### From the West Central High School Yearbook Staff:

The 2014-2015 school year was another chapter in West Central's ongoing story. Throughout the year, we took many "snaps", made many "posts", "tweeted" so many tweets, and virtually documented so many memories of our high school career. As you flip through these pages, we hope to remind you of specific moments and chapters of the year that we hope you will never forget. The West Central yearbook staff is proud to present to you our coverage of the 2014-2015 school year.

# Fall Sports

## Action.

The boys and girls of fall had their own highs and lows. While the football team struggled to find success on the field, volleyball and golf had tremendous seasons. No matter how the season went, however, we couldn't help but be in the stands, cheering, and shouting for the Heat with the help of the cheerleaders and dance team.

Keep going to see the action!

# Football

## West Central Football

This year was a rough year for the Heat. However, no matter how hard things got, our boys never gave up. They ran down the field as fast as they could. They caught every pass that they could grip in their hands. They tackled as many people as they could take down. All in all, they gave it all they had and that's what kept us in the stands cheering and shouting until the very end.

**We took some hard hits and losses,**

*It's all about the plays you make and stop.*

but there were some really great moments too.

## West Central Volleyball

The West Central Volleyball team had a pretty great season this year. The girls traveled to away games and tournaments and proved their skills both at home and other courts. Their teamwork was evident by the end of the year. They had some unforgettable passes, some spectacular sets, some killer spikes, and some heart stopping blocks this season!

**Whether it's a spike aimed toward the face or an easy pass right over the net...**

**It's not getting over our net!**

**Above:** Senior, Madeline Brent, goes up for a spike!

**Left:** The team couldn't help but give themselves a round of applause this year.

**Above:** Senior, Taylor Rice, prepared to pass to a teammate.

# Golf

The golf team had a great season this year. Many team members had extremely successful seasons, especially, Senior, Jacob Wetzel, who made it all the way to State this year. However, many members had excellent puts, amazing drives, and so, the golf team had a lot of reasons to celebrate and enjoy their time on the green this year.

# Baton

Senior, Addie Gibbs, has used her talent of twirling to help cheer on and support our school very well this year. Her amazing control of her baton and her challenging routines have been a wonderful addition to West Central High School this year.

## Fall Candids

# Winter Sports

## Play.

This year West Central winter sports played their hearts out. Though some teams suffered some set backs, they kept on keeping on. The boys and girls basketball teams had some great moments. The bowling team, while technically didn't have any wins, had some memorable meets and times. All the while, the cheerleaders showed their love and support by cheering their hearts out for the heat.

Play your heart out!

# Boys Basketball

Our Seniors:

We had some extremely talented seniors this year on the men's basketball team. Their experience and skill helped lead the team to many successes this year. Great job, gentlemen!

**When they took the court, they meant business.**

**We  
couldn't  
help but  
cheer our  
hearts  
out for  
the Heat!**

# Girls Basketball

Our Seniors:

Our senior girls were excellent leaders both on and off the field during the season this year. Way to go girls! We are proud of you!

Whether on the bench

or talking strategy,

we give it our all!

# Bowling

The bowling team had a great season, despite what their record said. Due to small numbers, the Heat often lost tournaments; however, many members made or broke their own personal records. Good job, bowling team!

# Winter Sports' Candids

# Spring Sports

## Endurance.

The Spring Sports season was all about going as far as they possibly could. The softball girls had a very good season with many amazing plays. The track team ran fast, ran far, and competed in many field events with great success. The baseball team had many struggles this season, but they gave it their all.

# Softball

The ladies had a great season this year! They came together well as a team and found success on the field.

It's all about making the perfect catch

and smacking it out of the park!

**Go Heat!**

# Boys Track

The gentlemen on the track team this year showed a lot of talent and hard work throughout the season. They did well at meets and made West Central very proud!

# Girls Track

The ladies accomplished a lot of great things this year!

They put in a lot of long hours during the season and it showed in the meets that they attended. Well done, ladies! You made us proud!

# Baseball

WC Seniors:

Our seniors were great leaders both on and off the field this year. They tried their best to motivate underclassmen and to showcase their talent one last time on the diamond while wearing the "Heat" jersey. We are proud of all of your hard work this year gentlemen!

There were some great plays this year!

It's important to watch the ball!

Great job, baseball team!

# Class of 2015

The class of 2015 was an unforgettable class! For the most part they took their work seriously and thus, achieved a lot of great things while they were here; however, that doesn't mean that they were never silly or boisterous.

We wish you  
the best of  
luck Class of  
2015!
