Retirement

A Special Note

This yearbook is dedicated to Jeanne Seitz, who is retiring after 25 years of service to Henderson County as a math teacher. Her impact on students has been immeasurable, and we are very grateful for all that she has done for young people throughout the years. We wish her the best in retirement.

From Mr. Boyle: What a fantastic group of seniors to work with. Intelligence and good humor abound when you are lucky enough to spend time with Ash Gyovai, Tiffany VanDolah, Skyler Moede, and Jared Paulus. Kenna Armstrong and Conner Hill are not too shabby either. This is your WCHS Varsity Scholastic Bowl team. With a winning record and an even more winningly attitude it was a great season for all. Next year the team will be lead by Kenna and Conner and full of new faces at the Varsity level with the class of 2020 ready to take on the world.

Youth Coalition

The 2016-2017 school year was another very active one for Youth Coalition. Some of the highlights include volunteering at area food pantries, 8th grade orientation, and visiting residents at Oak Lane Nursing Home. We are very proud of the work that they have done!

Under new head coach Jason Kirby, the 2016 West Central football team had a very successful season. The season was highlighted by wins over United and Mid-County. Through it all, the boys played as a team and have so much to be proud of.

What's a team without their trusty water girls?

Our win against Mid County was another highlight of the 2016 season!

Our team started something new this year: every Wednesday they had a team dinner in the cafeteria. This tradition helped the team become a family, not just a team.

Football

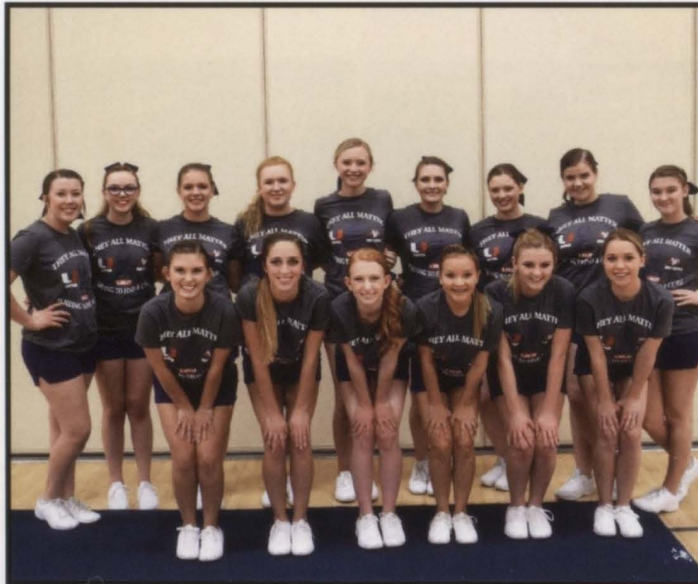

2016

The 2016 season also marked the first time in West Central's history that we beat United. In a powerful victory, the boys were dominant throughout, winning 32-8.

Varsity & JV

We are very proud of the 2016 West Central Varsity Volleyball Team! Their season was highlighted by two very impressive wins over Princeville and Illini West. The varsity girls finished the season with a great record of 17 and 10.

