numerals. Jenna Weber earned the plaque for Most Points; Janeen Russell, Most Assists; Billie Forrester, Best Hitter; and Susan Lindo, Best Passer. Congratulations, girls!

J.V. Is Unique

With a new year came new faces and new ideas. As I watched the cheerleaders, in their sharp-looking blue and white uniforms lead the crowd in cheering on the Yankees, I heard new cheers and I saw variations of old ones. At games, the girls were enthusiastic and energetic. Even at the Southern game; when it was 45 degrees and pouring down rain and the girls' coats, gloves, and uniforms were saturated; they continued to cheer with all their might. At pep rallies, the girls showed their enthusiasm by supporting the varsity cheerleaders. When I asked the JV what the highlight of the season was, they all answered, "All the laughs we shared!" I must say that they were very unique and cheerful all year long.

These aren't the cheerleaders!

Varsity Strives For Unity

Memory: The torrential rains at Warren in 1986 that soaked our hair and uniforms.

Memory: All the times we had to ride the bus with the football equipment, not to mention the smell.

Memory: When I punched Kris in the nose and nearly broke it.

Memory: The year the football players' relatives would not leave the cheerleaders alone.

The goal of the varsity was to unify the cheerleaders and the student body. To do this, they concentrated on more exciting pep rallies. The highlight of the season was the pep rally during Senior Week. During the week the students participated in a poster contest, pumpkin decorating, and dressing up for Halloween. At the pep rally, there was an apple bobbing contest and a pumpkin pie eating contest. The cheerleaders also performed a skit for the students. The pep rally was found outrageously funny by the students and the faculty. The crowd's energy and spirit at the pep rally gave the cheerleaders goose bumps. For once, the cheerleaders felt that they were united with the student body.

Pumpkin pie is popular at the pep rally.

Top to bottom: Jodi Scott, Kelly Seitz, Kristina Weber, Michele Millar, Stephanie Showers, Dawn Huss, Travis Olson.

What Is A Cheerleader?

What is a cheerleader? Is it a dizzy, blonde with a perfect figure, no zits and a year-round tan? Is it a person who does a zillion backflips and is disgustingly friendly to the other team? Nope, not at Union! This year's basketball cheerleaders were devoted and hard-working. Every one of them was full to the rim with fresh, new ideas, originality, and pep. Because of their extreme loyalty to the Yankees and the Fans, the cheerleaders strived for perfection in their cheers, pep rallies, and appearances. Though the squads each lacked gymnastic ability, they were out there cheering because they wanted to, not for popularity, not for dates, and not for praise. The mounts and spirit boosters weren't the most difficult ones to create, but the cheerleaders did them with all the pride and skill that was inside each one of them. That's what a cheerleader is. A hard-working athlete that performs with pride and devotion, and expects no tangible rewards but the satisfaction he or she gets from cheerleading.

Varsity Earns Respect

The Union Yankee varsity squad gained recognition and respectability as a contender in the conference this past basketball season.

Our teams expectations were high, but attainable in the most balanced basketball conference there has been in the Bi-County for a long time. It was proven that on any given night any team within our conference could beat another, or be close, with the Yankees losing six games by three points or less. The Yankees placed second in the Winola Holiday Tourney, which was one of the high points of the season.

The 9 and 14 Yankees were led by senior, Darren Beal, a unanimous first team Bi-County selection, a member of the WMOI and Review Atlas all area teams, a chosen player-of-the-week by the Review Atlas, a member of the Winola Holiday Tourney team and a honorable mention all-stater. Roger Zielke, a junior, was chosen on the second team Bi-County and selected on the Review Atlas all area team. Roger was also chosen as a Prep player-of-the-week by the Review Atlas and named to the Winola Holiday Tourney team. Rounding out the team effort were Senior, Jay Law; Juniors, Brad Bonner, Mike Ford, Derek Reid, and John Weis; Sophomores, Scott Avery, David Bielser, Phil Bigger, and Chad Gall.

