# Fun In The Sun

Many students had a very productive summer while some just enjoyed the sunshine. Several students got jobs that took a lot of their fun-time away. Some went to camps such as cheerleading, volleyball, basketball, and a few even went to a diabetic camp for kids as counselors. While some improved their technique at waterskiing, others such as Mr. and Mrs. Strachan got married. Most people enjoyed a small get

away to places like Six Flags, water parks, or just camping for the weekend. Summer is a great time to explore the things you normally wouldn't have the time to see during the school year. As a senior, I'm looking forward to spending my last summer at home with all my friends and having lots of fun!!

Good Luck Class of '93

Cindy Frank

Jennifer Good and Jena McCabe enjoy the hot tub while in Florida.

Wendy VanNice, Cindy Frank, and Kendra Thompson show the Lady Yanks Bi-County victory in the parade while riding in the Envision.

Shelly Foster, Cindy Frank, and Jody Owens enjoy themselves at diabetic camp as jr. counselors.

Jay John and Amy Hull enjoy a day at Six Flags.

During the summer, Tara Rice plays softball, while her Dad helps coach.

Julie Zielkie tries to get her boyfriend, Mickey Parkins, to smile for the camera.

Mary Francis and Shawn Strachan were married last summer.

The Union cheerleaders show school spirit by trying to gain support for sports.

Kari Bailey, a member of Galesburg Express volleyball club, blocks during a tournament.

Eric Carlson examines an engine, while working at Wareco.

Chad Robbins and Jason Dickey go to Colorado for some real summer fun?

## What you said about Senioritis

"Yes, there's Senioritis."  
-Sarah Marks, Freshman

"Kinda, there's a little bit."  
-Kati Bailey, Freshman

"No, I don't think there's Senioritis."  
-Aaron Williams, Sophomore

"When getting shirts, I heard a Senior  
say that she wanted one that said, 'I'm a  
Senior, worship me'.  
-Brian Hunter, Sophomore

"I don't feel there is a lot of  
Senioritis."  
-Astrid Melvin, Junior

"I think there's a little Senioritis,  
but there always will be."  
-Aaron Detrick, Junior

"Senioritis doesn't exist, it's just an  
assumption of a four year student, who  
is tired of school."  
-Jason Thompson, Senior

"Bad, Bad, because I have all the  
Power!"  
-Jody Owens, Senior

"I think our Seniors have come down  
to earth and are more concerned  
about what's going to happen to  
them in the future."  
-Mrs. Jake, Teacher

"I don't think there's a lot of  
Senioritis compared to other  
classes, yet. I haven't heard from  
Seniors, 'I can't wait to get out of  
here.', and I haven't heard them  
counting the days down to  
graduation."  
-Mr. Sorensen, Teacher

Jody Owens expresses the real  
meaning of "seafood".

# Now and Then

We laughed until we had to cry  
We loved right down to our last  
goodbyes  
We were the best, I think, we'll  
ever be  
Just you and me, for a moment

We chased that dream we never  
found  
and sometimes we let each  
other down  
Time goes on, people touch,  
then they're gone

Someday when we reminisce  
We'll all say there wasn't too  
much we missed.

And through the years, we'll  
smile when we recall,  
We had it all,  
For just a moment

# Juniors

Well we are finally Juniors! For most of us, our Junior year was filled with fun and success, despite having to take semesters. At the beginning of the year we started raising money for prom. We had some outstanding salesmen! Good Job! We hope that all of our hard work will be rewarded with a terrific prom and many wonderful memories that we will never forget.

We were all probably a little bit nervous taking our driving test. Those people at the driving station can sure be intimidating. Now that we have our license, our parents are the ones that are nervous, especially when they ride with us.

Our class is very proud to have two Juniors qualify for state in golf. Congratulations to Tara and Shawn! The varsity volleyball team had five junior members, and the team did very well by advancing to sectionals. The football team also had many talented Juniors, as did the basketball, track, and cheerleading squads.

Look out for the class of '94! We're on our way!

# Class of '95

This year was our chance to enjoy life as a sophomore. There are a lot of good things about your sophomore year, you get your class ring, most get their driver's license, and the best thing about being a sophomore is, we are no longer freshmen. Right now we don't have to worry about being pushed around by big people or stuffed in a locker like the freshmen do. This year we know what to expect from our teachers and don't feel intimidated, although some of us are pretty good at intimidating our teachers!