Golf

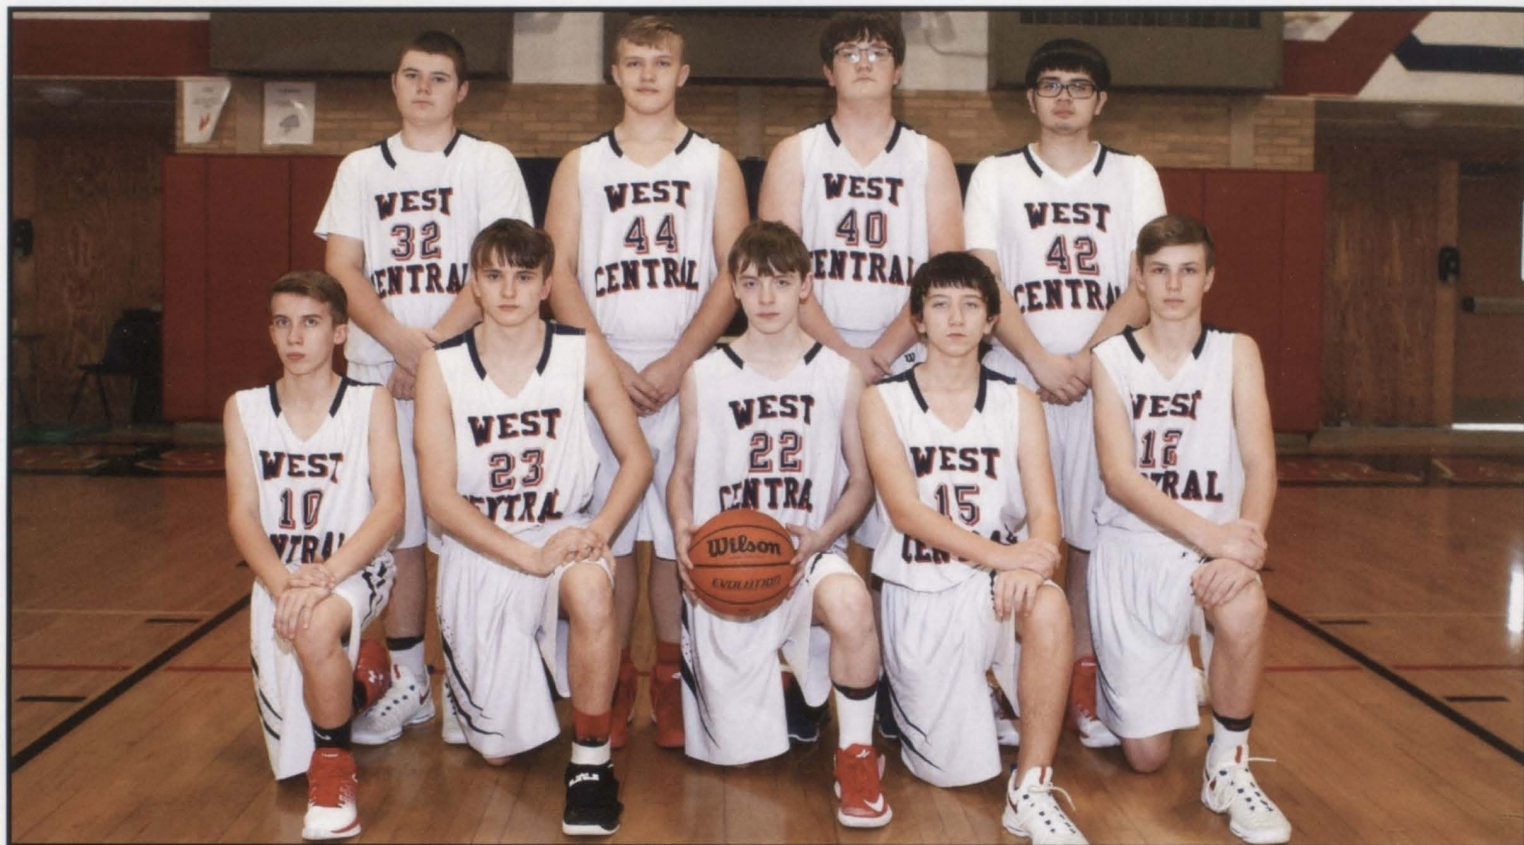

The West Central Golf Team finished their year with a positive regular season record and high showings at various invitationals. The team secured a 3rd place finish in the LTC Tournament standings and had numerous individual medalist awards. Throughout the year, Brent Nichols, Dylan Tee and Nathan Wetzel provided varsity leadership, with Nathan and Brent making it to Sectionals. In back to back years Brent Nichols qualified for State and represented his team and school well while finishing in the top 1% of golfers in his division.

In 2017, the West Central Softball Team continued the trend they established during last year's dominant campaign. The highlight of the season was forcing Princeville, last year's state runner-up, to a tie. This outstanding play has led to five girls signing with local colleges to play at the next level.

Boys & Girls

The 2017 West Central Boys Track Team is a classic example of quality over quantity. Although the team's "numbers" are small, the boys who do compete place in nearly every event. The 2017 team also has more state qualifiers than in past years, as well as school record holders in the 4x4, 4x1, 800, 1-mile relay, and the triple jump.

Despite being a small team, our track and field athletes place highly and even won the meet at West Hancock.

Little Shop of Horrors is a horror-comedy rock musical, by composer Alan Menken and writer Howard Ashman, about a hapless florist shop worker who raises a plant that feeds on human blood and flesh. The musical is based on the low-budget 1960 black comedy film *The Little Shop of Horrors*. The music, composed by Menken in the style of early 1960s rock and roll, doo-wop and early Motown, includes several well-known tunes, including the title song, "Skid Row (Downtown)," "Somewhere That's Green," and "Suddenly, Seymour."