Although we lose three valuable seniors, we have a young well-rounded nucleus returning. With continued individual and team practice, the Yankees will be working toward new team goals beginning with a Bi-County title.

Coach Russell Galusha

Respectable J.V.s Achieve Goals

The 1987-88 Union Yankee J.V. basketball team finished with a very respectable record of 10 wins and 8 losses. The team consisted of 6 freshmen and 6 sophomores. The six sophomores included Chad Gall, Phil Bigger, Scott Avery, David Bielser, John Irwin, and Kevin Kirberg. The six freshmen were Thad Salter, Brett Seitz, Kyle Guthrie, Chad Hallgren, Tim Zielke and Tom Zielke. This was a very coachable group of boys, who worked hard to improve themselves.

We reached our goal of 10 wins. We knew that 10 wins would assure us of having a winning record. The record was a reflection of the total team effort by all the boys. They worked hard in practice to not only improve themselves but their teammates as well. This is something the boys can be proud of. Hopefully, they will carry it over into the future.

I believe these 12 players have the potential to go on, in the next couple of years, and make the Yankee basketball a very strong program.

The Varsity Lady Yankees played an outstanding season with a record of 16 and 5, which set a new school record for most wins in a season.

- 1. Bi County Conference Champions.*
- 2. Second place in the Bi County Tournament.*
- 3. Consolation winners in the Colchester Invitational*

Individual honors were received by:

Billie Forrester — 1st team All Conference, 1st team Monmouth Review Atlas.

Katrina Knottnerus — 2nd team All Conference, 2nd team Monmouth Review Atlas.

Jennie Evans — 2nd team All Conference.

Michelle Shutwell — Honorable mention.

The girls are looking forward to the 1988-89 season with eight returning lettermen. They all have a competitive spirit which makes them great champions. Congratulations, Bi County Champions!!

J.V.'s Finish Above .500

The unselfish and unified J.V. Lady Yankees finished the season 10 and 8, a record better than the .500 record predicted early in the season. This success was due to the girls attitudes. They were concerned with only two things: playing well as a team and beating the opponent. The team had two obstacles to overcome during the year. The first was that the team was shorter than every one of its opponents except one. The other obstacle was that nearly everyone of their opponents had a Jr. High basketball program. When the Union ladies were playing in their first and second season, the other team was in their fourth or fifth.

The J.V.s won second in the Bi-County Conference and beat Southern in each of their three meetings. To prove to the public just how determined and talented they were, the girls lost only one game after the first of the year. Prospects for next year's team look good. The freshmen gained valuable experience from the generous sophomores. Also, a promising group of eighth graders anxiously await their turn at high school ball. Furthermore, the success of the J.V. and Varsity Lady Yankees in the 1987-88 season served as good advertising for next year.

Union Boys Are — "Pansies"?

Thirty two year track coach, Larry Sterett.

The 1988 Union Yankee track team had a stupendous season. The team as a whole placed third in the Bi-County and second in the Frost-Bite Open. Along with these achievements, there was also many individual awards. The varsity squad had seven seniors, so next year the team will lack a lot of experience. Heather Boyer kept stats for the team all year.

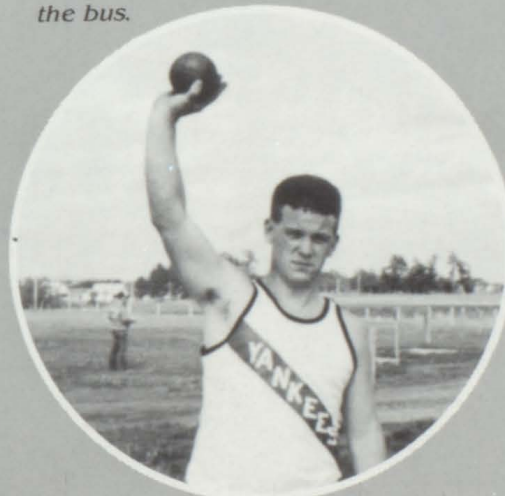

The boys took track seriously when it was important. But these guys also had enormous amounts of fun too. Once in the year, a comment was made in which the track boys were called "pansies." Although the team liked to occupy the bus on the nights of chilly meets, they were not "pansies." The boys received a great number of medals and ribbons during the year which showed their interest in the sport.