This year's class is a diverse group of people. We have many intelligent students that may some day lead the world. We also have many good athletes who may someday be playing for a large university. But hopefully we will all go out into that big world and fulfill our dreams and have success in what we do. But now is not the time to worry about that because we have plenty of time in the future. Now we can enjoy this year and have fun.

# Freshmen

The Freshmen class always gets pushed around by the upperclassmen. The girls are always trying to get the Junior and Senior boys to notice them and eventually take them to prom.

Most of the Freshmen are in class by the time the first bell rings and some are in the cafeteria copying each others homework.

The Freshmen are always in groups. They walk down the hall together, eat lunch together, and the girls even go to the restroom together.

So all you Freshmen just remember that we will be Seniors some day and when we are we will pick on the Freshmen just like the upperclassmen pick on us.

# Give a Hand To....

The Administration has worked hard in helping make Union a better place. Starting with the new elementary/jr. high school being built on to the high school has brought all the kids together. The Unit Office was moved into the new school along with a larger library to be shared by all students.

Also at Union new classes began. The new classes are Advanced Accounting, Industrial Arts, 20th Century, Legal Issues, Music Appreciation, and Computer Science. The computer labs were upgraded and four new computers were added for the use of everyone at Union.

The appearance at Union has also changed. The walls and lockers are being painted blue. Finally the awning in front of the High School is being replaced.

Hopefully the improvements of Union will continue for years to come.

# Together We Win

Teamwork, fun, effort and determination all add up to the most successful season in the history of U.H.S. -Coach Pat Olson

Again all the Lady Yanks heard from the beginning of the season was that they had lost too many Senior girls the year before. No one believed the Lady Yanks volleyball team could be successful after losing five Seniors. But as the story goes on, once again the Lady Yanks pulled through with a 21-8-1 record.

At the beginning of the season the girls played with the attitude that, Volleyball Is Our Business and Business is Good. This saying has kept them going throughout the tournaments they participated in. Bringing home a 3rd at the CSC Tournament, 3rd at the Macomb Invitational, and 2nd at the Sherrard Tournament, was quite a feat for the team of only four experienced

seniors. The real challenge started with Regionals. Being rated 1st the Lady Yanks felt good about the whole deal, but the championship game sent Union against Southern for the 4th time. Was volleyball the real business or was togetherness? The Lady Yanks realized during Regionals "Together We Win". This attitude took them to Abingdon, where Sectionals were held. Lady Yanks had to challenge their rivals, the Roseville Panthers, throughout the season. "Together We Win" kept the girls playing hard throughout the hard fought battle. Unfortunately the Lady Yanks were defeated. But together they accomplished much more than they thought they could.

"There was a great deal of improvement during the second half of the season. -Coach Mary Strachan

J. V. Volleyball was a season of learning and improving. The season started off a little shaky with all the girls by the end of the season we all got along. Not only did we learn a lot, our Coach Mrs. Strachan did, too. During our last tournament the first game was a little disappointing, in the end we came together and played like a team. We know that our team in the future will be successfully.

# Starting a tradition

"We learned many things, most of which is to never quit on ourselves." -Coach Jeff Flater

The 1992-1993 Yankees struggled through a frustrating 0-9 season, under second year coach Jeff Flater. Despite the record, the Yanks didn't quit. They worked hard every night, be it in practice or in a game. In fact the number of student-athletes on the team, increased this year to 43. The seniors showed leadership as always, even though five of them were first year players.

The season showed dedication on everyone's part, including players, coaching staff, and fans. The ability to go through a season winless,

and bounce back the next, even without the seniors show a lot of character. In the words of Coach Flater, "It would have been easy to quit and separate from our lack of wins, but no one did. As we may feel disappointed, we are also excited about things to come". Despite the win-loss column, this season showed all the Yankee football members, to be winners.

# A Positive Outlook

"The improvement these kids made was unbelievable. By the end of the season, they were playing with a lot of confidence." -Coach Tom Fisher

Many sports seasons are filled with ups and downs, but not the 1992 Union JV Football Team. At the beginning of the year we were just plain bad. More like the Keystone Cops than an organized football team. But with the help of a third coach added to the football program, more attention was given to the young Yankees and the team went from bad to good and stayed there.

