

The background of the entire image is a dense, abstract pattern of small, multi-colored speckles and dots in shades of blue, green, red, and yellow. A large, semi-transparent diagonal line, colored in a mix of purple and blue, runs from the top-left towards the bottom-right, bisecting the entire composition.

ICTM

This year the team did very well. The Fresh/Soph Team made it to state. Overall nine members of the team made it to state. Mary Lewis got 1st place in Pre-Calculus. Her brothers, Tommy and Andy Lewis finished first and second in Algebra respectively. Looks like math runs in the family.

The ICTM team is better than the sum of its parts!

The ICTM competed against many other local schools in the area of mathematics.

FBLA

WYSE Team

WYSE Team competes against other schools in all different academic areas including; math, English, chemistry, physics, and biology. Amanda Schneider did very well receiving multiple first place medals. Other members who placed include Hannah Allaman, Miranda Wallace, and Bryan Earp.

FBLA stands for Future Business Leaders of America and is an organization that promotes practical business experiences for young people. This year the FBLA has gone on several field trips outside of school. Members have been very dedicated to supporting this group. At the end of the year the FBLA hosted a car wash as a fundraiser. Many cars were cleaned and the event was a success.

Band

Mary receives some unsolicited help from Hillary at the football game.

Above: Some of the senior girls take a moment to relieve some stress before performing at Solo and Ensemble Contest. Right: Do they think they are in a gang? Marching Band at West Central is a good bonding experience.

Chorus

West Central's music program offers many opportunities for students to express their creativity and ability while learning basic music theory and music history. Among the activities at West Central are marching band, concert band, choir, solo and ensemble contest, District Honors Band/Choir, and IHSA District Competition.

Pictured left Mr. Seyller, a student teacher this year, conducts the Choir.

Members of the choir dressed up to perform at this years spring concert.

Members of the choir get their groove on!

Is that a 3 Finger Ah?

Play

The play this year entitled, "The Locker Stalker," told the story of a group of intrepid high school students on an investigative assignment for the school paper. They were to look into a series of mysterious locker break-ins with scary, often hilarious results.

MMMMM

Student Council

As always StuCo worked at many events this year. Without their efforts many things at school would not get done. A FEW of the events they made possible include homecoming, the blood drive, the mock crash, and the school's recycling program.

A VERY big thank you goes out to Mrs. Kendall and Mrs. Frakes for advising the Student Council. Everyone appreciates all the little things you do to help out throughout the year! Thanks!!!

Yearbook

We made this

Above: Some members of the staff pause their work for a quick picture. Why do they all have bacon you ask? Read below to find out the answer to this and many other questions. Faced with the difficulties of scheduling meetings his staff could show up to Mr. Davis asked what he could do to motivate the staff to be better about attendance. He was surprised at their manic, gleeful response, "Just fry us bacon!" And since that fateful day yearbook attendance was never a problem again.

Below: Kaiti shrieks with glee as Maddy attempts to fry her first piece of bacon. Strange how few pictures their are of any yearbook staff actually working on the yearbook.... Perhaps we should have titled this page "Bacon Eating Club"

F.I.R.E. *Pride* *Promoting* at WC

Each quarter students were awarded for positive actions with a party. Some of the themes included make your own hot dog, ice cream sundae, and nachos.

Pictured above are the seniors who met all the criteria for an award during the 1st quarter. The groups got larger and larger as the year went on, which highlights the success of the F.I.R.E. program. Seems like lots of students wanted to get in on the hotdog eating contests they heard about from the parties. A special thank you goes out to the elementary for allowing us to use their cafeteria to house our slightly raucous parties.

Sadie Hilton and Danny Moore proudly display their t-shirt and certificate for winning the PRIDE award.

Students were also able to earn PRIDE Awards for an action that exemplified the qualities West Central instills in her students. Students were nominated by a faculty member and a description of the action was attached to the award. This award served to shine a spotlight on all of the amazing, inspiring actions students were already doing for the rest of the student body. The aim of this program was to motivate more students to go out of their way to be helpful, respectful, and in general to model the actions of a good member of the community.

National Honor Society

National Honor Society is an organization whose pupose is to honor students not only who achieve high scholastic achievement here at WC, but also show numerous examples of good citizenship. Students undergo close scrutiny by the faculty before being accepted into the ranks of NHS. Once members students are still expected to turn in service hours throughout the course of the year.

Art Club

Donating blood at the blood drive is Mr. Carver approved!

Blood Drive

Students at WC do the school proud by donating many units of blood each year at the blood drive. Gretchen is especially excited to help.

Showcase Night

Showcase Night was a huge success this year. It was well attended by parents, students, and faculty. Some of the events taking place that night included, chemistry demos, a cake auction, edible architecture, a faculty student scholastic bowl competition, cooking competition, and performances by the WC Band and Chorus.