Darren was the first leg of Union's infamous 4 x 100 relay.

I WON'T FORGET YOU

After a decisive victory over Avon, the Student Council hosted the Homecoming Dance in the Union High School gym. The gym was decorated in an explosion of light blue and pink streamers and balloons.

"I Won't Forget You," the theme chosen for the Homecoming Dance was one that truly described this gala festive occasion of victory and celebration.

Of course the Royal Courts "Won't Forget." The senior candidates for Queen were Melanie Meloan, Kris Weber, Sherry Meyer and Kelly Seitz; for King were John Olson, Jim Ward, Mick Olson and Andy Dunn. Completing the Royal Court were Freshmen attendants, Thad Salter and Tammy Millar; Sophomore attendants, Todd Hopkins and Jenna Weber; Junior attendants, Roger Zielke and Michelle Caves. 1986 Queen, April Shulins, and King, Scott Pullen, officially crowned Melanie Meloan and John Olson as the reigning 1987 Homecoming Queen and King.

HOMECOMING

One More Dance

Tammy Miller, Thad Salter

Homecoming week was full of fun and surprises. The unique days were silence/tag day, favorite hat & stuffed animal day, beach bum & shades day, grafitti day, bed head, pajama, nerd and punk day. Last but not least backwards day.

There were a lot of wild and crazy contests like the balloon shaving contest in which Mr. Shimmin was the victim. The orange-passing contest, the grape eating contest which was won by Sherry Meyer, and the tug-a-war which seniors proved champions again were fun to watch and cheer on.

A lip sync contest was added to spark things up. The competitors were 1st hour P.E., Cheerleaders, Volleyball team, and Leather and Lace. Leather and Lace were the big winners. This was a very exciting and entertaining week for everyone.

Here's my autograph!

What am I supposed to do with it?

KDWD rocks!

The annual sweetheart dance was brought about by FFA and FHA on the evening of March 12. Red, pink, and white streamers and heart-shaped balloons were placed decoratively throughout the area of the gymnasium. The variety of music was provided by the Burlington radio station KDWD Rock 93.5 FM. The adorable crown bearers were Kerri Waddell and Adam Parsons. The flowers for the queen were presented by Sarah Brokaw.

The FFA and FHA candidates selected for King and Queen were presented to John Olson and Kelly Seitz.

You could tell by the look on their faces that they were very thrilled and well deserving of this honor.

Overall, there was a large turnout and everyone really enjoyed themselves.

Art Winners!

Union placed first overall at the 1988 Bi County Art Show held at Roseville High School. Viewing of the show was held Friday and Saturday. The set up and judging was March 17. Judges for this colorful event were Mrs. Karyn Brodine from Knoxville High School and Dr. Richard Law from Western Illinois University. Everyone who entered this contest displayed exceptional artwork. All students worked hard and spent extra time to make their artwork pleasing and satisfying. We should all be proud of this major art accomplishment.

There was one third: Kim Doss, and seven seconds: Travis Olson, Ron White, Renee Winchel, Laura Thompson, Marcy Hawkins, Dan Defenbaugh, and Jeff Pullen. There were seventeen firsts: Travis Olson, Ron White, Laura Thompson, Kris Weber, Pammi Norman, Pam Peterson (2), Alan Miller, Mike Robertson, Melanie Meloan (3), Andy Robbins, Anh Nguyen, Jason Williams, John Hopkins, and Laurel Williams. Congratulations to all participants!

Bye Bye Birdie was one of Union's best musicals ever. The cast had a lot of fun preparing and achieving this successful play. Bye Bye Birdie is based on the lives of the people in Conrad Birdie's life. Albert Peterson, Birdie's manager, and his secretary Rose Alvarez, came up with an idea to send Conrad Birdie to the army and make money all at the same time. He wrote a song "One Last Kiss," in which Conrad would pick from random, a fan club member, Kim McAfee, and sing it to her on the Ed Sullivan Show. This segment proved to be a little too much for Conrad, who was more than ready to leave Sweet Apple and go into the Army.