The turning point of our season was the game at Yorkwood on a cold, snowy night. The team played well and held a lead 8 to 6 with 14 seconds to go in the half. Yorkwood had the ball at midfield and scored on a trick play to take the lead.

Yorkwood went inside for half time and we sat outside on blankets eating some grapes and oranges provided by

our Mom's team. The team was very quiet. We knew we had outplayed them. Do we give up and let them have the win, not this time. The second half of this game was all Union.

At this point in the season we felt we could play with anyone, with the possible exception of LaHarpe Northwestern.

An example of this was the last game of the season with Southern, who was undefeated. We were behind 16-0 at half-time, but played very well in the second half only to run out of time trailing 24-22.

In the locker room the players were talking about next year, not aware that their positive attitude insures their future success.

"I think last year we expected to win, but this year we didn't. This year was definately better than last." -Coach Alan Sorensen

For the first time the Lady Yanks held the LadyYank Classic. Each game the Lady Yanks played was close and challenging. The game against Alexis was a buzzer beater.

# A New Beginning

"It was a learning experience. We started with basics and worked our way from there." -Coach Mary Strachan

The JV girls basketball team this season started out really rough. We didn't have the greatest record, but that doesn't mean we didn't have the ability. This was the most of the girls first year of going out or that matter first year even playing basketball. We didn't have a junior high level of basketball, so we had to spend most of the year earning our basic fundamentals. Everyone on the team has the ability to be good basketball players, but I think it's going to take a little while for us to be able to work together, since we never have. We all just need a little bit more work with basketball. It wasn't the

greatest record, but we put all we could into it and had a lot of fun.

# Renewed Hopes

"What you get by reaching your destination isn't nearly as important as what you became by reaching that destination." - Zig Ziglar

The 1992-93 basketball season brought renewed hopes and goals for the varsity members. As with any sport, anticipation and eagerness awaited the young men as the season drew near. The Yankees returned 6 seniors from the previous year, providing much needed experience to a prevalently young squad. The seniors included: Ryan Anderson, Andy Bertelsen, Ben Capps, Eric Elliot, Michael Seitz, and Bryan Spence.

Many goals were written by team members before the season began. Some of the goals were reached and the others were pushed back due to a lack of time. One of the goals reached by the team was capturing the Bi-County bell. The Yanks defeated defending conference champions

Northwestern in the Bi-County opener to win the bell. Another goal was to win the conference tournament. When the team ran out of time for this goal the next best plan was to beat the tournament champions, which the Yanks did by defeating Avon.

The end of any season always brings bittersweet thoughts. Memories of past experiences during games and practice will be recalled, discussed, and shared for years to come. For those who are leaving, we wish you well and we congratulate you for having the courage to try.

"If you want to be good at anything, it takes a lot of hard work and sacrifices." -Coach Shawn Strachan

The 92-93 Union J.V. Basketball Teams was a group of hard working young men that parents should be proud of. This team should not be rated by the number of wins and losses, but by the hard work and dedication to the sport as well to the school. They finished the season with the record of two wins and seventeen losses, they were beaten by less than ten points in seven of those games. This shows that the young men worked hard every game and fought to the end. They received many compliments from

other coaches in the league for playing hard and not quitting when they were down. This is a great compliment for the young men.

They are very responsible towards their cheerleading obligations and school spirit and sportsmanship. They have learned sev-

# Perfection under Pressure

The Graphic Design Class at Union High School was responsible for creating this book. The process of putting together a book of this nature requires input and contributions from many people. Along with our Graphic Design students; the Administration, Faculty, Coaches, and the Student Body were all involved.

This is your book and we hope it accurately reflects the activities and the attitudes of the 1992-93 school year at U.H.S..

For a group to accomplish any task it needs leadership and the leadership for our group was provided by our editor, Kari Bailey. Kari did a great job of establishing a theme and laying out the book. Much of the work was completed before school even started at a three day workshop sponsored by Walsworth Publishing Company. Kari's work was so thorough and well received by the class that we were able to use it throughout the year with very little modification.