DOWN and Dirty Dodgeball Tourney

YoCo organized a Dodgeball tournament between several area schools. The best part was it was catered by BWW's. Actually, the best part was Mr. Bradburn's face when he ate the blazin' wings!

Scholastic Bowl

Showin' the teachers who's boss

Below: Several members of the SchoBowl team prepare for their epic battle against WC's storied faculty.

It was very gracious of the faculty to let the students win.

Hannah and Mary appear more than ready for whatever trials await them in the upcoming meet.

This year the Scholastic Bowl team did very well. They played very competitively in conference play. They were lead in scoring by Brandon Carlson, Ethan Bigger, and Amanda Schneider. On the JV side of things Brad Bavery is proving to be especially promising. Scholastic Bowl is exceptionally entertaining, as anyone who has attended one of their practices can attest to.

Trap Shooting Team

Members of the trap shooting team show off some of the hardware they have won this season. This year was the inaugural year for the trap shooting team at WC. Members competed in various meets in the area. Hopefully the team will continue to grow and perform well in the coming years.

Bowling

The bowling team has continued their exceptional performance from previous years. They went to state yet again, finishing very respectably. Check out Dylan's unique form.

Soccer

The soccer team and swimming team are both club sports at WC. The Soccer team named, "Feugos Locos," performed exceptionally well in their first year beating much larger schools like Burlington in matches

Swimming

Kristin Wolf is a one woman wolfpack, and is hoping to have it grow next year. She is looking for her wolfpack to grow by 1 or 2 for next year. But seriously, this year she represented our school well at swim meets.

Football

FRIDAY NIGHT LIGHTS

West Central Football 2010

Football is a great deal like life in that it teaches that work, sacrifice, perseverance, competitive drive, selflessness and respect for authority is the price that each and every one of us must pay to achieve any goal that is worthwhile. -Vince Lombardi

WEST CENTRAL VOLLEYBALL

Bump, set, spike

The West Central Volleyball team showcases just how many volleyballs the school owns. Answer: A lot.

One of the most successful sporting events of the season is the Volley for the Cure night. Each year the Volleyball team puts on a night to raise awareness about breast cancer and to give support towards finding a cure.

The JV team huddles up to discuss strategy right before the game begins.

slow than
the wrong
thing fast.

-Coach
Carver

He shoots! He scores!

"The key is not
the "will to win"...
everybody has
that. It is the will
to prepare to win
that is important."

-Bobby Knight

The West Central Varsity Basketball Team's starting line-up includes Brandon Brent, Trey Goff, Shane Cavanaugh, Blake Durlinger, Timmy Holford, and Ethan Lafary (senior) as the 6th man. Other frequent contributors included Riley Cavanaugh, Logan Stogdill (senior), Eric Hilligoss (senior), and Alex Alliman (senior).

The JV Team has plenty of skilled players who will be looking to prove themselves on varsity in the coming years.

WEST CENTRAL GIRLS BASKETBALL

"Basketball doesn't
build character it
reveals it."

Mary Lewis and T-Cupps support one another before pre-game warm-ups start.

"Good, better, best.
Never let it rest.
Until your good is
better and your
better is best." —

This year the girls showed lots of promise sporting many young players on varsity who will surely progress with experience. The team also was anchored by solid leadership with four senior members

STOP! EVERYONE READ THIS:

Needless to say as this is my first experience as the adviser to the yearbook it has been a long, and at times very rocky, road. The yearbook could not have been made without the help of several people who I would like to take this opportunity to thank.

First of all I must recognize the hard work of my staff. Comprised primarily of freshman, my staff worked tirelessly and often without any sense of direction or leadership. They put in countless hours after school combating frustrating computer issues; an incompetent, poorly organized, and often frustrated adviser, and a host of other issues all to finish the often thankless and tedious tasks put before them. They did so without complaint and were paid only in bacon. I very much appreciate all the effort, time, and dedication you all put forth. Thank you.

I would be remiss if I did not mention a few seniors who stepped up and really helped out. They took the lead, organized jobs for other staff members, and generally picked up the liberal amounts of slack I left in my wake. I greatly appreciate all you seniors have done to make your yearbook successful.

Jim Straub my yearbook representative worked tirelessly with me. Repeatedly showing me how to do even the simplest tasks without ever showing signs of frustration. And he graciously covered up the many many many mistakes I have made throughout the year. I cannot thank him enough.

Finally, I would like to thank Deb Cole and everyone else at Cole's Photography for making the yearbook possible. Deb and her staff work countless hours taking pictures of every event at school, editing these pictures, and sharing them with me free of charge. I have gone to them far too many times when I was in a jam, and they have always helped me out. I would have had very few pictures to put in the yearbook without their gracious donations. I would strongly encourage all of you to give Cole's your patronage as they have more than earned it through their good deeds towards me..