Some Quotes we will never forget:

"Egotistical, selfish-human beasts"; "Use them"; "You are merely woman, I am man"; "Oh and wear your rubbers"; "Disobediant, disrespectful oafs"; "I didn't know what puberty was, till I was almost past it"; "Man, I hope I never get that tense"; "Milk, but it worked"; "Let's have an ORGY".

HONESTLY

Honestly

*Honestly I love you and honestly I care
Earnestly and honestly I always will be there
Dancing with you, to be honest,
seemed like heaven to me.
Always I'll remember when we danced faithfully
It was prom, a night I won't forget
In this book this memories live yet
To keep these memories from being faded
This prom book is dedicated.*

On the evening of Friday, May 6, Prom was held at the Holiday Inn in the Regency room.

The Junior class president, Roger Zielke welcomed classmates and guests to this special event. Pam Peterson representing the Senior class gave the response.

The narrators for the coronation ceremony were Kristi Millar and Stephanie Showers. They introduced the Royal Court and then announced the 1988 Prom King, Roger Zielke and Queen, Tami Hains. Other members of the Royal Court were Michelle Caves, Jennifer Evans, Jennifer Shutwell, Michelle Shutwell, Jim Bevenour, David Kneedy, Chad Link, James McCabe.

Colors of this marvelous event, Black, Peach & Silver, abounded throughout the Regency room and in the floral arrangements and table decorations and souvenirs.

"Honestly" the Junior Class put on a fine Prom.

PRESENTING

Graduation is a memorable and solemn occasion. We must make sure we keep a sense of tradition & honor those all involved. Graduation was a mix of traditional Pomp and Circumstance with an added flair of individuality which recognizes our class of '88.

It was held on May 26 at 8:00 p.m. Reverend John Irwin of Biggsville United Presbyterian Church gave the Invocation, Sermon and the Benediction. The Junior class escorts were Pamela Cook and Roger Zielke. The top ten percent of this years Seniors class were Kris Weber, Darren James, Darren Beal, Heather Boyer, and Shawwna Fredrickson. The Salutatorian, Darren James and Valedictorian, Kris Weber gave their long awaited and prepared speeches. The pride in all the Seniors showed as they received their diplomas and stepped out for the beginning of the rest of their lives.

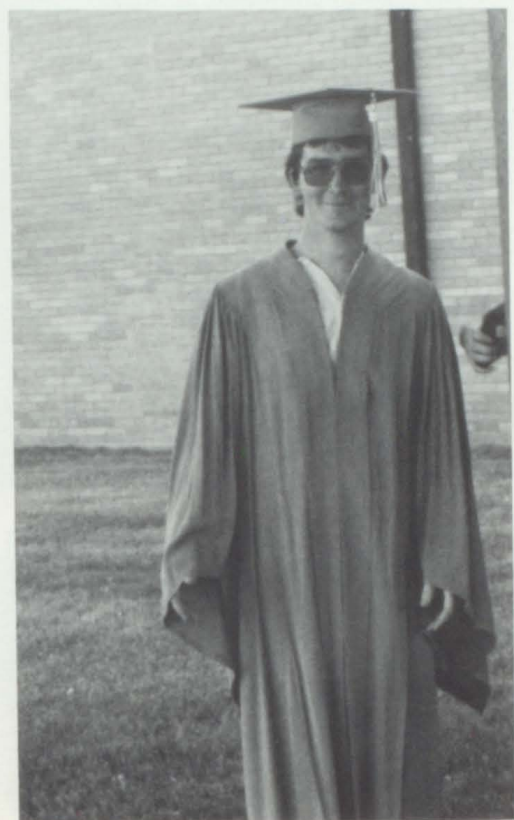

We hope that our Seniors recognize the important step they made and feel that their most memorable moments were here among friends and faculty at Union.

It's alright to take Jay's picture tonight.