When Kari found out, as a junior, that she would be the editor of this book, the first goal that she set was to improve the continuity of the book. She wanted to establish a strong theme and then carry that theme throughout the book. I hope that you feel she succeeded. If for some reason she didn't, it was not for a lack of effort. Kari led this group by setting an example of hard work and dedication for the other students to follow Kari's goal of improving the consistency of the book was in perfect timing with a major change in the way that we prepared the pages for this book. This was the first year that Union High School students assembled the yearbook using a computer. It was a slow and painful process. The software that we used is difficult to learn and at the start of the year only a small group of the students had any experience with it. At one point our yearbook representative asked if we were sure that we wanted to do this.

Chad Robbins erased any doubt about us reverting to the old method. Chad decided that this was something he wanted to excel at and he made a commitment to learn the program. This required a great deal of time. Chad became a fixture at our Macintosh before school, during homeroom, lunch, study hall, and after school. UHS is forever indebted to Chad for ushering us into the computer age of desktop publishing. But Chad is not leaving Union empty handed. He took advantage of an educational opportunity that will benefit him for the rest of his life.

And others followed. Paul Elledge, Keri Palazzo, and Kari Bailey stepped up to enter their pages on the computer. Soon most of the students were capable of loading one of the templates that Chad had created and finishing off a page.

There is a lot of work to be done before a page can be laid out. A page has to be planned, pictures have to be taken, captions, headlines, and body copy have to be written. Several students took on the additional responsibility of coordinating an entire section of the book. Shelly Foster was responsible for the senior pages and student life along with being our fund raising manager. Cindy Frank looked after the school's activities, Carey Carrier was in charge of organizations and Paul Elledge took care of the ad pages.

Every student in the class was responsible for several pages of the book. Along with that there were other responsibilities. Jennifer Oliver took care of our recordkeeping, Neil Weir kept our computers working, Wendy VanNice and Amy Hull proved to be productive

L. to R. Front Row - Neil Weir, Paul Elledge. Middle Row - Chad Robbins, Ryan Anderson, Vannie Keever, Michael Seitz. Middle Row - Kari Bailey, Wendy VanNice, Cindy Frank, Amy Hull. Back Row - Carey Carrier, Keri Palazzo, and Jennifer Oliver.

writers and typists, BJ Teitsworth was our Oquawka correspondent, making many trips to the Current and Mr. Eckley's house.

In addition to our yearbook responsibilities, this year our students produced the winter and fall sports program. The students most active with this were Mike Seitz, Ryan Anderson, Vannie Keever, Paul Elledge, Carey Carrier and Neil Weir. Also helping with the sports program were George Eckley, Pat Olson, Barb Gray, and Jeff Flater.

Special thanks also to Barb Price, Ray Goff, Deb Cole, Mr. Kaufman (our yearbook representative), and all of the coaches. The support and cooperation that we received from these people made this book much easier to produce.

Any group of people will produce leaders, workers and followers and this group of students is no different. I don't think I have ever had the pleasure of working with a group of students more productive and goodnatured than this one. Good Luck to the Class of 93.

Kari Bailey, the editor, working hard with Mr. Kaufman

The yearbook club is a large group of students, who have stepped forward, in the interest of improving our yearbook. In September we began selling subscriptions to magazines.

Traveling to area towns the yearbook club members pursued business to by ads for the yearbook. The ads in the back of the book are the businesses that have supported the UHS yearbook. Graphic Design is much appreciated to the students, who helped sell the ads and the businesses, who bought ads.

Speech Team's focus of being able to speak and read well before an audience is an art that takes much practice. The members work with selections that are funny or serious, interpretative, or original, and they perform these for clubs, organizations, and contests. This year's members helped host the Bi-County Speech Tournament at Union High School.

Competing in the Bi-County Speech Tournament were: Bryan Spence; HI-2nd; Dan Hill, Extempore-3rd; Dan Hill and Jason Thompson, DDA-3rd; Jason Hawkins, Original Comedy-3rd; Jennifer Good, Oratory-4th; Brenda West, Declamation-5th; Kelly Carlson and Cindy Larson, HDA-6th; Tara Smith, Prose-6th; Sandy Miller, Verse-7th; and Jim Dixon, Radio-7th.

As this is Mrs. Jake's last year as the sponsor for Speech Team, we would like to thank her for all of her hard work and wish her a happy retirement!

## Talking Up A Successful Year!

## Leading the Way

Student Council has been a very active organization this year. We've done many things, such as Academic Breakfast and Halloween cider and donuts. Homecoming turned out to be fantastic this year. You could tell the student body really enjoyed themselves. Not to mention the community's involvement with the banner presentations. The sports banner's got off to a slow start last year but this year they have really progressed.

I've been in Student Council for three years now and I can honestly say that this year has been the best year ever. We've done so much more and we have gotten along so well to help each other out. Our Sponsors Ms. Olson and Mr. Sorensen have done a really nice job and have come up with some really nice ideas.

I encourage the student body to get involved with their school and try to make it a better place.

# Tunin' Up

The Union High School band had quite a year. Directed by Mrs. Peterson the band played at home games. The band sat on the stage and played during basketball games and marched on the field during football games.

The band received 2nd place at the Organizational Contest. Individually the band participated in the Solo and Ensemble Contest.

For the community and school, the band had a spring and fall concert. Each were very successful. This year Mrs. Peterson extra worked hard for the spring concert. With the approval of the teachers, Mrs. Peterson brought the junior high and the high school together to play. After many hard days of practicing, the two bands performed at the spring concert. Mrs. Peterson, the junior high and the high school played brilliantly. Keep up the practice and hard work. Job well done!

Twenty-four voices came together to form another successful year in 1992-93 for the UHS vocal music department.

The students divided into three different performing groups: the Concert Choir, Treble Choir, and Show/Jazz Choir.

The choir studied vocal techniques including breath support, correct vowels, tone quality, diction, and phrasing.

UHS choirs presented a fall concert of ethnic music, and traditional Christmas and Spring concerts, as well as singing for other community events.

UHS once again was very successful at both IHSA State Organizational Contest and IHSA Solo/Ensemble Contest.

The 1992-93 UHS Show Choir was made up of 16 students who rehearsed during Homeroom.

The ensemble performed a variety of literature, ranging from traditional madrigals to vocal jazz.

Show Choir performed at community events throughout the year, as well as competing in the Vocal Jazz division of the IHSA State Contest at Abingdon.

## Adding Up To A

On March 13, 1993 twenty-four Union High students took part in the Illinois Council of Teachers of Mathematics Regional Mathematics Contest at Western Illinois University at Macomb, IL.

The students took written exams in Alegebra Geometry, Algebra II, Pre-Calculus; and team competition of smaller groups were: Eight Person Freshman-Sophomore, Eight Person Junior-Senior, Two Person Freshman-Sophomore, Two Person Junior-Senior, Five Person (2 seniors, 1 junior, 1 sophomore, 1 freshman) Calculating Team. Jay Fude made an Oral Presentation on "Markou Chains". Union's top students in the written exams were: Kelly Meyer and Carey Carrier in Pre-Calculus, Paul Elledge in Algebra II, Carl Droste and Cindy Larson in Geometry, and Greg VanNice in Algebra I.

The ICTM Team from UHS scored a total of 189 points, 45 points better than last year's team, to place eighth out of eleven schools. The team is coached by Steve Shimmin.

Greg Van Nice became the first member of a Union ICTM Mathematics Team to qualify for State ICTM Contest. He tied for fifth in Algebra I at the Regional Contest.

Tim Zielke gave up a day of his spring break from the University of Illinois to help the team by proctoring some of the other schools exams. Mr. Larry Sterett also proctored some of the exams.

Math Club is a group of students that take six question tests. Each test is taken during homeroom. The test lasts for 30 minutes. The students compete against each other and other math students in Illinois.

This year the top freshman was Jason Dickey with 6 correct. The top sophomore with 14 correct was Cindy Larson. The top Junior was Carey Carrier with 15 correct. The top Senior this year with 17 correct was Jay Fude.

## Need A Helping Hand

If you need to talk, need help on homework, or would like to get involved in school activities, the person to talk to is Mr. O'Brien. Mr. O'Brien is the Guidance Counselor and the "boss" when dealing with Peer Helpers.

Peer Helpers provide assistance to classmates ranging from tutoring, welcoming new students, helping students in distress, organizing school activities, assisting in elementary and regional programs, and being their for classmates when they just need a friend.

The Peer Helpers Team is coordinated through the Guidance Office and members are selected by classmates' surveys and impact from team members.

Mr. O'Brien deserves a big thanks for all his time and effort put into helping each and everyone of us.

On February 2, 1993, fourteen students from Union, along with Coach Steve Shimmin traveled to compete in the District JETS, Junior Engineering Technical Society, competition at Carl Sandburg Junior College in Carthage. Each student took two tests from the following seven subjects: Mathematics, English, Chemistry, Computers, Graphics, Pysics, and Biology. The team placed third. This marked the third year in a row that Union has received a team trophy.

Jay Fude placed first in Physics and Kelly Meyer placed second in Mathematics which allowed them to advance to the Regional Contest at Western Illinois University on February 25, 1993. If a student or team should place first or second, they will advance to regional competition. Good job to everyone who participated.

## Happy Homemakers

FHA is usually an active organization but this year there were some problems. So we didn't get all of the activities accomplished. The things we got to do were bowling at Country Fun and our annual shopping trip. Our Spring Tea which was held at Union, May 12 was a success. What this was, is, every member writes letters every month to their secret friend and tries to find something unique from them. At the tea, the members were revealed and gifts were exchanged. Our secret friends really enjoyed receiving letters from us. Even though this year did not turn out as well as planned, next year will definitely be better!

This year's officers were: Suzanne Wiskirken, President; Jennifer Oliver, V. President; Audra Manes, Sec./Treasurer; Candy Dunn, Senior Director; Ange Herbaugh, Junior Director; Brenda West, Sophomore Director; Sandy Miller, Freshman Director. Mrs. Weber was our sponsor. The officers are appreciated for their moral support, in time of need, for Mrs. Weber.

NHS - National Honor Society has had another successful year, by serving the community and school. This year NHS helped out with the Chad Pierce's Benefit and the usual Valentine Sales. Also this year NHS voted in several students and one community member into NHS.

NHS inducted Nicole Deyo, Cindy Larson, Michael Lathrop, Matt Weber, Carl Droste, and Wesley Bower. Adriana Gonzalez, Barbara Grunewald, and Mrs. Price were inducted as honorary members.

To be inducted the student has to hold a 4.25 GPA and a sophomore status. The student must show leadership skills through activities. By providing help to the school or community the student shows service. The nominee must be considered to be a good citizen and have sound moral character. NHS nominees are voted on by the faculty for continued membership.

The day of induction the students gathered in the gym. In front of the whole school, the new NHS members were named. After the ceremony in the gym, the ceremony continued in the Home Ec room. Here the new NHS members took the oath. The Food Service class made a delicious brunch for NHS members and their families.

The 1992-93 Academic Bowl team has been busy with competitions. The first place we went was Bushell, for a multi school competition. We placed 4th in LaHarpe, at the second annual Bi-County Academic Bowl competition. Our next stop was Rockridge. Then went on to Aledo, for a round robin competition. We finished the season at Nauvoo-Colusa. That was the only meet in which we played Junior and Senior Varsity matches. With the J.V. taking their mathc, we're looking forward to a strong team next year.

## FOREIGNERS AND THEIR FRIENDS

American Field Service, or AFS, is an intercultural exchange program for high school students.

The 1992-1993 AFS Chapter has been very successful. This year there were two students visiting us from foreign countries. They are Adriana Gonzalez from Bogota, Columbia and Barbara Grunewald from Winkel, Switzerland. Adriana (Nana) resides in Oquawka, Illinois with the Foster family. Barbara resides in Gladstone, Illinois with the Thompson family. Both girls have adapted very well to their new environment and are enjoying their stay in America.

The AFS Chapter has participated in many activities throughout the summer and the school year including the fall play "Life of the Party," the annual AFS weekend, the "Plowboy Prom," the summer softball tournament in which we finished in third place, and the short term exchange to Goodland Kansas.

This year UHS presented "The Yankee Doodle," on March 26 and 27 and was directed by Tricia Alexander and Barb Gray. Jason Thompson played Duke Norton and Brenda West was Mary. The cast put a lot of great effort into making this years play fit together. They went through some rough spots but in the end it all pulled together.

After the play was over the cast all went to Sandy Miller's house for a little get together. They had a pizza eating contest between the girls and guys, but none of them seem to know who won.

There was a time  
I seemed to sail  
upon a vast, blue sea,  
Scanning the horizon  
for some distant, golden shore,  
Imagining that happiness  
lay just ahead of me  
In some wondrous perfect place  
I'd never seen before...

I came to comprehend  
That joy is in the journeying,
